Campus Parking for Students

Parking at SUNY Canton is by permit only. This means that all vehicles parked on the SUNY Canton Campus, including visitors, must be registered with the college and display a valid parking decal. Students can register their vehicle and obtain a parking permit at the Student Service Center located on the lower level of French Hall. This registration is conditioned upon the payment of a registration and parking fee. Currently the combined registration and parking fee for a full-time student is $186.90 annually.

A temporary registration is required in the event it becomes necessary to operate a vehicle on campus other than the vehicle(s) you have registered. You may obtain a temporary or visitor registration from University Police (we are open 24 hours a day - seven days a week) or at the Student Service Center. There is no charge for a visitor or temporary registration.

Handicapped parking spaces which are clearly marked with identifying signs are provided.

Do your part to make SUNY Canton a safe campus. Register your car, drive and park responsibly.
