

Full Assessment Cycle

Context: This plan accounts for all potential overlaps between GER and ISLO.

We would like to allow GER and Program Coordinators to stagger assessment responsibilities as they see fit. For example, GER 10 features five objectives in total. They could assess two objectives per year and report out in year one of the subsequent cycle or they could assess all content during the year their report is required.

| Cycle Year | Year 1 (2017) | Year 2 (2018) | Year 3 (2019) |
|------------|---|--|---|
| ISLO | 1. Communication <ul style="list-style-type: none"> • Oral • Written 2. Critical Thinking (1 of 3) <ul style="list-style-type: none"> • Critical Analysis • Inquiry and Analysis • Problem Solving | 3. Foundational Skills (both subsets) <ul style="list-style-type: none"> • Quantitative Reasoning • Information Management 4. Social Responsibility (2 of 4) <ul style="list-style-type: none"> • Ethical Reasoning • Global Learning • Intercultural Knowledge • Teamwork | 5. Industry, Professional, Discipline-Specific Knowledge and Skills |
| GER | GER 11 (Critical Thinking) GER 10 (Communication) GER 4 (American History) | GER 5 (Western Civ) GER 3 (Social Sciences <i>*delayed until 2019 for this cycle</i>) GER 7 (Humanities) GER 12 (Info Management) GER 1 (Mathematics) | GER 2 (Sciences) GER 6 (Other Worlds) GER 8 (Arts) GER 9 (Foreign Languages) |
