Meets Graduation Requirements / Date

- Any CITA course presented for meeting degree requirements must have a grade of at least C (or transfer credit). No more than 3 CITA credits with a course number below CITA150 may be used for credit towards graduation.
- 2. CIS minimum requirement is MATH106 Intermediate Algebra. MATH121 College Algebra and MATH141 Statistics are required in the B.Tech. in IT program. CHEM 107 / 108 Investigative Chemistry and Lab or PHYS 115 Basic Physics recommended as a science elective.
- 3. All graduates must have a minimum of 20 LA (liberal arts and sciences) credits.
- 4. Students pursuing a baccalaureate degree should select courses from the following GER areas when feasible.
 - GER 2 Science (CHEM107/108 Investigative Chemistry/Lab recommended), GER 4 American History; GER 5 Western Civilization; GER 6 Other World Cultures; GER 7 Humanities; GER 8 The Arts; or, GER 9 Foreign Language.
- 5. Program Electives are from Canino SOET, the Business Department (including ACCT 102 Managerial Accounting), the Cybersecurity program and the GMMD and GAME design programs. Students pursuing a B.Tech. in IT degree should take: CITA180 Intro to Programming, CITA204 Systems Analysis and Design, and CITA215 Database Applications and Concepts.
- 6. ACCT101 Financial Accounting may be substituted for students interested in pursuing a business related minor or major.
- 7. Social Science Elective students pursuing a baccalaureate degree should select from GER 4, 5, or 6 see note 4 above.
