Chris David `28

Bronx, New York

Hello Everyone! My name is Christopher David-Guity. I'm an Applied Psychology major, with a minor in Forensic Victimology, here at SUNY Canton. I play basketball, am involved in a fraternity, Delta Omega Epsilon, as well as an Executive Board member for the Black Student Union, and part of the Honors Program. I am a student ambassador in the Admissions Office, and work in the Counseling Office as well. As you can see, I stay busy with school and different activities on campus. Outside of school, I really enjoy film and photography, working out, shopping, thrifting, and lifting weights.

I am a social and outgoing person, and I like meeting new people, having a good time, and making people laugh. I am looking forward to getting to know everyone and having a good semester.

GREAT MAJORS, GREAT CAREERS.
