Advisory and Governance Structures

Online Course Review Committee (OLRC): Governance
Charge: (1) review and approve quality assurance of all newly developed and updated online and hybrid course offerings; (2) maintain and revise online course quality assurance evaluation rubrics.

Online Learning Advisory Committee (OLAC): Advisory
Faculty-centered advisory structure to leadership; helps the Associate Provost advocate for resources and funding for faculty teaching online.

Student Online Learning Advisory Committee (SOLAC): Advisory
Student-centered advisory structure that gives online students opportunities to share their perspective learning in a virtual environment and discuss ways the college could help improve their experience.
