

AACU Program Assessment Plan Course Pulls – Spring 2017

Below, you will find the list of courses to be assessed using the AACU VALUE rubrics for [Communication](#) and/or [Critical Thinking](#) in the Spring 2017 semester.

These courses were identified in your program's assessment map as the competency or mastery checkpoints for these two ISLOs.

Plans are organized by school and program.

For all other courses not listed below, the following parameters apply:

1. If you already assessed the objectives mapped to Critical Thinking and Communication for a specific course in the Fall, you do not need to repeat the process for that course in the Spring.
2. For each course not assessed in Fall 2016, faculty are asked to assess two course objectives aligned to the ISLO of Critical Thinking or the ISLO of Communication. You do not have to use the AACU rubric to assess these objectives. Only the courses listed in the Program Assessment Plans below are expected to use the AACU Value Rubrics.

For directions on using the AACU VALUE rubrics, please see http://www.canton.edu/effectiveness/pdf/AACU_VALUE_Rubric_Implementation_Directions.pdf .

In short, if you are teaching one of these courses, you will need to select **one** artifact/assignment in that course to assess using the AACU VALUE Rubric. For that course, applying that rubric to an assignment fulfills your assessment requirement for this semester.

Additional Stipulations & Resolutions:

1. If any program would like to use a tool of measurement other than the AACU rubric to measure critical thinking or communication in the courses listed below, they may send the tools and assignment guidelines to jonesk@canton.edu to be reviewed by the ISLO Subcommittee.

If you have any questions, please contact Kirk jones: jonesk@canton.edu

Criminal Justice (CI, CJ, Law Enforcement Leadership, Homeland Security) – determined by department

The following courses are mapped to ISLO 1 (Communication) and ISLO 2 (Critical Thinking) for all programs within the Criminal Justice Department.

SLO 1 - 201, 209, 230, 303, 314, 406, 408

SLO 2 – 201, 210, 230, 300, 301, 314, 344, 375, 406, 408

The following courses **DID** complete the ISLO rubrics this past fall:

201, 209, 210, 300, 301, 314, 406, 408

The following courses **DID NOT** complete the ISLO rubrics this past fall:

230, 344, 375

Spring 2017 Assessment Requirements:

1. If you course **DID** complete the ISLO assessment for the fall you do not need to use the AACU rubric. You **DO** need to still complete an assessment in Task Stream, but it is the standard Task Stream assessment from previous semesters where you assessed each program SLO.
2. If you course **DID NOT** complete the ISLO assessment for the fall you will need to complete the AACU rubric for the spring. You will need to **select one course level SLO** that maps to either Communication, Critical Thinking or both (see the list above) and create an AACU rubric with the assignment description.
3. If your spring 2017 course is not on the SLO 1 and SLO 2 lists above you **DO NOT** need to assess anything this spring.

Courses/Instructor for Regular Task Stream Assessment

JUST 201 – Lisa Colbert and Lisa Hoover

JUST 209 – Justin Spaulding

JUST 210 – Liz Brown

JUST 300 – Lisa Colbert

JUST 301 – Liz Brown

JUST 303 – Sue Buckley

JUST 314 – Brian Harte and Ginger McClellan

Courses/Instructor for AACU Rubric Task Stream Assessment

JUST 230 – Ed Smalls (Communication and Critical Thinking)

JUST 344 – Chip Donoghue (Critical Thinking)

JUST 375 – Charles Russo (Critical Thinking)

Physical Therapist Assistant – determined by curriculum coordinator

- Program will assess all course outcomes linked to communication and critical thinking. Faculty members will be using the Clinical Performance Instrument (CPI) to assess our clinicals and will attempt to compile all outcomes that fall under the broader categories of critical thinking and communication into a “converted rubric” (based on the CPI). This will provide the best measure of meeting the institutional outcomes since they are capstone courses.
