Luis Torres '21

Hormigueros, Puerto Rico

My name is Luis Alberto Torres Rivera, and I'm a Senior in the Health and Fitness Promotion program. I chose SUNY Canton because of the opportunity to play the sport that I love, baseball, and at the same time work towards my degree. I studied in the Carlos Beltran Baseball Academy, where I was recruited to play baseball. I really recommend SUNY Canton, as it is a beautiful campus in a great environment, where you can focus and put your knowledge and abilities to

This is my fourth semester as a student ambassador here at SUNY Canton, and it has been a great experience. I have had the opportunity to get to know a lot of people, their experiences, cultures and differences. Being a student ambassador has helped me to get to know people from all over the world, while also having the chance to help prospective students find the best opportunities for their future that SUNY Canton has to offer.

**GREAT MAJORS,
GREAT CAREERS.**
