Transfer Articulation Agreement Between the MORRISVILLE STATE COLLEGE and the STATE UNIVERSITY OF NEW YORK AT CANTON

DECEMBER 2013

This articulation agreement establishes procedures to facilitate the transfer of qualified associate degree graduates from the State University of New York at Canton (Canton) to the Equine Science Bachelor of Technology degree program at Morrisville State College (Morrisville). Morrisville with accept the AAS degree in Veterinary Science Technology as equivalent to our AAS in Equine Science, as detailed in the following pages, and students will enter into the Morrisville curriculum with full junior status, however a 3-week horse handling course at the Morrisville State College Equine Rehabilitation Center will be required prior to starting the regular curriculum.

Objectives of the Agreement

- 1. To promote the easy transition of qualified students from Canton into this upper-division program at Morrisville State College
- 2. To provide a transfer path and specific information to transfer students who wish to pursue , baccalaureate degrees.
- 3. To attract qualified students to SUNY Canton and Morrisville State College.
- 4. To facilitate communication, academic coordination between faculty, students and administrators at each institution.

Terms of the Agreement

- 1. Students from SUNY Canton, who complete the associate degree in Veterinary Science Technology and the courses outlined in the attached addendums, with a minimum 2.25 cumulative grade point average, will be guaranteed admission into the Equine Science Bachelor of Technology degree program at Morrisville State College with full junior status.
- 2. Courses with grades of C or better will be accepted for transfer credit. Courses with grades of C- or D+ may be accepted for elective credit only.
- 3. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from the date on which it is signed until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to Morrisville State College under its terms.

Effective Date and Signatures

This agreement will become effective December 2013, upon acceptance of Agreement with appropriate signatures.
