CANTON
STATE UNIVERSITY OF NEW YORK

# Josh Kubik `29

## Attica, New York

My name is Josh Kubik, and I am pursuing both the Health and Fitness Promotion and Physical Therapist Assistant programs at SUNY Canton. I chose SUNY Canton because it gives me the opportunity to turn my interests in health, fitness, and helping others into a meaningful career. I enjoy learning through hands-on experiences and taking advantage of the many opportunities available beyond the classroom.

Outside of class, I am a member of the SUNY Canton men's soccer team, and an intern with SUNY Canton's Outdoors for All program. Through these experiences, I get to work with others, stay active, and share my appreciation for the outdoors. They have helped me grow as a student, teammate, and member of the campus community.

This is my first year as a student ambassador, and I am excited to welcome prospective students and families to campus. I look forward to sharing my experiences, answering questions, and helping students discover the opportunities that make SUNY Canton special. I hope to offer an honest perspective on campus life and help future students feel confident about taking their next step toward college.

When I am not in class, working, or playing soccer, you can usually find me outdoors. I love hiking, fishing, camping, and exploring new places. I also enjoy going to concerts, listening to music, and playing the guitar.

GREAT MAJORS, GREAT CAREERS.
