To begin working on any pending time records and/or time off requests, click on Supervisor Work Roster highlighted in yellow on the tool bar above.

Pending Time off Request will be listed first on the supervisor work roster and must be approve or denied before the time record within the same pay period.

Supervisors have the ability to approve, deny or postpone time off requests by selecting the appropriate radio button under Approval (highlighted above in pink).

- Approve
- Deny - If a time record is denied, comments are required. Once the Deny button is selected the comment field will open to allow comments to be entered.
- Postpone – can be selected if supervisor does not wish to take action on the employee’s time record at that time. The time record will remain on the supervisors work roster until further action is taken.

Supervisor must select whether the sick leave was scheduled or not before taking action on any sick leave request.

- ✓ Once action has been selected, click Submit.

To take action on an employee's time record, supervisors must select Details (see above in orange) to view the time record in its entirety.
