New! GET system replaces Manage My ID

Beginning on March 31, 2017 all current users of managemyid.com will begin using the new GET system. Every single student, faculty, and staff member already have access and all you need to do is log in to activate your account. If you go to managemyid.com you will be automatically redirected to our new system. To activate your account please go to www.get.cbord.com or download the GET app on your cell phone. You will be prompted to select your school and log in with your SUNY Canton username and password (use just your username without the @canton.edu).

GET will allow you to make deposits to your ROO account, view account and meal plan balances, view transaction history, and report your card lost and found. You can also update your ID photo from your computer or cell phone. All new incoming students will be able to upload photos through GET too! For questions, please contact the College Association.

Summer Financial Assistance

For students enrolled in summer classes, we are accepting applications for summer financial aid assistance. Any financial aid used during the summer term can impact the amount of your awards for the upcoming fall or spring semesters. See more information on how to qualify and apply on our [Summer Financial Aid webpage](#). Contact the One Hop Shop with any questions you have. Summer is a great time to pick up some extra classes!

For students not enrolled in summer classes, you may be eligible to receive Federal Work Study for a job on-campus as long as you will return for the Fall 2017 semester.

Fall 2017 Course Schedule

The two week advising period for the Fall 2017 semester begins on Monday, April 3rd. Please use this time to evaluate your student account. Plan to meet with your Academic Advisor to discuss Fall 2017 and Summer 2017 if you haven't already done so. Review your UCanWeb account for any required surveys or holds to prevent delays at your scheduled registration time. Clean out your email account, we send important notifications to your SUNY Canton email account.

Be aware that holds are currently being placed on student accounts and meal plans for various reasons. Some reasons include failure to complete required paperwork and an unpaid balances due on your bill. Often these holds are designed to prevent you from scheduling your classes until the hold issue has been resolved.

Last Day to Withdraw

The last day to withdraw from Spring 2017 coursework is Friday, April 21st by 4 PM. **Withdrawing from any or all courses may impact your eligibility for financial aid in current or future semesters.** Be sure to ask questions before submitting any paperwork.

If you are considering withdrawing from all coursework, please view the basic information on the withdrawal process and our brochure at http://www.canton.edu/student_accounts/withdraw.html. It is highly recommended that you sit down and discuss your options with both your Academic

Advisor and your Financial Aid Advisor prior to withdrawing to fully understand the impact on your student record. It may also impact your eligibility at another school should you decide to transfer.
