Fellow Sisters of Pi Nu Epsilon,

I am writing to inform you of two exciting things happening in the history of our sorority.

First are the plans to celebrate our 100th Anniversary as a sorority. Our Centennial celebration will take place during SUNY Canton’s Alumni Weekend in 2014. The initial plans include:

- A formal meeting to update all Sisters of past accomplishments and future plans
- A formal tea for Sisters only for the opportunity to reconnect
- A cocktail reception and ribbon-cutting ceremony in the PNE Atrium followed by dinner. Entertainment will be provided in the form of a band or DJ.

The College Foundation and Office of Alumni Affairs will be seeking volunteers to reach out to Sisters regarding our 100th Anniversary celebration. We would like 100 percent participation at the reunion. If you are willing to assist, please contact their office at 1-800-811-6727 or email alumni@canton.edu.

I am also reaching out to update you on the progress of the PNE Atrium Naming.

In 2009, Pi Nu Epsilon joined forces with the SUNY Canton College Foundation by announcing our vision of renaming the Chaney Dining Center entrance as the “Pi Nu Epsilon Atrium.” We set a goal of $30,000 to become the first sorority to affix our letters, history, memorabilia, and memories of our sisterhood on SUNY Canton’s campus.

We need your help! To date, we have raised just over $16,915 toward our naming. If every sister is able to give, we will be that much closer to our goal. Every amount will ensure PNE is recognized for generations to come. For those who have already donated, thank you for your generosity and please consider giving again.

Pi Nu Epsilon has always been a leader on this campus and, for nearly 100 years, we have generously given to support its growth. We are proud of this tradition and this investment will cement our place in the College’s history as well as being a source of great pride when we return to campus.

The enclosed reply card is for your use but you may also make a donation by calling the College Foundation Office at 1-800-811-6727 or by visiting the website at www.canton.edu/alumni. Whether you donate by check, online, or over the phone, you MUST indicate that your donation is for the Pi Nu Epsilon Atrium naming. All donations are tax deductible.

Thank you for your generous support of this important effort. For questions, please contact me at obermayerkc@yahoo.com or 1-518-792-1568.

Sincerely,

Kelly Heise Obermayer ’79, Chair
The 100th Anniversary Celebration Committee
