

Jump Start Summer Program 2023

On behalf of the entire SUNY Canton community, welcome to Jump Start! You are joining a program that supports students in achieving their academic and personal potential while studying at SUNY Canton. We are excited to work with you during the summer program to help you build the skills and confidence to hit the ground running when you begin the fall semester as a full-time college student. The Student Success Course and experiential activities will engage you in activities that will help you navigate the transition to college. You will have support from the Jump Start Program Administrator, Program Coordinator and Student Success Instructor, Online Student Facilitator, and peer mentors.
