

Academic Assessment Committee Meeting  
March 28, 2014  
Faculty Office Building 620

Present: Rashid Aidun, Paul Bowdre, Ken Erickson, William Jones, Kirk Jones, Tatsuhito Koya, Mike Newtown, Wil Rivers, Rachel Santos, Sarah Todd, Jennifer Waite

Excused: Jondavid DeLong, Karen Spellacy, Molly Mott

The meeting was convened at 9:03 a.m.

An assessment and planning webinar was presented from TracDat. Sarah explained that TracDat has a Banner integration which would not work for SUNY Canton; whereas TaskStream has a Black Board integration which we need.

Before a decision is made to spend money on either TaskStream or TracDat, Jen charged the committee to think about what the program should look like and how this process should work for SUNY Canton. There needs to be a starting point and a structure laid out. There are some SUNY colleges that use one or the other of these assessment programs. Sarah will reach out to those colleges and get feedback from them; she will bring that information to the committee next week.

The Critical Thinking Workshop with Dan Apple will be on May 22<sup>nd</sup> from 8:00 a.m. – 5:00 p.m. Please let Renee know the list of people who will be attending.

Next meeting: **Friday, April 4<sup>th</sup> at 9:00 a.m. in FOB 620.** Please send any agenda items to Renee.

The meeting was adjourned at 11:10 a.m.

Respectfully submitted,

Renee Campbell, Recorder
