For over 20 years, Blanche K. and Ronald L. Woodcock have tirelessly served SUNY Canton, its students, alumni, and friends. Mr. Woodcock was chair of the College’s first fundraising campaign in 1989. In 2004, Mr. and Mrs. Woodcock accepted the leadership roles as the Centennial Campaign Co-Chairs and once again stepped forward to lead the Canton College Foundation to another successful campaign. Their outstanding generosity, visionary leadership, and devotion to SUNY Canton are inspirational for our future students, alumni, and friends.

The Woodcocks have been instrumental in the changes that have occurred at SUNY Canton. Their leadership has increased community awareness and expanded our fundraising efforts among our alumni and friends. Prior to the campaign, our alumni and community knew very little about the College’s philanthropic endeavors or goals.

Today, SUNY Canton is perceived as a successful and exciting College that is accomplishing meaningful goals for the benefit of its students. Blanche and Ronald Woodcock are the reasons for this major change in perception and engagement. Their financial generosity, combined with their outstanding and dedicated leadership, has moved this College and its Foundation from infancy to a maturing organization.
SUNY Canton offers a wide variety of career-driven bachelor's, associate, and certificate programs, as well as three master's degrees in conjunction with SUNYIT, Utica. Most of SUNY Canton's new four-year programs are designed so students can take them on campus, online, or both. SUNY Canton OnLine features more than 65 courses online each semester. The College's athletic teams have joined the NAIA's Sunrise Conference, enabling students to compete in their respective sports for four years.
