Professional Development Tuition Assistance Funding
Presidential Support Program

There are several avenues to explore for tuition assistance with professional development. Detailed information on the various avenues can be found on the SUNY Canton HR webpage:

This form serves to further support the College’s commitment to help all employees grow through professional development by allowing every employee an opportunity to become eligible for tuition assistance in the event that other funding areas are exhausted or an employee does not meet the criteria for funding through those areas. These funds are intended to support non-doctoral degrees (continuing education credits cannot be funded through this program). Funds will be awarded up to the maximum SUNY tuition rate per person/course – 3-cr. hr. course - $834; 4-cr. hr. course - $1,112 (2017-18).

In order to be considered, this application form must be completely filled out and submitted to Human Resources after the other funding options have been sought (see attached steps).

Submissions must be received prior to the first day of classes for the semester in which the requested course(s) begin.
Application

This application must be fully completed for consideration of the Professional Development Tuition Assistance Funding – Presidential Support Program. A separate application must be submitted for each funding request. Send application to Human Resources after the other funding options have been sought (see attached steps).
