

STUDENT AUTOBIOGRAPHY

SUNY Canton-Educational Opportunity Program

In order to provide students of the Educational Opportunity Program the best possible service to help them succeed, **EOP REQUIRES** an autobiography from each student (to be completed and submitted to the EOP office before classes begin). Please mail, email, or bring it to our offices whenever you are on campus. This information remains confidential and becomes part of your student file. It provides a way for your EOP Counselor to get to know you better.
