Is Dr. Frankenstein really the monster? How do you pronounce Dr. Jekyll and Mr. Hyde? How old was Dracula when he went to school to learn to be a vampire? How do you avert an alien invasion? How does Sherlock Holmes stack up as a monster hunter? As the home of merciless bloodsuckers, invisible men, wrathful werewolves, and demented scientists, the Nineteenth Century Literature gave us many of our most memorably macabre monsters. Join us to learn more about the origins of our favorite gothic horrors!
