

### Micro Course Monday – ICE vs EVs By the Numbers

Micro Course	ICE vs EVs By the Numbers
Date	Monday, February 12th
Time	3:00-4:00pm
In-Person Location	Dana Hall 228 – <a href="#">campus map</a> – parking in lot 5
Online Link	<a href="#">Live online in Collaborate</a>
Presenter	Brandon Baldwin

Learn about vehicles with internal combustion engines vs electric vehicles. This is a comparison of vehicles with internal combustion engines to electric vehicles in terms of pollution, use, technician jobs, and perception. We will cover the misconceptions on both in regard to efficiency, the environment, and the costs. Use this to help you to decide which way you want to drive.
