**master Articulation Agreement Between  
State University of New York (SUNY) Canton  
and  
Oneida-Herkimer-Madison (OHM)BOCES**

**Effective date:** December 15, 2014

---

This articulation agreement is intended to facilitate the transfer of graduates of programs at the **Oneida-Herkimer-Madison BOCES** to applicable programs at SUNY Canton. The objectives, terms and conditions of this agreement are set forth as follows:

### **OBJECTIVES**

1. To attract qualified students to SUNY Canton who will enter with advanced standing.
2. To facilitate upward educational and career mobility in the indicated programs by increasing accessibility to a post-secondary education for qualified individuals.
3. To provide students with advisement in academic and career planning throughout their program of study.
3. To reduce unnecessary repetition of curricular content by providing a seamless articulation opportunity.
4. To facilitate communication, academic coordination between faculty, students, and administrators at each institution.

### **ELIGIBILITY / ADMISSION REQUIREMENTS**

1. Students who have a minimum grade, as noted in Appendix A in the courses indicated, will receive the indicated transfer credit at SUNY Canton.
2. Students must complete the admission process at SUNY Canton.
3. Students must meet the academic requirements listed in the "*Terms of Agreement*".
4. Students are encouraged to apply early, usually no later than the second semester of their senior year.
5. Students receiving transfer credit under this agreement will, whenever possible, be provided with a projected outline of their remaining requirements to complete their program of choice at SUNY Canton.

### **TERMS OF AGREEMENT**

**TRANSFER CREDIT:** Upon acceptance and enrollment at SUNY Canton, Oneida-Herkimer-Madison BOCES students receiving a course grade of **85%<sup>1</sup> or higher in the BOCES course(s) will be eligible to receive transfer credit through SUNY Canton's program(s).**

Students must submit a copy of their official BOCES transcript to SUNY Canton in order to receive credit for their BOCES coursework. Only those courses outlined on the following chart will be accepted for transfer. The chart indicates exactly how the courses transfer to the SUNY Canton program. All transfer courses receive a grade of *TR* and are not used in computing the student's grade point average.

---

<sup>1</sup> Exceptions may apply. Program-specific requirements are stated on the individual program's appendix on file.

# UNITED STATES DEPARTMENT OF AGRICULTURE BUREAU OF PLANT INDUSTRY WASHINGTON, D. C. 20250

OFFICE OF THE DIRECTOR

The following information is being furnished to you for your information and use. It is not intended to constitute a contract or any other legal instrument. It is subject to change without notice and is not to be construed as a warranty of any kind.

## OBJECTIVES

1. To determine the feasibility of establishing a permanent research station in the area of plant industry.
2. To determine the feasibility of establishing a permanent research station in the area of plant industry.
3. To determine the feasibility of establishing a permanent research station in the area of plant industry.
4. To determine the feasibility of establishing a permanent research station in the area of plant industry.
5. To determine the feasibility of establishing a permanent research station in the area of plant industry.
6. To determine the feasibility of establishing a permanent research station in the area of plant industry.
7. To determine the feasibility of establishing a permanent research station in the area of plant industry.
8. To determine the feasibility of establishing a permanent research station in the area of plant industry.
9. To determine the feasibility of establishing a permanent research station in the area of plant industry.
10. To determine the feasibility of establishing a permanent research station in the area of plant industry.

## RESEARCH AND DEVELOPMENT

1. To determine the feasibility of establishing a permanent research station in the area of plant industry.
2. To determine the feasibility of establishing a permanent research station in the area of plant industry.
3. To determine the feasibility of establishing a permanent research station in the area of plant industry.
4. To determine the feasibility of establishing a permanent research station in the area of plant industry.
5. To determine the feasibility of establishing a permanent research station in the area of plant industry.
6. To determine the feasibility of establishing a permanent research station in the area of plant industry.
7. To determine the feasibility of establishing a permanent research station in the area of plant industry.
8. To determine the feasibility of establishing a permanent research station in the area of plant industry.
9. To determine the feasibility of establishing a permanent research station in the area of plant industry.
10. To determine the feasibility of establishing a permanent research station in the area of plant industry.

## CONCLUSIONS

The following conclusions were reached from the study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250.

1. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

2. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

3. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

4. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

5. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

6. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

7. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

8. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

9. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

10. The study conducted by the Bureau of Plant Industry, United States Department of Agriculture, Washington, D. C. 20250, has shown that the establishment of a permanent research station in the area of plant industry is feasible.

**FINANCIAL AID:** Students accepted under this agreement are eligible to participate in all financial aid, grants, and scholarship programs customarily open to transfer students.

**COURSE/PROGRAM CHANGES:** If either SUNY Canton or Oneida-Herkimer-Madison BOCES make changes to their respective course(s)/program(s), those changes will be communicated to the other college for review of this articulation agreement.
