Dear Mr. Spencer:  

Thank you for requesting the comments of the Office of Parks, Recreation and Historic Preservation (OPRHP). We have reviewed the project in accordance with the New York State Historic Preservation Act of 1980 (Section 14.09 of the New York Parks, Recreation and Historic Preservation Law). These comments are those of the Division for Historic Preservation and relate only to Historic/Cultural resources. They do not include potential environmental impacts to New York State Parkland that may be involved in or near your project. Such impacts must be considered as part of the environmental review of the project pursuant to the State Environmental Quality Review Act (New York Environmental Conservation Law Article 8) and its implementing regulations (6 NYCRR Part 617).  

Based upon this review, it is the OPRHP’s opinion that your project will have No Impact upon cultural resources in or eligible for inclusion in the State and National Register of Historic Places.  

If further correspondence is required regarding this project, please be sure to refer to the OPRHP Project Review (PR) number noted above.  

Sincerely,  

Ruth L. Pierpont  
Deputy Commissioner for Historic Preservation
