## Dependent Request Form

To bring a spouse/children to the United States, students and exchange scholars will need to obtain a dependent copy of Form DS-2019 or Form I-20 for them to apply for J-2/F-2 visas at the US embassy or consulate overseas. J-2/F-2 visas are only for immediate family members (spouse and children). In order for the International Programs Office to issue the DS-2019 or I-20, you must show financial support for each accompanying family member for at least one year or the length of your program (whichever is less). Please complete the following information and return it along with any additional verification of finances to the International Programs Office.
