My name is Abigale Fink. I am a junior here at SUNY Canton, working on completing the B.B.A. program for Early Childcare and Business Management. I graduated Magna Cum Laude from my Associates degree program of Early Childhood Studies in the Spring 2021. I plan to continue on towards obtaining a Master's degree in Social Services once I have completed my Bachelors program. I decided to take a gap year when I graduated from high school and spent time traveling to places like Lebanon, Bahrain and spent nearly 3 weeks in Dubai, in addition to 5 months in California. When I returned, SUNY Canton was an obvious choice for me because the degree program offered many experienced professors, as well as numerous job and potential career opportunities. I looked into SUNY Canton originally because my older sister had an amazing experience with the Criminal Justice programs on campus. Having now spent almost 3 years on campus, not only has the staff, classes, and programming been exceptional, but the community I have found is for sure a second family.

This is my first year as a Student Ambassador after working for the Ready Center on campus since the Spring 2020. When not at work or in class, I love participating in the many on campus events and enjoying being a part of the community on campus. I find so much fun in sharing my experiences with the prospective students, and I am so excited to be a part of a team!

**GREAT MAJORS,  
GREAT CAREERS.**
