Jesus Garcia `24

Waterbury, Connecticut

My name is Jesus Garcia, and I am in my final semester of the Criminal Investigation B.S. program. I play baseball here at SUNY Canton and will be attending the David Sullivan - St. Lawrence County Law Enforcement Academy in the upcoming semester. I chose to come to SUNY Canton because of one of its best ongoing Criminal Investigation programs, in addition to how it really made me feel at home, I was drawn to all of the hands-on classes that I would be provided, which I know for a fact would benefit and prepare me for jobs after graduation. All of my professors have also had different roles in the criminal justice system, providing their expertise.

This is my last year as a student ambassador. I strive to see students interact and be able to succeed, as well as getting to know students around campus. Being able to share new experiences also allows me to both see and help others succeed. I enjoy working out and getting involved in many clubs and groups in my free time.

**GREAT MAJORS,**  
**GREAT CAREERS.**
