Want to study abroad but don't want to spend a whole semester in a different country? We have a number of programs to fit your plan of study!

WHY SUNY?

Plan Your Study Abroad Experience With SUNY Today!

SUNY's professional study abroad staff and students will help you focus on experiencing the world in ways you can't even imagine. Study abroad will challenge you and bring you new life-long friends and once in a lifetime experiences that will shape who you are, starting now.

Where? When? What?

Regardless of your desired destination, time-frame, type of experience or field of study, search the possibilities now. Our SUNY campuses are ready to assist you!

Who are our programs offered to?

ANYONE can study abroad with SUNY, including non-SUNY students!

Is study abroad too expensive?

If you receive financial aid, you should be able to apply your aid towards study abroad costs. Your home campus will process your aid. Visit suny.edu/studyabroad for more information.

Not sure when to study abroad?

SUNY offers a variety of program options. From first-year students to graduate students, we offer programs for a range of academic levels.

PROGRAM TYPE

No matter the major, we have a program for you! Earn undergraduate or graduate credit through SUNY study abroad programs. Any student can study abroad through our programs. Learn more details about the program type best suited for you!

DIRECT ENROLLMENT

Enroll in courses offered by a partner institution abroad alongside both domestic and international students.

You have the option of choosing **Semester Long** or **Academic Year**. Some offer summer or winter programs as well. 🍁 ☀️

SERVICE LEARNING

Give back to your host community by serving alongside local people.

INTERNSHIPS AND STUDENT TEACHING

Enhance your resume by gaining global experience while developing skills within your field.

FACULTY-LED

Students travel and learn alongside SUNY faculty members. The duration of the program depends on the number of credit hours of the course. 🍁 ☀️ 🌱 🌞 🌻 🌿

RESEARCH

Hands-on problem-solving opportunities in international research projects, including STEM.

LANGUAGE IMMERSION

Experience your host country in a new way by taking intensive language and culture courses, developing your language skills in and outside the classroom.

TERMS

Fall

Winter Intersession / January Term

Spring

Spring Break

Short-term Faculty Led

COST AND FUNDING OPTIONS

Costs vary depending on your study abroad program, but we make every attempt to keep costs as low as possible. Costs of a program depends on the cost of living in a particular country or city; the tuition of the host university or institution abroad; services & extras such as housing, meals, excursions, etc.

There are numerous options to help you finance your study abroad experience, including:

FINANCIAL AID

Financial aid can be used for study abroad costs on SUNY programs.

- Depending on the cost of the particular option you choose, you may be eligible for additional financial aid and loans.
- Even if you are not currently receiving financial aid, you may qualify for aid and loans to be used during your time abroad.
- Visit your Financial Aid Office for more details on how much financial aid you can expect to receive for study abroad!

GRANTS AND SCHOLARSHIPS

In addition to financial aid from your campus, there are many sources for scholarships and grants. There are numerous scholarships available, some based on merit and others that consider financial need.

PERSONAL FUNDING

Consider starting a separate savings account and ask family and friends to crowdfund your experience. Be sure to read program details to determine the costs of the programs you are considering.

**Please consult with your home campus for details.*

APPLICATION PROCESS

APPLYING IS EASY!

- Meet the minimum GPA (typically 2.5)
- Submit your:
 - Official transcripts
 - Study statement
 - Academic reference(s)
 - Additional requirements (if any)

Application instructions can be found on the website of the administering campus. Make sure to check the program description to see that you meet the eligibility requirements of the program before applying.
