

ARTICULATION AGREEMENT

BETWEEN

PAUL SMITH'S COLLEGE
Natural Resources, B.S.

AND

SUNY CANTON
Liberal Arts and Sciences - General Studies A.A. or A.S.

I. Introduction

This agreement establishes procedures to ensure admission of qualified transfer students from SUNY Canton into Paul Smith's College. Students are expected to follow application procedures as outlined in the current catalog of Paul Smith's College.

II. Objectives of the Agreement

1. To attract qualified students to Paul Smith's College and to SUNY Canton.
2. To promote efficient transfer of qualified graduates from SUNY Canton to Paul Smith's College.
3. To provide specific information to students who wish to pursue a baccalaureate degree in Natural Resources.
4. To facilitate communication and academic coordination between faculty, students, and administrators at each institution.

III. Terms of the Agreement

1. Students from SUNY Canton completing the degree listed above who
 - a. meet a minimum cumulative grade point average of 2.0 on a 4.0 scale for all completed college level courses at SUNY Canton
 - b. fulfill requirements as indicated on the attached plan sheet
 - c. receive a 2.0 (C) or above grade in all required courses transferred into the program will be accepted into the B.S. program in Natural Resources.
2. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

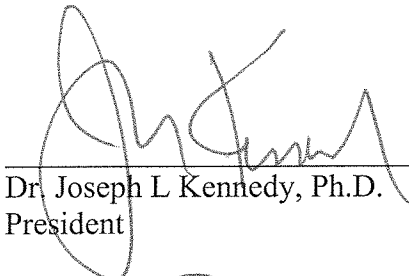

3. Both Paul Smith's College and SUNY Canton agree to encourage qualified students to participate by providing information and assistance to prospective transfer students.
4. Paul Smith's College agrees to list SUNY Canton on its website and in its course catalog in reference to this articulation agreement. SUNY Canton agrees to list Paul Smith's College on its website and in its course catalog in reference to this articulation agreement.

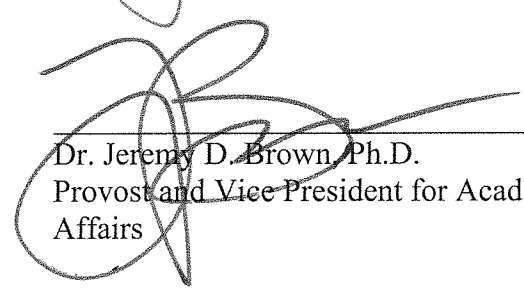

IV. Period of Agreement

This agreement will become effective immediately and shall be reviewed every two years, or when substantive changes are made in the curriculum on either campus.
