NEW! The Excelsior Scholarship

You've likely already heard this new program announced as it's making headlines. New York State is the first state in the nation to offer tuition-free college for families making up to \$100,000 starting in the Fall 2017 semester. We recommend you continuously check www.canton.edu/excelsior for up-to-date information as final eligibility and regulations are announced. You must complete an application process to apply. The application is not yet available but is expected in June with a deadline date in July. Once eligibility is determined we will add the award to your financial aid package.

Late Registration Fee = \$50

Any student who has not registered for their fall semester coursework by 4 PM on Friday, May 12th will have a hold placed on their student account and be charged a \$50 Late Registration fee. You must pay the fee before the hold will be removed. The hold will prevent you from accessing course registration through your UCanWeb account.

Summer Sessions begin June 1st

Your summer bill must be paid in full or have payment arrangements made before you may attend. Remember that you have until 4 PM on the day the course begins to finalize your summer registration and bill. If you are seeking financial assistance you should submit your [summer financial aid application](#) to the One Hop Shop for processing by Friday, May 26 to allow for adequate processing time. Otherwise you should be prepared to pay your summer bill in full (may be reimbursed later by financial aid). Take note of the following important summer dates if you are attending summer.

Final Grades & Satisfactory Academic Progress

Final grades will be available for viewing through your UCanWeb account after 2 PM on Monday, May 15th. After that your student account will be under review by both Academics and Financial Aid. These reviews have separate criteria for maintaining satisfactory academic progress standards.

- **Academic Review:** You will be notified by your Dean's Office if there are issues with your academic performance. Contact them if you have any concerns.
- **Financial Aid Review:** The minimum financial aid standards are different than those imposed by Academics. If you are not meeting the [minimum standards](#) you will receive a notice explaining the impact on your financial aid eligibility. A letter will be mailed to your permanent mailing address and you will receive a copy by email. The letter will state if you are in danger of losing or have lost eligibility for any financial aid programs for the next semester you attend SUNY Canton. You will be given the option to file an appeal if you have extenuating circumstances that impacted your academic performance. All appeals are to be submitted by August 1, 2017.

Remember: Summer is a good time to earn credits and improve your GPA to help maintain or make up any deficiency in your academic progress.

Before you leave campus, did you forget something?

Take a final review of your student account before you leave for summer break.

- ✓ Make any final adjustments to your fall class schedule.
- ✓ Clean out your email.
- ✓ Submit any missing financial aid paperwork.
- ✓ Clear up any holds on your account.
- ✓ Check that your address on UCanWeb is up-to-date so you don't miss any mail.

Be sure to monitor your SUNY Canton email over the summer. It is an official means of communication used by the college.
