

Assessment in the Major Clean-up Committee Meeting

October 7, 2015 – 1:15 PM

In attendance: Sarah Todd, Rashid Aidun, Christine Thompson

In the last meeting we established the reports that we would review for this meeting in order to present to the Academic Assessment Committee. When we attempted to access those reports, some of them were missing. Given this, we created a new timeline for reviewing the 2012-13, 2013-14, and 2014-15 AIMS to line up with Academic Assessment Committee meetings.

For our next meeting, October 20 (1:15, Cook 100) each member will have reviewed (using the rubric):

Powersports (12-13)
Automotive (13-14 – Sarah needs to distribute to the group)
Computer Information Systems (13-14)
Early Childhood (13-14)
Veterinary Service Management (13-14)
Accounting (13-14)

For our meeting on November 17th (1:15, Cook 100) each member will review:

Civil and Environmental Engineering (13-14)
Electrical Engineering Technology Btech (13-14)
Mechanical Engineering Technology Btech (13-14)
Physical Therapist Assistant (13-14)
Practical Nursing (13-14)
Industrial Technology Management (14-15)
Information Technology (14-15)
Dental Hygiene AAS (14-15)
Funeral Services Administration (14-15)
Air Conditioning Engineering Technology (14-15)
Civil Engineering Technology (14-15)
Mechanical Engineering Technology AAS (14-15)
Electrical Engineering Technology AAS (14-15)

Assessment in the Majors that are currently missing:

Alternative and Renewable Energy Systems (13-14)
Construction Technology Management (14-15)
Graphic and Multimedia Design – incomplete (14-15)
Liberal Arts (14-15)
Criminal Justice (14-15)
