

## Valerie Taylor '28

Brasher Falls, New York

Hi! My name is Valerie Taylor. I am a commuter student here at SUNY Canton! I transferred here in the spring of 2025. I was struggling at my previous college, and I wanted the opportunity to have an on-campus experience without living on campus. My major is Early Childhood Care and Management, which is a Bachelors degree. I have always been very passionate about child-care from a very young age. The professors are excellent and take a lot of pride in being helpful. This is my first semester as a student ambassador, and I am very excited to help prospective students and families navigate and get used to our beautiful campus,

**GREAT MAJORS,  
GREAT CAREERS.**
