

Sophia Tartaglia '29

Canton, NY

My name is Sophia Tartaglia, and I am from Canton, New York! Before living in Canton, I lived in Potsdam, Norwood, Geneva, and Plattsburgh. Living in this town and adjoining towns, I spent a lot of my free time engaging with the community events in the surrounding areas. This includes "Porchfest", mini-golfing, and the productions open to the public through Crane. Despite being a relatively small town, I have really thrived in community building and can really attest to what the North Country has to offer.

I am a freshman majoring in Legal Studies (Pre-Law). SUNY Canton was the best option for me because of how it fits my needs the best in all categories. Not only convenient geographically, but it fits my financial needs and has the best program in Pre-Law in the area. It is the only program scheduled to finish in 6 years, instead of 7. SUNY Canton has given me a community like no other, where I am more than a number.

Outside of school, I am a seamstress and visual artist. I enjoy listening to true crime, audiobooks, and psychology lectures. I frequently weightlift, and when the weather permits, I like to bike and hike trails/mountains with my four siblings and friends.

GREAT MAJORS,
GREAT CAREERS.
