****Please also include a photo of your pet with your application.****

1. Is the animal required to be licensed by New York or Federal Law? _____ Yes _____ No
   If YES, then attach the proper documentation when submitting this request.

   **Any feline needs an up-to-date copy of Feline Leukemia, Distemper and Rabies vaccinations. Additionally, all felines must be de-wormed or have had a fecal exam within the last year (please include records for this as well). Please also note that vaccinations must be updated EACH YEAR and do not carry over from the last year the animal lived in the pet wing.

2. Has the animal been spayed or neutered? _____ Yes _____ No

3. What is the animal’s age (felines must be older than 12 weeks) and for how long have you had the animal (we require a minimum of 3 weeks)?

4. If the animal has scent glands (such as a ferret), have they been removed? _____ Yes _____ No
   **Any ferret needs an up-to-date copy of Rabies and Distemper vaccinations included with this request form.

5. Please outline the type of care your pet requires. Include feeding, maintenance, and health requirements.

6. Please describe your pet’s health and behavioral history. How does your pet behave around other animals? Around other people?

7. Please give a brief statement of why you would like to have your pet with you while at SUNY Canton.
You are required to provide documentation from your veterinarian that your pet has received all necessary shots and vaccinations. Required shots and vaccinations must be up to date and have been received within the last 12 months.

If documentation is not provided, your pet WILL NOT be approved and you WILL NOT be able to bring your pet to college.

Approval of this request is not automatic and you must wait for confirmation BEFORE bringing any pet to campus. Unapproved pets may be confiscated by the Residence Life Staff. You will receive notification of approval/rejection via your campus e-mail address from your Residence Hall Director.
