Course Development Workshops

Monday Morning Mentoring

provide learning objectives for each lesson so students have clear expectations on what they should learn by the end of the lesson?

offer students a choice in what they will learn?

include cooperative and collaborative learning activities for your students?

provide multiple methods for assessing student progress?

meet the needs of all of your students?

provide your students with rubrics so they know how points will be awarded on assignments?

use current technology to enhance lessons and increase learning for your students?

create lessons that are engaging?

Workshops will be offered in
Wicks Hall - Room 006.

Tues. 10:30 A.M. - 12:00 P.M.
