Transfer Articulation Agreement  
Between the  
MORRISVILLE STATE COLLEGE  
and the  
STATE UNIVERSITY OF NEW YORK AT CANTON  

DECEMBER 2013

This articulation agreement establishes procedures to facilitate the transfer of qualified associate degree graduates from the State University of New York at Canton (Canton) to the Equine Science Bachelor of Technology degree program at Morrisville State College (Morrisville). Morrisville will accept the AAS degree in Veterinary Science Technology as equivalent to our AAS in Equine Science, as detailed in the following pages, and students will enter into the Morrisville curriculum with full junior status, however a 3-week horse handling course at the Morrisville State College Equine Rehabilitation Center will be required prior to starting the regular curriculum.

Objectives of the Agreement

1. To promote the easy transition of qualified students from Canton into this upper-division program at Morrisville State College

2. To provide a transfer path and specific information to transfer students who wish to pursue baccalaureate degrees.

3. To attract qualified students to SUNY Canton and Morrisville State College.

4. To facilitate communication, academic coordination between faculty, students and administrators at each institution.

Terms of the Agreement

1. Students from SUNY Canton, who complete the associate degree in Veterinary Science Technology and the courses outlined in the attached addendums, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the Equine Science Bachelor of Technology degree program at Morrisville State College with full junior status.

2. Courses with grades of C or better will be accepted for transfer credit. Courses with grades of C- or D+ may be accepted for elective credit only.

3. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.
Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from the date on which it is signed until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to Morrisville State College under its terms.

Effective Date and Signatures

This agreement will become effective December 2013, upon acceptance of Agreement with appropriate signatures.

SUNY Canton

Karen M. Spellacy, Interim Provost & Vice President for Academic Affairs

Dr. Ken Erickson, Interim Dean
School of Science, Health and Criminal Justice

Morrisville State College

Dr. David Rogers, Provost

Dr. Christopher Nyberg, Dean,
School of Agriculture, Sustainability, Business and Entrepreneurship

Dr. Mary O'Horo Loomis, Program Director
Veterinary Science Technology

Bonnie Miller, Chair
Equine Science Department

Dr. Joseph C. Hoffman
Acting President

TOTAL CREDITS TRANSFERRED 64
SUNY CANTON
VETERINARY SCIENCE TECHNOLOGY - A.A.S.
TO
MORRISVILLE STATE COLLEGE
EQUINE SCIENCE - B.T.

64 credits will transfer to the 128 credit requirement in the Equine Science Bachelor of Technology degree. 64 credits of the following coursework will need to be satisfied as a Morrisville State College student:

Major Field Requirements - 58 credits including:

- AGRO 310 Pasture Management and Forage Production 3
- AGSC 350 Animal Genetics 3
- COMP 310 Technical Communications 3
- ESCI 310 Applied Equine Nutrition 3
- ESCI 315 Equine Business Management 3
- RREN 450 Internship Orientation 1
- ESCI 420 Equine Internship 15

Eight credits from the following:

- BIOL Biology (2 4-credit courses with lab (as advised)) 8
- CHEM Chemistry (2 4-credit courses with lab (as advised))

Three credits from the following:

- ACCT 100 Accounting Information and Management Decisions 3
- ACCT 101 Principles of Accounting I
- AGBS 250 Decision Making for Agr. Managers

Upper-level (300-499) Coursework with the following prefixes: ESCI, ESTB, ERID, AGBS  **

General Education Requirements -

- COMP 101 or COMP 110 or COMP 111
- COMP 102 or MUSI 102 or PHIL 201 or PHIL 211 or PHIL 311
- HIST 161 or HIST 162
- HIST 101 or HIST 102 or HIST 103 or HIST 225
- PSYC 101 or SOCI 101 or ECON 101 or ECON 140 of ANTH 101

**Seven SUNY General Education categories must be satisfied.
