

# Blackboard Mobile Learn

Our institution licenses Blackboard Mobile Learn for use by faculty, staff, and students.

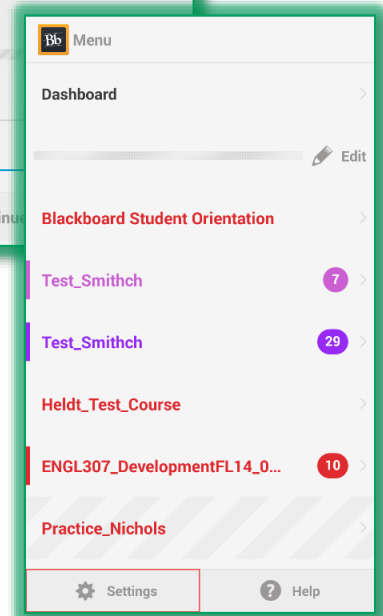

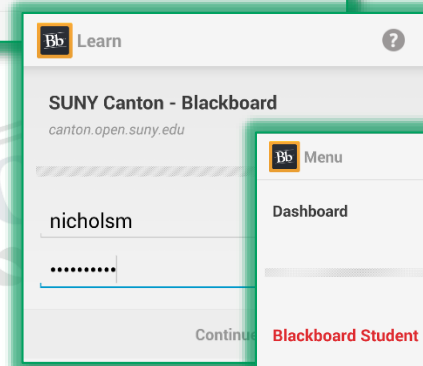

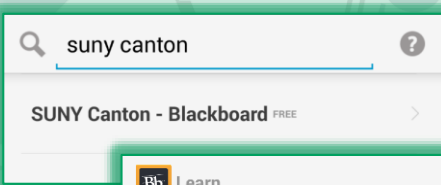

Blackboard Mobile Learn allows mobile access to course content through a free app.

The Blackboard Mobile learn app is compatible with iOS, Android, and Blackberry.

To get the Blackboard Mobile Learn app, navigate to the App Store for iOS, the Google Play Store for Android, or BlackBerry World for Blackberry.

Search for “Blackboard Mobile Learn” to locate, download, and install.

Search for “SUNY Canton” to locate and select our institution.

Log into Mobile Learn with your Net ID.

Once logged in, you can access your courses through your home screen.

You can access and edit notifications through the “Settings” button.
