COLOR PALETTE

Color is as significant to a graphic identity as images, symbols, and marks. The official colors of SUNY Canton are blue, green, and gold. Gray can also be used as an accent color.

Ink colors are specified according to the Pantone Matching System (PMS). The Pantone number, its process-color equivalent (CMYK) and the recommended screen colors (RGB) are indicated as a coated and uncoated color. This document should not be used to match color on press. Please refer to a Pantone color selection book for correct rendition of color.

COLLEGE SEAL

The SUNY Canton College seal is a standalone mark that was developed for use on official college documents including diplomas, formal invitations and formal publications such as the commencement program. The seal may also be used for merchandising or promotional items that reflect the College's history and tradition. Accordingly, the seal has a very limited use and should not be used for any other purpose. Permission to use the seal must be requested in advance from the Office of Public Relations with the President's Office giving final authority.

PRIMARY LOGO - ATHLETICS

The SUNY Canton Kangaroos athletics logo is a standalone mark featuring the kangaroo mascot and wordmark. This logo should not be recreated, changed or altered in any way.

Kangaroos are fiercely competitive and are respected for their strength and agility. These characteristics can clearly be identified with athletic prowess and success. The Kangaroo also captures the essence of how the college has survived and now thrives. In addition, it represents the boldness of moving forward to four-year athletics and the NCAA.

TYPOGRAPHY

Typography is an integral part of the SUNY Canton brand. It plays an important role in communicating the overall tone of the brand. To aid in creating a consistent look for a wide variety of College communications, three logotypes are included in this style guide.

SUNY Canton's primary font is ITC Berkeley Oldstyle. This font is used in the primary logo and is often featured in official college documents including diplomas, formal invitations and formal publications such as the commencement program. ITC Berkeley Oldstyle strengthens the primary logo and promotes academic achievement and strength.

A custom Roo logotype has been designed to maintain consistency with the brand identity. The Roo logotype strengthens the primary logo and helps distinguish the brand.

Our secondary font is Futura Condensed Medium. It should be used to complement and contrast with the custom SUNY Canton logotype and Roo logotype. Futura Condensed Medium can be used for either text or display purposes where appropriate.
