

Smart Steps Study Skills Workshops

Open to all students!

Do you believe that you can learn to learn better and more efficiently? **You can!** Whether you are interested in brushing up on your study skills or learning new ones, we have a workshop for you. Work with your instructor and other students to discover what works for you! Each 50 minute workshop will provide students with a take-away skill you can learn to immediately apply to your classwork.

Study Skills Topics

Step 1: Winning the College Game

Step 2: Goal Setting for Success!

Step 3: So Noted: Writing to LEARN

Step 4: Time is Ticking!

Step 5: Test Taking Strategy 101 or, "How to get an A on That Test!"

Step 6: The Test Autopsy or, "What to Do When You DON'T Get an A on That Test"
