Request to Elect A Minor

This form is intended only for current SUNY Canton students who wish to declare a minor. Although minors are designed to be completed within the same time frame allowed for the completion of the major, students may be permitted to postpone their graduation if they wish to take extra course(s) to earn their minor; **however, before making that decision, it is strongly recommended that students consult with a Financial Aid and/or Student Accounts Counselor.**

Eligibility Criteria to Elect a Minor:

- Degree student
- Belong to one of the three schools (Engineering Tech/Science, Health, CJ/Business & Liberal Arts)
- Active Student (i.e., currently enrolled)
- Cannot be Undeclared
- Has a Primary Program
- Has an Academic Advisor
- You cannot elect a Minor that is similar to your Major. For example, if your Major is 2698 (Cybersecurity), you cannot elect CYBS (Cybersecurity) as a Minor
