Adams, New York

My name is Cady Weller and I am currently a senior at SUNY Canton in the Applied Psychology program. I am a fully online student, so don't worry I am used to communicating online. I have been a student at SUNY Canton for over a year and a half now. Even though I was a transfer, with credits from everywhere you could imagine, it was hard for me to find a home. But in the psychology program and with help from the professors and staff at SUNY Canton I finally feel at home.

I have my Associates degree from Jefferson Community College in Humanities and Social Sciences. I have been on the President's List for the past year and I am so grateful for the outstanding staff at SUNY Canton for getting me where I am today. I currently work at Planet Fitness which is a great fit for me because I love helping people reach the goals they set for themselves. Transferring to SUNY Canton was the best decision I could have made for my future career in School Counseling.

**GREAT MAJORS,
GREAT CAREERS.**
