(See Policies & Procedures Manual)

Full-time Student: One who is enrolled for 12 or more semester hours of credit.

Part-time Student: One who is enrolled for less than 12 semester hours of credit.

Matriculated Student: A student who has made formal application to and has been admitted into the College as a degree-or certificate-seeking candidate.

Non-Matriculated Student: A part-time student who has neither made application for nor been admitted into the College as a degree–or certificate-seeking candidate.

1.1 Course Selection/Registration

Registration allows students to select courses for the next semester. The Registrar arranges for and coordinates the registration of returning students each semester. The Advising Center coordinates the registration of new students. Faculty advisors will assist students with appropriate selections to meet their program requirements; however, the responsibility for meeting all graduation requirements is that of the student. Following advisement, continuing students schedule their classes for the subsequent semester through secure access to UCanWeb, the online student information system. Non-matriculated students and those who do not register may register for courses on a space-available basis. (Please note that only courses required for a student’s current curriculum will be considered eligible for federal and state financial aid).

1.2 Maximum Student Course Load

(See Policies & Procedures Manual)

Nineteen credit hours will constitute a maximum course load for fall, spring, and summer term semesters; seven credit hours is the maximum course load for winter term. Degree students may seek permission for additional hours from the Dean of the School in which the student is enrolled. Non-degree students may seek permission for additional hours from the Provost’s Office.

1.3 Credit Hours

(See Policies & Procedures Manual)

A semester credit hour is granted for satisfactory completion of one, fifty-minute session of classroom instruction per week for a semester of 15 weeks. Semester credit hours are granted for various types of instruction as follows:

1. Lecture - A semester credit hour is granted for satisfactory completion of (15) 50-minute sessions of classroom instruction.

2. Lab/Practicum/Recitation - (45) 50-minute sessions of such activity would also normally earn one semester credit hour. Where such activity involves substantial outside preparation by the student, the equivalent of at least 15 periods of 100 minutes’ duration each will earn one semester credit hour.

3. Independent Study - One credit for independent study will be awarded for the equivalent of (45) 50-minute sessions of student academic activity.

The following credit hour/status designations will be used for all academic purposes:

- Freshman: 0-29
- Sophomore: 30-59
- Junior: 60-89
- Senior: 90+

All credit hours must be part of a degree program offered by the College.

1.4 Dropping and/or Adding Courses

Students may add and drop courses themselves on UCan Web with their PIN up through the third day of classes, at which time no fee will be imposed. Beginning the fourth day of classes each semester, all changes will utilize the Course Change Request 4th Day and Beyond available in UCan Web under the Registration tab. The request must be approved by the student’s academic advisor and/or academic Dean.

At this time, a $20 course change fee will be added to the student’s account and must be paid at the Student Accounts Office in the One Hop Shop or via the online payment portal which is available on the SUNY Canton webpage (Quick Links > Online Payment).

1.5 Auditing Courses

With permission of the instructor, a person may audit any credit course offered by the College. A maximum of two courses may be audited in one semester, unless a waiver is obtained from the Provost. An individual may not audit the same course in two consecutive semesters. The Course Audit Form, which is available from Deans’ Offices or the Registrar, must be completed and returned to the Registrar’s Office. Course audits require a registration fee of $50 per course, but are free of charge for those 60 years of age and over. Individuals may not begin auditing a course until the registration process is completed as described on the course audit form. Once the individual has elected to audit a course, one cannot subsequently change the audit to credit. No credit is granted for audited courses. A grade of AU (audited course) will appear on the student transcript; this grade will not be calculated in the student’s GPA. The course auditor will abide by the conditions agreed to by the instructor and auditor as stated on the course audit form. Auditors must adhere to the Student Code of Conduct as published on the college website and in each course syllabus. Permission to audit may be revoked for disruptive or inappropriate behavior. Campus student services (i.e., Academic Support Services, Counseling, etc.) are not available for course auditors.

1.6 Withdrawal From Courses

There will be no academic record of courses dropped during the first 7 days (weekend included) of the semester. Beginning the 8th day of the semester, students may withdraw from credit courses without academic penalty (receiving a grade of “W”) under the following conditions, unless dismissed for deviant academic conduct:

- In order to maintain the academic integrity of the institution, the academic focus of the students, and adequate student academic progress toward a degree, a matriculated, full-time student may not withdraw from courses below a 12 credit-hour load while a semester is in progress without written approval of the School’s Dean. Students are encouraged to consult with the Offices of Financial Aid and Residence Life to determine the impact of this academic decision before dropping to part-time status.

- Withdrawal from a course is requested via a Course Change available in UCan Web under the Registration tab. The request must be approved by the student’s academic advisor and/or the School Dean. A $20 fee must be paid at the Student Accounts - One Hop Shop.

- Withdrawal is allowed under the above conditions prior to the last ten class days of the semester. In courses less than a semester in length, withdrawal is allowed prior to completion of 85 percent of the class meetings.

- Non-matriculated students are not required to obtain advisor and School Dean’s signatures but are still required to pay the $20 fee.

- Approvals of the advisor and School Dean do not necessarily indicate approval of the action but signify that the student is
aware of the academic consequences of course withdrawal.
—Failure to attend class or merely giving notice to an instructor is not an official withdrawal.
—A “W” (withdrawn) will be recorded for courses withdrawn from and will not be used in calculating GPA. When all approvals have been completed, the official withdrawal will be confirmed by the student by returning to the Course Change Request Outcome Page in UCan Web and submitting requested changes.

Students who receive financial aid are reminded that their aid is based on the number of credit hours they maintain. A loss of aid may occur if a student drops below a certain credit hour level (e.g., from full-time to part-time). Students should consult with the Financial Aid Office - Student Service Center prior to any decision to withdraw from courses.

Students may withdraw from non-credit courses based on the specified requirements of the course and/or workshop: official notice must be given in writing by the student to the CREST Office, this may be done using email (crest@canton.edu) or fax (315-386-7640). Call the CREST Office (315-386-7229) for specific withdrawal details.

1.7 Procedure for Withdrawing from College

Students wishing to withdraw from College must submit a Withdrawal notification through UCan Web. The student is responsible for responding to and understanding any information sent to them during the withdrawal process. Failure to respond constitutes understanding and acceptance of the consequences of withdrawing. The deadline to withdraw from courses is posted on the Academic Calendar.

Medical Withdrawal

If a student requests a withdrawal for medical reasons after the official withdrawal period, the request is directed to the Vice President for Student Affairs/Dean of Students.
—Students must provide substantiating documentation of serious illness or recent trauma and compelling reasons to justify the action. This information will be provided to either the Health Center or Counseling Center. The Vice President for Student Affairs/Dean of Students will confer with the Directors of those departments and with instructors to confirm the need for the medical withdrawal and to eliminate the possibility of receiving incomplete grades.
—A college withdrawal form or letter signed by the student or legal guardian must be submitted to the Vice President for Student Affairs/Dean of Students to initiate the process. No medical withdrawals will be considered after the last official day of the semester as designated on the College calendar. Extenuating circumstances beyond the student’s control may warrant an extension beyond the end of the semester.
—Students wishing to return to the College must meet with the Director of Health Services (medical) or Director of Counseling (mental health) and provide documentation from their health care provider regarding their suitability to return and to determine if any additional accommodations, such as modified living arrangements or additional support services, are required.

The Academic Transcript will reflect a grade of “W” to indicate a student has withdrawn. The Vice President for Student Affairs/Dean of Students will forward copies of the conditions of withdrawal to the College Registrar, School Dean’s Office, Admissions, Counseling Center, and Health Services. Re-registration is not guaranteed. Each student must apply for re-admission.

Leave of Absence

Students facing circumstances that will interrupt their course of study at SUNY Canton, but wish to return to the College within one year, may apply for a Leave of Absence. A leave of absence preserves admitted status in the student’s current degree program at the time leave begins. This means that the academic requirements that are in place when the student leaves are “frozen” and allows students to continue to claim their current catalog year. It also allows students to register without being readmitted and maintains access to SUNY Canton email during their time away.

A leave of absence is normally granted for a maximum of 2 consecutive semesters or the total period of active duty for those called to active military service. Students may return to the campus following the leave by contacting their Dean’s Office to select classes. If the leave of absence expires, the student must apply for readmission, and meet any new admission or degree requirements that are in place upon return to the College. A Leave for part of a semester counts as one semester. Students can apply for a Leave of Absence via their UCanWeb account.

To be considered for a leave of absence, students MUST meet the following eligibility criteria:

• Be a full-time, matriculated student
• Have a SUNY Canton cumulative GPA of 2.0 or greater at the end of the student’s last semester.
• One or more semesters must have been completed at SUNY Canton.
• Have good student conduct standing.

Note: Permission of the Program Director is required for students in select programs. Programs needing specific approval include:
> Nursing – AAS
> Dual Degree Nursing Program (DDNP)
> Veterinary Technology – BS
> Veterinary Science Technology – AAS
> Physical Therapist Assistant – AAS
> Practical Nursing

Suspension or Dismissal of a Student for Non-Academic Reasons

[As discussed in The SUNY Board of Trustees Rules for the Maintenance of Public Order (9f)] Temporary suspension from all or part of the institution’s premises or facilities may be ordered by the Vice President for Student Affairs/Dean of Students for a non-academic reason where the conduct of the student has been unlawful or in violation of rules and regulations of SUNY Canton, or in the event that a student who has been accused of a violation fails to respond to the
Vice President for Student Affairs/Dean of Students or designee when asked to do so. The Vice President for Student Affairs/Dean of Students or designee shall grant a hearing as soon as possible upon request of any student so removed with respect to the basis of the action.

1.8 When Withdrawing from College, Charge Reductions will be Determined as follows:

**TITLE IV FEDERAL FINANCIAL AID RECIPIENTS WILL BE COMPUTED USING THE GUIDELINES APPLICABLE TO THE FEDERAL FUNDS.**

**Full-semester courses:** The first day of class session shall be considered the first day of the semester. The first day of classes, as scheduled by the campus, shall be deemed to be the first day for ANY full-semester course that is offered. Seven calendar days later will be the end of the first week for charge reduction purposes. This also applies to ALL full-time students even if they have partial-semester courses.

**Partial-semester courses, including Internet courses:** The charge reduction period shall commence with that course’s start date. Charge reductions will be pro-rated, based on the tables below: (This applies to part-time students only)

**SUNY College Fee, Orientation, Placement Fee, International Health Insurance, Student Health Fee, Athletic Fee, and Laundry Fee**
Non-refundable.

**Student Activity Fee, Recreational Facilities Fee, and Educational Technology Fee**
Reduced at the same rate as tuition.

**Alumni Fee**
Refunded upon receipt of waiver. Students who receive an alumni fee waiver will not be eligible to receive scholarship support from the Canton College Foundation.

**Parking Fee**
Reduced according to the tuition liability schedule in which the student ceases to park a vehicle on campus. The refund schedule can be found at www.canton.edu/university_police/parking.html.

**Medical Insurance**
Students who have health insurance have the option to waive the insurance coverage during the waiver periods stipulated by the insurance carrier which follow SUNY Canton’s academic calendar. The waiver period for both fall and spring semesters begins when registration opens and closes at the end of the second full week of classes. An insurance waiver must be completed for each semester. However, if the student withdraws, a reduction for the insurance charge will only occur during the first week of classes unless the student is entering military service. Failure to waive the insurance coverage will result in the charge remaining on your bill for the full semester. Any student withdrawing during the first 31 days of the period for which coverage was purchased, will remain covered, unless the withdrawal was done during the first week of class in which the premium would have been refunded resulting in loss of coverage. In cases of medical withdrawal due to a covered injury or sickness, in the first 31 days, the full amount of the premium is eligible for refund. The student does have the option to keep the medical insurance. In this case, the fee would remain on the bill and the student would be responsible for payment. No waiver exceptions can be granted.

**Meal Ticket**
Reduction of charge will only be allowed for withdrawal from school or academic dismissal. A reduction of charge due to the removal of a student from the residence hall for academic reasons is at the discretion of College Association management. Refunds will not be allowed for disciplinary reasons. The reduction will be based on the point value of the meal plan less a $25 fee for processing and administration charges when the reduction is approved and the check is drawn. The reduction will be based on the official date of withdrawal or dismissal as recorded by the Student Accounts Office - One Hop Shop.

Students who advance register but do not subsequently attend the College will receive a full reduction of their entire dining meal plan charges.

**Housing: Residence Hall**
Charges reduced on a percentage basis as follows:

Residence hall opening day will be considered the first day of the semester. Seven calendar days later will be deemed the end of the first week for refund purposes. The date a student’s belongings are removed from the residence hall will be the date considered for refund purposes.

**Financial Aid Policy**
Under Federal Financial Aid rules, the College must recalculate Federal* financial aid eligibility for students who withdraw officially or unofficially, are dismissed, or take a leave of absence prior to completing 60% of a semester. Recalculation is based on the percent of earned aid using the following formula:

Percent earned = Number of days completed up to the withdrawal date** / total days in the semester (including weekends and breaks under five days).

Federal financial aid is returned to the federal government based on the percent of unearned aid using the following formula:

Aid to be returned = (100% - percent earned) X the amount of aid disbursed toward institutional charges.

When aid is returned, the student may still owe a balance to the College. The student must contact the Student Accounts Office - Student Service Center to make arrangements to pay the balance.

* Federal financial aid includes Federal Pell Grant, SEOG grant, Direct Student Loan-subsidized and unsubsidized, and Direct PLUS Loans. Students who cease attendance and do not officially withdraw will be considered an unofficial withdrawal and a recalculation of federal aid eligibility will be done using the 50% date or the actual last date of attendance whichever is later.

** Withdrawal Date is defined as the actual date the student began the institution’s withdrawal process, indicated their intent to withdraw, or the midpoint of the semester or last day of attendance whichever is later for a student who leaves without notifying the College.
2.0 General Education Requirements

The General Education Program at SUNY Canton is designed to provide students, throughout their college years, with a broad set of coherent and focused educational experiences aimed at enabling them to acquire knowledge and skills that are useful and important for all persons, regardless of their jobs or professions. General Education goes beyond the acquisition of the skills necessary to be competent in a field of specialization. It involves the discovery, evaluation, and transmission of essential knowledge that prepares students to lead fulfilled lives and to assume roles as creative and contributing members of society.

In accordance with the SUNY Board of Trustees Policy on General Education, all entering freshmen must meet specific General Education requirements. Faculty and students will periodically be required to engage in assessment activities to ensure that the General Education learning outcomes are being met. At SUNY Canton students enrolled in the Associate of Arts (A.A.) or Associate of Science (A.S.) degree must complete seven of the ten Knowledge and Skills Areas of General Education in order to transfer seamlessly to another SUNY college to earn a baccalaureate degree. These may be completed in separate courses, although some courses may satisfy more than one General Education Requirement. Nevertheless, in order to meet graduation requirements, students enrolled in a SUNY Canton baccalaureate degree program must complete 30 credit hours of general education which must include Mathematics (GER 1) and Basic Communication (GER 10) as well as at least three credits each in at least five of the following academic areas - Natural Science, Social Science, American History, Western Civilization, Other World Civilizations, Humanities, the Arts and Foreign Languages. (See individual baccalaureate degree requirements for exceptions to this mandate.) All students will fulfill competency outcomes in Critical Thinking and Information Management which are infused throughout the curricula.

Courses meeting specific General Education knowledge and skill areas are so designated in the course description section of the catalog. Students should work carefully with their advisors to ensure they are fulfilling the SUNY General Education Requirements (GER) in order to transfer seamlessly to another SUNY college or to meet SUNY Canton baccalaureate graduation requirements.

3.0 Grading

3.1 Passing Grade

(See Policies & Procedures Manual)
A, B+, B, C+, C, D+, D and P are passing grades. The grade considered satisfactory for completion of a course as a prerequisite for subsequent courses or activities will be determined by each department or program and stipulated in the course description.

3.2 Transfer Credits

Passing credits earned beginning Fall 2018 with a grade below “C” will be eligible for transfer (NOTE: Program requirements are still in effect). Requests for passing credits prior to Fall 2018 will be made in writing to the academic Dean and decided at the Dean’s discretion.

3.3 Incomplete Grades

(See Policies & Procedures Manual)
An incomplete grade may be assigned by a faculty member in cases when, for valid reasons (illness, accident, etc.), all of the required work has not been completed but is otherwise satisfactory. (Unexecuted absence from the final exam and/or failure to turn in a final project or paper are NOT extenuating circumstances). Except in unusual cases, the delinquent work should not exceed 10-20 percent of the total required work. An Incomplete Grade Contract must be completed in full, including all signatures, prior to receiving a grade of (“I”) Incomplete.

Responsibility for making up incomplete work lies with the student. Incomplete work must be made up by the due date posted on the academic calendar of the subsequent regular-term semester. Alternate arrangements (shorter or longer time frame) can be implemented if agreed upon by the instructor and student and approved by the School Dean. If the work is not completed according to the agreed-upon plan, the incomplete grade will be recorded as “F” on the student’s record.

3.4 Midterm Grades

(See Policies & Procedures Manual)
At midterm, faculty members will submit student grades electronically for all courses they are teaching or supervising via secure access through UCanWeb, the online student information system. Faculty members will report midterm grades with the same letter grade designations used for course grades.

All midterm grades are available to students electronically through secure access to UCanWeb. Students receiving grades of D+, D, or F should seek out their instructors/academic advisors to identify the problem, seek additional support services (tutoring labs) and make the necessary improvement.

3.5 Repeating a Course

Students may repeat courses. If higher, the grade earned in the repeated course will be substituted for the original grade in computing the GPA. NOTE: Refer to the Policies & Procedures Manual regarding financial aid eligibility when repeating courses. Repeated courses must be taken at SUNY Canton for the course grade to be calculated in your SUNY Canton GPA. Repeated courses taken at another institution, will be transferred back for credit only and the SUNY Canton grade will be excluded from the student’s GPA; to clarify, the student will receive transfer credit, but the grade will not transfer.

3.6 Repeat of “D” Grades and Financial Aid Eligibility

According to New York State Regulations, “If a student repeats a course in which a passing grade acceptable to the institution has already been received, the course cannot be included as a part of the student’s minimum full-time or part-time course load for financial aid purposes. When such courses are included in meeting the minimum requirement, they render the student ineligible for a State award (TAP).” In the following instances, repeated courses may count toward full-time or part-time study: (1) when a failed or withdrawn course is repeated; (2) when a grade received is passing at the institution but is unacceptable in the current curriculum (i.e., Nursing I, II, III, IV for Nursing-622); and (3) when a course may be repeated and credit earned each time. In addition, the repeated course may not be considered in
determining whether the student has met the Pursuit of Program Requirement and is in good academic standing. The student should check with their advisor and/or the Financial Aid Office - One Hop Shop to determine if repeating a course will affect their state TAP Grant eligibility.

Federal regulations allow a course that has been passed previously to be repeated once and count for federal aid eligibility. It would not be counted for aid eligibility if repeated a second time.

3.7 Academic Integrity Policy
The instructor may impose a penalty upon a student exhibiting prohibited academic behavior. In those instances where cheating, plagiarism, and/or alteration of academic documents are proven, a student may be subject to sanctions including, but not limited to, a grade of “F” for the specific assignment and/or course. Similarly, a student may be dismissed from a course with a grade of “F” as a consequence of intentional disruption, obstruction, or comparable misconduct. These consequences should be included in the class syllabus. Repeated violations of this policy may result in suspension from the College. In cases of ethical dismissal, students are not permitted to withdraw from the course and will receive a grade of F on their transcript. For additional information on SUNY Canton’s Academic Integrity Policy, please click on this link. http://www.canton.edu/provost/pdf/Academic_Integrity.pdf

3.8 Final Examination Period
(See Policies & Procedures Manual)
There will be a final examination period at the end of each semester. This period must be used by the professor for a comprehensive final examination, the last unit test, or some other activity of academic merit.

3.9 Credit for Prior Learning
There exists a variety of avenues for a student to obtain academic credit either through transfer from other institutions of higher learning, proficiency exams or life experience. To learn more contact the School Dean and/or review the College’s policy on Credit for Prior Learning in the College Policies and Procedures Manual or the College Academic Catalog, both of which can be found on the SUNY Canton website.

3.10 Transcript of Records
SUNY Canton’s transcripts are processed through Credentials Solutions. Students will request their transcript(s) through their secure UCanWeb account. SUNY Canton will cover the cost of the actual transcript(s) from the $5 transcript fee that students are charged each semester. However, it is the student’s responsibility to pay the handling fee associated with having their transcript(s) sent. The handling fee includes valuable notifications that alert students of any potential problems that may prevent their transcript(s) from being sent. In addition, students will have the ability to track the delivery status of their transcript(s). Electronic, official transcripts are available for a smaller handling fee. Expedited shipping is also available for an additional fee. The College reserves the right to deny transcripts to any student with a delinquent financial obligation to the College. A link to order your transcript is available by logging into your UCanWeb account.

3.11 Student Course Comments
A standard Student Course Comment questionnaire will be issued for every scheduled course each semester. This questionnaire is designed for students to provide feedback on their courses. Student Course Comments will be distributed via students’ secured UCanWeb account and will be active for three weeks; the last week of classes, final exam week, and the week following final exams. Students will be presented with the Student Course Comment questionnaire when they log into their UCanWeb account during this timeframe. Students are strongly encouraged to thoughtfully complete the questionnaire, as SUNY Canton values student feedback. NOTE: Students will NOT have the ability to access any records in UCanWeb until the questionnaire has been completed.

4.0 Graduation Requirements
(See Policies & Procedures Manual)
The College reserves the right to make modifications to a prescribed curriculum. Students failing to graduate due to failure, deficiency of grade points, or credit hours may be granted the degree after successful completion of the work either at SUNY Canton or another accredited college within seven years of departure. These hours must have the prior approval of the School Dean or department chairperson. All courses transferred will be recorded as “T” (with the grade earned at the previous college: e.g., TA, TB+, TB, TC+, etc.). Note: The commencement program is created once a year for May commencement ceremonies. The list of graduates is based on students who completed degree requirements in the prior August, December, January, and those who anticipate completing requirements in May. Students may petition their academic Dean for permission to participate in the current year’s commencement ceremony without meeting requirements by the May deadline. Outstanding credit requirements will be at the discretion of the Dean. Please be aware that students are not permitted to have their names published in the commencement program in the same major within the past two years.

Fifteen credits must be taken in the major or acceptable cognates as determined by the department at SUNY Canton. Individual programs may have additional graduation requirements.

2. The successful completion of the prescribed curriculum.

3. Successful completion of a writing-intensive course taught within the prescribed curriculum.

4. Liberal Arts & Sciences Requirements:

   A. Associate in Applied Science - A.A.S. This degree, intended to be used primarily for occupationally oriented curricula, may at times be appropriate as a transfer degree to certain types of specialized baccalaureate programs such as Bachelor of Business Administration, Bachelor of Education, Bachelor of Engineering, or Bachelor of Engineering Technology. The course of study will be an organized curriculum with a minimum of 20 semester credit hours drawn from the liberal arts and sciences areas comprising of work distributed in the humanities, the natural sciences and mathematics, and the social sciences. The 20 semester credit hours will be distributed with balance among the three major areas. Not less than 30 semester credit hours will be concentrated in an area appropriate for employment at a sub-professional or middle-management level in a recognized group of occupational fields.

   B. Associate in Science - A.S. This degree may be used for certain occupationally oriented curricula but is primarily designed to serve science- or professionally related programs which lead to transfer to a baccalaureate degree program. The course of study leading to this degree should be an organized curriculum composed of courses in the liberal arts and sciences. At least 30 semester credit hours will be offered in the humanities, the natural sciences and mathematics, and the social sciences. The exact balance within these 30 semester credit hours is not specific, but there must be a reasonable distribution of work in the three categories as well as appropriate depth in one.

   C. Associate in Arts - A.A. This degree will be used primarily for transfer programs which lead to a baccalaureate degree program. The course of study leading to this degree will be an organized curriculum composed primarily of courses in the liberal arts and sciences. At a minimum, there will be 48 semester credit hours taken in the humanities, the natural sciences and mathematics, and the social sciences. The exact balance within the 48 semester credit hours among these three major fields is not specified, but there must be a reasonable distribution of work among these three categories as well as depth in one.

   D. Associate in Occupational Studies - A.O.S. The course of study leading to this degree should be an organized curriculum of post-secondary level education leading to occupational competence. The program requires two academic years (or a minimum of 60 semester credit hours) for completion and may consist solely of course work in the specialized area and related work thereto. General education may be optionally included but will not be considered to contribute toward program registration. Such programs should have a distinct identity of their own, independent of courses of study leading to the Associate in Applied Science degree.

5. Students matriculated in a baccalaureate program for a minimum of 15 semester credit hours of graded coursework, earning a minimum GPA of 2.00 for all such credit hours taken, may be granted an associate degree in a related curriculum, without matriculation in that curriculum, upon completion of all associate degree requirements and application to the School Dean for the associate degree program.

6. The earning of an overall GPA of 2.00 unless otherwise prescribed.

7. Payment of all financial obligations to the College are required before diplomas or transcripts will be released, but the degree will be conferred upon completion of all degree requirements.

4.3 Certificate Programs

1. A student must be matriculated in a SUNY Canton curriculum for a minimum of 12 semester credit hours of graded course work earning a minimum GPA of 1.75 for all such credit hours taken. Individual programs may have additional graduation requirements.

2. Successful completion of all required courses.

3. A minimum GPA of 1.75 unless otherwise specified in the section describing that Certificate in the academic catalog.

4. Payment of all financial obligations to the College are required before certificates or transcripts will be released, but the degree will be conferred upon completion of all certificate requirements.

NOTE: Successful completion of a Certificate program does not automatically qualify a student for admission to a degree curriculum. In order to be admitted to a degree curriculum, the graduate of the Certificate program must achieve a record that indicates a reasonable probability of success in the new curriculum and be recommended by the faculty.

4.4 Dual Degrees - Awarding Two Associate Degrees

(See Policies & Procedures Manual)

In order to qualify for a second associate degree from SUNY Canton, a student must satisfactorily complete at least 15 semester credit hours beyond the first degree's requirements and also meet the specific curriculum requirements of the second program. All of the subsequent work is to be taken in an essentially different area of specialization.

A student who wishes to earn an additional associate degree at SUNY Canton must have written approval of course requirements by the appropriate School Dean. When the required courses are completed, the School Dean will notify the Registrar that the student is certified for the additional degree. No student may be awarded two associate degrees simultaneously within the same minimum time span.

4.5 Dual Degrees - Awarding Two Baccalaureate Degrees

(See Policies & Procedures Manual)

In order to qualify for a second baccalaureate degree from SUNY Canton, a student must satisfactorily complete at least 30 semester credit hours beyond the first degree's requirements and also meet the specific curriculum requirements of the second program. All of the subsequent work should be taken in an essentially different area of specialization.

A student who wishes to earn a second baccalaureate degree at SUNY Canton must have written approval of course requirements by the appropriate School Dean. When the required courses are completed, the School Dean will notify the Registrar that the student is to be certified for the additional degree. No student may be awarded two degrees within the same minimum time span.
4.6 Double Major Policy - Baccalaureate Degrees
(See Policies & Procedures Manual)
Students who are pursuing undergraduate baccalaureate degrees may pursue double majors, which is defined as the awarding of one degree with more than one major. All program requirements for both majors must be completed satisfactorily and concurrently (i.e., a student cannot graduate from SUNY Canton and return later to complete coursework for a second major). The student will designate the “first major” and the “second major” (e.g., “first major” is Applied Psychology and “second major” is Forensic Criminology). The diploma and transcript will state the completion of two majors (Applied Psychology and Forensic Criminology) and any additional credentials, such as minors and/or micro-credentials.1

Students pursuing a baccalaureate degree may designate a second major after completing 30 credits and before completing 90 credits in the first major with an unambiguous GPA of 2.00 or greater (no grades of incomplete or missing grades). The designation of a second major will be completed using the SUNY Canton Change of Major form. Course of study must be approved by both programs. The first and second major Department Chair / Director will need to sign the form to verify all qualifying criteria has been met. The catalog year of the second major will be matched to the year of the first major (e.g., if the first major is catalog year 2021-2022, the second major will be backdated to catalog year 2021-2022). If the student wishes to update both to a new catalog year, they will add this request to the comment section of the form or submit an update catalog form.

In most cases, the student may find it necessary to complete more than the minimum 120 credits for graduation. Their second major must include at least 15 Upper Level credits of difference in the coursework (i.e., not overlap with primary major requirements or overlap with the requirements of a minor or concentration). Beyond the 15 credits not in common, all other courses may apply to both majors (e.g., a student double majoring in Forensic Criminology and Applied Psychology may “double count” statistics applying the credits toward both majors). The writing intensive course is a major requirement within each major; therefore, students with double majors will usually complete two writing intensive courses.

Academic departments that offer more than one major may choose to develop a policy to prohibit students from declaring multiple majors within their programs. Any such policy proposal must be submitted to Academic Standards for review and approval.

1 Students should be fully aware of any financial aid implications before designating a primary major. Students may need to declare the second major as primary major for periods of time to ensure financial aid continues to apply. Students should be aware that pursuing more than one major may require additional time to graduation and additional costs.

2 Students wishing to complete a dual degree (awarding of two baccalaureate degrees) must follow the SUNY Canton approved policy (https://www.canton.edu/policies/procedures/acad/000/dual-degrees-baccalaureate/).

5.0 Grievance Procedure
(See Policies & Procedures Manual)
Both faculty and students have joint responsibilities in maintaining academic integrity. Conducive to learning is a precept of fair evaluation of academic work and a concern for human dignity.

I. Purpose:
The purpose of this procedure is to provide for the student and faculty an equitable and efficient method for resolution of student academic grievances.

II. Student Academic Grievance Procedure
An academic grievance is a complaint by a student:
1. That there has been a violation, misinterpretation or inequitable application of the academic regulations of the College, faculty, School or Department as written in the Policies & Procedures Manual, Personnel Handbook for Faculty and Professional Staff, Academic Catalog, Student Handbook, the By-laws of the School and/or Department, and the respective faculty member’s class handouts; or
2. That the student has been treated unfairly or inequitably by reason of any act or condition which is contrary to the College’s established academic policy or practice governing or affecting students.

Under no circumstances may a grade be grievances if the student simply disagrees with an instructor about the quality of the student’s work. A grade may be grievable only when the student alleges that the instructor was acting arbitrarily or maliciously by giving the grade for reasons unrelated to the quality of the work in question. In any grievance alleging discrimination based on race, color, national origin, religion, creed, age, disability, sex, gender identity, gender expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction, the student should pursue the Campus Discrimination Grievance Procedure.

III. Responsibility:
To substantiate the existence of an academic grievance:
1. The student must demonstrate the presence of an academic inequity or injustice;
2. The student must establish that the specified alleged incident caused the academic inequity or injustice; and
3. The student must be able to recommend a resolution of the grievance.

IV. Procedures:
All academic grievances will be initiated as soon as possible, but no later than ten school days after the next semester begins. All grievances will proceed in accordance with the time limitations indicated in each step, except as follows:
— An extension or delay at any step will be permitted provided there is mutual written agreement between the principal parties at the procedural step involved; e.g., at step two between the student, the Department Chairperson, and the Instructor.

STEP ONE:
The student initiating a complaint shall contact the faculty member involved and attempt to resolve the grievance. If the grievance is not satisfactorily resolved within five school days, the student shall inform the faculty member IN WRITING that the student will proceed to Step Two.

STEP TWO:
The student shall have the right of appeal to the Director/Department Chairperson of the Department in which the faculty member involved is located. The complaint must be submitted in writing to the Director/Department Chairperson and the faculty member within five school days after the exhaustion of Step One review. The written complaint must clearly and concisely state the facts that initiated the complaint and must also recommend a resolution of the grievance. The Director/Department Chairperson, in consultation with the faculty member and student involved, shall attempt to achieve a
mutually acceptable resolution of the grievance and shall prepare a written summary of the meeting for all parties concerned. If the grievance is not resolved within three school days following receipt of the appeal, the student shall have the right to proceed to Step Three.

**STEP THREE:**

The student shall present the grievance in writing within five school days after the exhaustion of the Step Two review to the Provost/Vice President for Academic Affairs. A review and hearing will be conducted at this step by an Ad Hoc Academic Grievance Committee composed of:

1. Two teaching faculty members, other than a Director/Department Chairperson, one selected by the complainant and one appointed by the Provost/Vice President for Academic Affairs; the latter appointee serving also as committee chairperson;
2. One student member of the Student Faculty Judicial Board appointed by the President of the Student Government Association, and one student appointed by the faculty member involved;
3. One member of the Student Affairs Staff appointed by the Vice President for Student Affairs/Dean of Students;
4. One member of the Academic Standards Committee appointed by the Provost/ Vice President for Academic Affairs; and
5. The Dean of the School or a designee chosen by the Dean in which the faculty member involved is located.

The Committee shall present its recommendations for resolution of the grievance to the Provost/ Vice President for Academic Affairs within five school days of its first hearing date. The Provost/Vice President for Academic Affairs or their designee shall review the recommendation and make a final and binding decision so informing all parties involved, in writing, within three school days.

### 6.0 Honor Definitions

(See Policies & Procedures Manual)

#### 6.1 Grade Point Average

The Grade Point Average is determined by dividing the total grade points earned by the total academic credit hours attempted (not including Ws, Is, Ps, or Equivalent Credits).

To calculate GPA, take the grade point equivalent for the acquired grade and multiply by the credit hours for that course. Then add up course totals and divide by total credit hours. NOTE: A GPA Calculator can be found at this link: [https://www.canton.edu/forms/student/](https://www.canton.edu/forms/student/)

#### 6.2 Honors Lists

(See Policies & Procedures Manual)

President's Honors Lists will include the names of the full-time students who earn semester GPAs of 3.75 or higher. To be eligible students must be enrolled in 12 or more credit hours. The President’s Honors List includes students taking remedial– or remedial– level courses and students taking pass/fail courses if fewer than 3 credit hours.

Dean's Honors Lists will include the names of full-time students who earn semester GPAs of 3.25 or higher. To be eligible, students must be enrolled in 12 or more credit hours. The Dean’s Honors List includes students taking remedial– or remedial– level courses and students taking pass/fail courses if fewer than 3 credit hours.

Part-Time Academic Honors Lists will include the names of part-time, matriculated students who earn semester GPAs of 3.25 or higher. To be eligible, students must complete 6 or more credit hours. The Part-Time Academic Honors List includes students taking imputed– or remedial– level courses and students taking pass/fail courses if fewer than 3 credit hours.

At the end of each semester, Honors Lists will be prepared by the Registrar's Office and sent to the Office of Public Relations for distribution to the news media. Media releases will not include the names of students who have restricted the release of directory information pursuant to FERPA. Students who wish to receive a formal letter sent to their residence may do so by emailing the appropriate office (President’s Office for President’s Honor List or Provost’s Office for Dean’s Honor List). Requests must be sent from the student’s SUNY Canton email.

Note: Students who receive any incomplete grades at the completion of a semester are not included in the Dean’s/President’s/Part-Time honors lists. If a student is eligible for an honor’s list once the grade is changed, the appropriate honor will be noted on the student’s transcript. However, because the change will occur after the deadline, student letters and media releases will not include the names of students who are eligible for an honor’s list.

#### 6.3 Honor Societies

**Alpha Phi Sigma** - The only national Criminal Justice honor society for Criminal Justice majors. The society recognizes academic excellence of baccalaureate and graduate students of Criminal Justice, as well as juris doctorate. Students are required to complete three full-time semesters, have a minimum GPA of 3.00 with a minimum GPA of 3.20 in Criminal Justice courses, and be in the top 35 percent of their class. 

**Chi Alpha Epsilon (Alpha Sigma Chapter)** - A national honor society comprised of Educational Opportunity Program students and other full-time students initially enrolled in post-secondary development programs, who have achieved a cumulative GPA of 3.00 or above for two consecutive semesters.

**Golden Key** - An international and cross-discipline honor society for those students enrolled in a baccalaureate or higher degree program. Membership is extended to those junior and senior students who possess a GPA that, when calculated, is within the top 15 percent of their class.

**Phi Theta Kappa (Lambda Eta Chapter)** - An international honor society for students at two-year colleges. To be inducted into Phi Theta Kappa Lambda Eta, members must have a 3.50 GPA for one full semester and maintain a 3.25 GPA overall thereafter.

**Tau Alpha Pi (New York Mu Chapter)** - A national honor society consisting of students
and alumni of Engineering Technology curricula. Students are required to maintain a 3.75 GPA for three semesters prior to induction. SUNY Canton was chartered in 1981.

Tau Phi Zeta (Alpha Chapter) - A national honor society consisting of students of Veterinary Science Technology curricula. Students must complete the VSCT 112 and 212 courses and have a 3.5 cumulative GPA to be eligible. The Alpha Chapter was chartered in 2015.

6.4 Graduating With Honors
(See Policies & Procedures Manual)
Honors for the Commencement Program are based on cumulative GPA to December 31 of the year prior to Commencement.

7.0 Registration
Semester registration affirms courses in which students are officially enrolled after meeting financial obligations.

Full-time, matriculated students registering after the payment deadline will be liable for Late Registration Fees. Registration of full-time students will be allowed only until the end of the first three class days.

7.1 Good Academic Standing and Satisfactory Progress
(See Policies & Procedures Manual)
Students permitted to re-register are considered to be making satisfactory progress in their chosen program and are in good academic standing.

7.2 Re-Registration/Academic Requirements
To register for the second or any subsequent semester, a full-time, matriculated, degree student must achieve the following standards or have the approval of the Dean of the School in which the student is registered.

### STATUS ATTEMPTED CREDITS/REQUIRED GPA

1. Imputed credit - Courses designated as remedial/developmental cannot be awarded academic credit, and therefore do not count toward overall GPA or earned hours toward a college degree. However imputed credits are included when determining a student’s academic status for their first semester only.

2. Students in academic jeopardy/warning are considered to be maintaining minimum satisfactory academic progress and are eligible to re-register.

3. Students on Academic Recovery have failed to achieve the minimum GPA but are allowed to re-register if they comply with the conditions specified in the Academic Recovery Contract. This program offers an opportunity for students to improve their academic standing.

Any student who is suspended from the College for academic reasons will have two options: 1) Submit an academic appeal and detailed plan for success by the stated deadline, or 2) complete a minimum of six credit hours and achieve a GPA of 2.5 or higher. Students are permitted to take these credits at SUNY Canton as a non-degree student or this coursework may be taken at another institution. Financial aid and campus housing are not available for SUNY Canton non-degree students. Students may then apply for readmission to SUNY Canton after one semester has passed via the Readmission Request Form in UCAN Web. Permission to re-register is not guaranteed and will be granted only after approval by the appropriate School Dean.

Academic Recovery is a privilege and not a right. Students placed on academic recovery who fail to meet all requirements of the program may be immediately suspended. A student suspended mid-semester for violating Academic Recovery may appeal ONLY if there are documented extenuating circumstances by emailing the Provost at provostoffice@canton.edu. The decision of the Provost is final.

Students suspended or expelled from the college for disciplinary reasons will receive grades earned for all courses completed. Students who voluntarily withdraw from College will be permitted to re-register with the concurrent written approval of the Director of Admissions and the School Dean of the requested curriculum. Students who are suspended or expelled from SUNY Canton or any other college/university for behavioral matters are required to meet with the Admissions Review Board before a decision of admission will be made.

Academic Forgiveness Policy
The intent of this policy is to allow students who previously accrued a SUNY Canton academic record with a substantial number of grades below the 1.00 level of D to be “forgiven” for their earlier performance, if they meet certain criteria.

Academic Forgiveness, in this context, means that the student’s previous college work will be treated as if it had been transferred to SUNY Canton from another college: none of the grades received would be counted in the current GPA, but the student would receive credit for any courses in which they earned a D or above. All General Education requirements completed during prior attendance would continue to count as requirements met, but only courses with a D or higher grade would be included in credits earned toward the degree, at the discretion of the School Dean.

Students wishing to apply for the privilege of Academic Forgiveness must meet the following criteria:

A. The student must not have taken any coursework at SUNY Canton for a minimum of two calendar years at the time of proposed readmission.
I. Academic Forgiveness does not override state and federal financial aid regulations and satisfactory academic progress standards. Also, repeating courses previously passed may not count toward full-time enrollment for financial aid purposes. Students should contact the Financial Aid Office in the One Hop Shop for information on their aid eligibility if considering applying for Academic Forgiveness.

7.3 Cross Registration
Cross registration in the Associated Colleges (Clarkson, Potsdam, St. Lawrence, Canton) is defined as registration by, and is limited to, full-time matriculated undergraduate and graduate students. Cross registration permits access to courses not available on the student’s own campus. Exceptions to this policy may be made under unusual or extenuating circumstances. More information and forms can be found online at www.associatedcolleges.org. Questions should be directed to the Registrar’s Office.

A. Cross registration is open to full-time, undergraduate and graduate students and staff members within the member institutions of the Associated Colleges of the St. Lawrence Valley; SUNY Canton, SUNY Potsdam, St. Lawrence University, and Clarkson University. Cross registration permits access to courses not available on the student’s own campus.

B. Eligible persons may register for a maximum of two courses per academic year, totaling no more than 8 credits at campuses other than their own. Exceptions to this policy may be made under unusual or extenuating circumstances by the Provost/Vice President for Academic Affairs at the institution offering the course.

C. After students have identified courses for which they wish to cross register, they must obtain the signed approval of their Academic Advisor or Academic Dean to ensure that the course satisfies the student’s program and credit-hour requirements.

D. The completed form must be returned to the Registrar’s Office of the institution at which the student is officially enrolled or employed.

E. Institutions in the Consortium schedule different starting and ending dates and vacations. The student is individually responsible for arranging to keep up with course work despite calendar disjunctions and, in some cases, must arrange for food and lodging when dormitories at the home campus are closed.

F. All students taking a course on a campus other than their own must abide by all appropriate attendance regulations, honor systems, parking regulations, and the like at that institution.

G. Cross registration cannot be used for non-credit courses. Summer and Winterterm courses are not eligible for cross registration.

7.4 Late Registration Fee (See Policies & Procedures Manual)
Should a student fail to register by the appropriate registration deadline date, a $50.00 non-refundable late registration fee will be assessed.

7.5 Declaring a Major or Change of Major Request Procedure for Students
Students declaring a major or requesting a change of major must meet re-registration requirements, and consult with the Program Director or School Dean into which admission is sought. The student should initiate the Declaring a Major/Change of Major Request form with the Program Director or School Dean. Students must declare a major prior to the third semester of full-time attendance. All contingencies affecting the change will be written on the form and signed by the student, the School Dean, and the student’s Advisor as appropriate.

H. The student is considered a first-semester freshman for quota purposes, the Dean of the School into which the student is changing will notify the Admissions Office. The Admissions Office will reclassify the student as a Continuing Student provisionally admitted until final grades are available. After final grades are available, the Admissions Office will then notify the student as to their status. A $50 freshman deposit will be required of students who are considered a first-semester freshman.

7.6 Declaring an Academic Minor
A minor is a course sequence within an area of study providing a degree of specialization within that area, a specialty within a discipline, or a specialty integrating several disciplines. Minors will contain a balance of introductory and advanced coursework.

Minors are designed to be completed within the same time frame allowed for the completion of the baccalaureate or associate degree. After matriculating in a program, students wishing to obtain a minor shall contact the coordinator of the minor to initiate the process. A minor will consist of a minimum of 18 credit hours, at least 9 of which will be upper-division courses; a minimum of 12 credit hours of a minor must be completed in courses offered at SUNY Canton. At least 9 credit hours must not be required courses in the student’s major program.
IMPORTANT! Before making that decision however, it is strongly recommended that students consult with a Financial Aid and/or Student Accounts Counselor.

7.7 Catalog Year Policy
Major & Minor Degree Requirements and Catalog year
Majors: Students are enrolled into a catalog year based on the date of admission to their declared program. Students can keep this initial catalog year for up to five years for Certificate/Associate's degree programs and up to seven years for Bachelor's degree programs. After which the catalog year may be reset to the current catalog year.

Students who change majors or take a break in matriculation will be re-admitted to the current catalog year. If program requirements change while the student is enrolled, they have the right to continue to claim the requirements for the year that they were last admitted to the program. Exceptions may be approved by the academic Dean.

Minors: Students will follow the published requirements in place at the time they declare the minor, which may be different from the catalog year used for the major. If minor requirements change while the student is enrolled, the student may choose to complete established requirements or change to the new requirements. Exceptions may be approved by the academic Dean.

8.0 Absence/Attendance Policy
(See Policies & Procedures Manual)
It is the students’ responsibility to know and abide by the requirements for their programs and courses published in College publications and course outlines. Further, it is the students’ responsibility to utilize the College environment, resources, and professionals therein to meet requirements which will assist them in both their academic and personal growth.

8.1 Attendance/Absences
Attendance
The Vice President for Student Affairs/Dean of Students may issue excused absences for the following reasons: participation in intercollegiate athletics, course/curriculum field trips, religious observances, military service obligations, and for Title IX-related accommodations. Instructors must accept these excused absences for up to the equivalent of one week's worth of class time for each course (e.g., for a three credit hour lecture course that meets for three, one hour sessions a week, missing three sessions amounts to missing a week's worth of classes.) Instructors have the right to accept or deny excused absences issued by the Vice President for Student Affairs/Dean of Students for students who are over this limit. Students having excused absences must fulfill all academic responsibilities. Students will submit a request for an excused absence via the form located on the Student Affairs webpage.

Instructors of record must state their attendance policy (or participation policy for online classes) in their course syllabus, and are able to excuse students for any absence they deem appropriate.

If the absence is planned, all previously assigned work must be submitted prior to the student’s campus departure. The student will complete work and secure all laboratory/lecture information missed immediately upon return to campus. Students missing (quizzes/hourly) examinations will be given the opportunity to take “make-up” examinations OR some other appropriate alternative to the missed examination which would be decided upon at the discretion of the instructor.

Instructors/Advisors planning course or curriculum-related field trips, and coaches planning excused athletic absences are required to compile and circulate (via email) the preliminary roster two weeks prior to the event. Instructors anticipating field trips as part of academic instruction must include the field trip and any associated fees on the course syllabus. Instructors may not mandate field trips. Students unable to attend a field trip should be provided with alternative assignments.

9.0 Alcohol Policy
9.1 Statement of Purpose
SUNY Canton seeks to create a campus environment that is supportive of the academic mission of the institution by promoting healthy and responsible living, affirming civility, supporting the well being of each of its members and being respectful of all the laws and institutional regulations governing alcohol usage.

In keeping with our educational mission, SUNY Canton has established this policy to promote an environment that encourages learning, fosters respect for people and property, and supports individual development and success, while recognizing the responsible consumption of alcohol for those of legal age. The policy applies to all members of the College community and their guests. The host is responsible for their guest’s conduct and the consequences of their behavior as well.

The College will provide information about acceptable standards of behavior, possible consequences of violating applicable laws and University regulations, promote educational programming and make resources available from the Counseling Center's library for the prevention, intervention, and treatment of substance abuse.

9.2 Events on Campus
All campus events which include alcohol must be appropriately registered, supervised and conform to applicable laws and College regulations. It is the responsibility of the Director of the sponsoring office or the president and advisor of a campus student organization to make sure the event adheres to the laws and College policies, participants in the event act civilly and the event is registered with the chief administrator responsible for the facility and University Police. Registration forms may be obtained from University Police or the chief administrator in charge of the facility (i.e. Chaney Dining Center/Director of Dining, Miller Campus Center/Director of Student Activities, Involvement & Leadership (SAIL), Residence Halls/Director of Residence Life, Campus Grounds/Director of Facilities, Athletic Fields/Director of Athletics).
9.3 Administrative Responsibility
The chief administrator (C.A.) of a building/facility or program which permits alcohol consumption must establish procedures for their area of responsibility to ensure applicable laws and College regulations are adhered to. It is left to the prerogative of the C.A. to determine if alcohol usage will be permitted in their facility on a case-by-case basis. It is also the C.A.’s responsibility to make the organization or group aware of any special rules or issues concerning their area of responsibility when they register the event with the C.A.

9.4 Legal Responsibilities
Students and employees are responsible for knowing local, state and federal laws that apply to individual possession, consumption, and distribution of alcohol. In keeping with the SUNY Canton philosophy, the primary control for responsible alcohol use lies with the individual consumer. The College will comply with governmental regulations such as the Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act of 1989.

9.5 Sanction for Violations
When there is a failure to comply, the College may impose sanctions on individuals who have violated the policy and/or applicable laws. There is a need to send a strong message that illegal use of alcohol will not be tolerated. Education and various alcohol abuse interventions may be an integral part of the sanction. The College will not tolerate conduct which disrupts the educational mission or campus life. Employees who violate the law or campus regulations will be referred to their direct supervisor while students will be referred to Vice President for Student Affairs/Dean of Students or designee.

9.6 On-Campus Advertising
All on-campus advertising that promotes events where alcohol will be consumed must obtain consent and approval stamp of the Student Activities, Involvement & Leadership (SAIL) office prior to display. Promotional materials need to promote the main activity, not the consumption of alcohol. Promotional materials advertising explicit use of alcohol that are not activity-oriented will not be approved.

9.7 Alcohol Awareness Programs
Educational programs that stress positive attitudes and behavior and emphasize the dangers of alcohol consumption are equally important. SUNY Canton is committed to fostering an environment that will offer alternative academic and social settings to eliminate alcohol abuse. The College recognizes that the abuse of alcohol is a very serious problem which is detrimental to the individual student, to the educational process and the learning environment. The College encourages students to attend educational awareness programs which address the issues concerning alcohol consumption.

9.8 Alcohol-Free Events
Encouraging and providing alcohol-free events and activities are an integral part of our healthy campus environment. Students are encouraged to participate in order to learn healthy ways to socialize that do not involve alcohol and other drugs.

9.9 Counseling
The Personal Counseling Center consists of professional counselors who will provide personal counseling support, assessment and referrals for students regarding alcohol-related issues. The Counseling Center also trains peer educators who assist in delivering alcohol awareness/educational programs on campus. The Counseling Center will maintain an extensive resource library of books, pamphlets, videos and tapes.

10.0 Automobiles/Parking

10.1 Registration
No student, employee or member of any organization utilizing space on the campus shall operate or park a motor vehicle of any kind or description on premises or property under the control of the College unless such motor vehicle is properly registered with the University Police Department.

Such registration shall be conditioned upon the registrant’s payment of a motor vehicle registration fee and any applicable parking fee, as approved by the Chancellor or designee.

Upon payment of a motor vehicle registration fee and any applicable parking fee at the One Hop Shop located in the Miller Campus Center, a permit shall be issued by University Police Department, which must be affixed to the vehicle in accordance with instructions provided. Where such registered vehicle is sold or transferred or where the owner is no longer enrolled or in the employ of the institution, or in the event of the revocation of the registration, such permit must be removed and returned.

All honorably discharged veterans will be exempt from the parking and registration fee. These students must present Form DD214 to the Veterans Coordinator to verify that they have been honorably discharged. Students still need to register their motor vehicles and will be issued a parking permit by the University Police Department.

A detailed set of regulations with respect to operation of and parking of automobiles on campus may be obtained from the University Police Department.

10.2 Enforcement
The penalty for violation of these regulations is a $15.00 fine for each infraction and a $50.00 fine for violation of a handicapped space. Upon a finding that five campus parking violations have been incurred during an academic year, the campus motor vehicle registration may be revoked with a loss of parking privileges for the balance of the academic year and may result in the vehicle being towed from the campus at the violator’s expense.

Temporary parking permits are issued at the University Police Department.

10.3 Accessible Parking
There are handicap parking spaces available. They are clearly marked and are only for the use of individuals who have received special identification parking permits.

To obtain a handicap permit:
1. A severely disabled person may apply for a handicap permit through an issuing agent. The issuing agent shall issue permits only to residents of the city, town or village in which such issuing agent is located. (You should apply for the handicap permit in the city, town or village where you reside).

2. A temporary special vehicle identification parking permit will be issued by the University Police Department to a person who is temporarily unable to ambulate without the aid of an assisting device. To obtain this special permit you must:
   a. Complete an application for a special permit (from the University Police Department).

   b. Provide certified proof from a physician that a need exists, a description of the disability, the length of time the special permit will be needed and the type of assisting device you will be using for the disability.

The temporary special vehicle permit shall be valid for not more than six months.

11.0 Awards

11.1 Outstanding Graduate Awards

### 12.0 Behavioral Expectations re: Violence, Alcohol & Drugs

The State University of New York at Canton is committed to creating and maintaining a learning, working, and social environment for all students and staff that is free from violence and illegal alcohol/drug use. The premise on which this program is built is that every act of violence and alcohol/drug policy violation will be met with strong disciplinary action. There is a need to send both a consistent and strong message that violence and illegal use of alcohol/drugs, and resultant behavior, will not be tolerated. We also have a responsibility to identify those who may have a problem and assist them in obtaining professional help.

—Serving and/or purchasing alcohol for minors is a violation of New York State Penal Law and College Policy. Individuals involved in this conduct will face campus discipline and will be prosecuted to the fullest extent of the law.

—Individuals on the SUNY Canton campus appearing in public under the influence of an intoxicant will be considered publicly intoxicated. Public intoxication is a violation of this Policy. Public intoxication is based on the premise that a reasonable person would conclude that an individual is intoxicated. Students found to be in violation of this policy will be sanctioned.

Civility, understanding, and mutual respect toward all individuals are intrinsic to excellence in teaching and learning, to the existence of a safe and healthy workplace, and to the maintenance of a campus culture and environment that serves the needs of the constituencies supporting it.

### 12.1 Acts Of Violence

The College will not tolerate acts of violence towards other students, staff, community members, or visitors.

Any student who is involved in an act of violence on campus may be immediately placed on Interim Suspension pending the outcome of a hearing before the Student Faculty Hearing Board if deemed appropriate by the Vice President for Student Affairs. If the individual(s) are found to have committed an act of violence, thus a violation of the Code of Student Conduct, it could result in sanctions up to and including suspension from College for the balance of the current semester or subsequent semesters as appropriate with no special refunds.
For the purpose of this Policy, violence and threats of violence include but are not limited to:
—Any act that is physically assaultive, or
—Any physical or verbal threat, behavior or action which is interpreted by a reasonable person to carry the potential to a) harm or endanger the safety of others; b) result in an act of aggression; or c) maliciously destroy or damage property; or
—Hazing.

Students suspended from the residence halls lose their preference in requesting their living location when they return to the residence halls.

12.3 Alcohol and Controlled Substances

(See Policies & Procedures Manual)

It is the policy of SUNY Canton that the unlawful use, possession, manufacture, dispensation or distribution of alcohol and controlled substances in all campus locations, including fraternity and sorority residences, is prohibited.

No student may attend class, and no employee will report for work or will work, impaired by any substance, drug or alcohol, lawful or unlawful. Individuals may possess and use a controlled substance that is properly prescribed for him or her by a physician, as long as its use causes no impairment. “Impaired” means under the influence of a substance such that the individual’s motor senses (i.e. sight, hearing, balance, reaction or reflex) or judgment either are or may be reasonably presumed to be affected. The term “controlled substance” is defined in Section 202 of the Controlled Substance Act (21 USC 812). Alcohol may be consumed or dispensed in public areas only as authorized by a permit issued by the College Alcohol Coordinator and in accordance with the Policies and Procedures Manual.

Any violation of this policy may result in disciplinary action consistent with applicable laws, rules, regulations, collective bargaining agreements and the Code of Student Conduct. Student violations will be a matter of attention by the Office of the Vice President for Student Affairs/Dean of Students. Individuals may also be required to participate in and satisfactorily complete an approved drug or alcohol abuse assistance or rehabilitation program as a condition of continued employment or enrollment.

As a condition of continuing enrollment, each student shall abide by this policy and notify the Office of the Vice President for Student Affairs/Dean of Students, in writing, of any criminal drug statute conviction for a violation occurring off site or in the workplace or at the College worksite within five calendar days of such a conviction. The College is obligated to notify the appropriate federal contracting agency, if applicable, within ten calendar days of receipt of notice of an employee conviction as noted above.

Confidential counseling and referral for alcohol and drug awareness educational programs, and dissemination of pertinent information will continue to occur for all members of the campus community.

Confidential counseling and referral for alcohol and drug awareness educational programs, and dissemination of pertinent information will continue to occur for all members of the campus community.

13.0 Chaperone Policy

Chaperones must be SUNY Canton employees. Resident Assistants, workstudy or other student workers will not be considered “SUNY Canton Employees” for this purpose. Any exceptions to this policy may be made by the Vice President for Student Affairs/Dean of Students in consultation with the appropriate department. The purpose of the chaperone is to ensure student safety and adherence to the stated purpose of the trip. The trip is considered a College function, therefore, covered by the SUNY Canton Code of Conduct. For non-academic trips, the club/organization advisor and the Director of Student Activities, Involvement & Leadership (SAIL) will determine the desired number of required chaperones. For academic trips, the class instructor/advisor in conjunction with the School Dean will determine the appropriate number of chaperones. Definitions

All definitions relevant to this policy can be found in the Policy section of this document, under DEFINITIONS section.

15.0 Code of Student Conduct, Rights & Responsibilities

It is hereby resolved that, pursuant to Part 535 of the Education Law of the State of New York (Regulations and Procedures for Maintaining Public Order on Campuses of the State of New York), the Council of the State University College of Technology at Canton adopts the following Code of Student Conduct, Rights and Responsibilities. A copy of the “Maintenance of Public Order” is on file for review at the Southworth Library Circulations desk and at the Office of the Vice President for Student Affairs/Dean of Students.

Every student at the State University College of Technology at Canton is assumed to be a mature individual with the ability to accept academic and social responsibility. Individuals are expected to be responsible for their academic progress and their actions and to be familiar with the rules of conduct that govern their behavior at the College. The Student Code of Conduct and Student Handbook can be found on the College’s computer network. Any questions regarding such policies should be directed to the Vice President for Student Affairs/Dean of Students.

15.1 Article I: Definitions

These definitions are the standard throughout this document unless otherwise specified.

Accused Student

Any student accused of violating this Student Code.

Affirmative Consent

Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based on a participants’ sex, sexual orientation, gender identity, or gender expression.

- Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
- Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.
- Consent may be initially given but withdrawn at any time.
- Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.
- Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm.
- When consent is withdrawn or can no longer be given, sexual activity must stop.

Appeal

To apply to a higher judicial body for a rehearing of a case.

Burden of Proof

The burden of proof in all cases is “the preponderance of the evidence” – whether it is “more likely than not” that the incident occurred. If the evidence presented meets this standard, then the accused should be found responsible.

Campus

The grounds and buildings, owned, rented or leased and used by the College in pursuit of its teaching, research, extracurricular and

Courtesy Hours are in effect 24 hours a day in the residence halls and at no time should noise reach a level that disturbs roommates, other residents or members of the community.

44. Indicators of consent do not include silence or past or present sexual relationship(s). A person is deemed incapable of consenting when that person is mentally defective, mentally incapacitated, physically helpless (whether induced by drugs, alcohol, or otherwise), or asleep. Rape may involve the use or threat of force, violence, or immediate and unlawful bodily injury. The perpetrator does not need to use a weapon or produce physical harm; the threat of force, expressed or implied, is sufficient to categorize the act as rape. Rape also occurs when the victim is incapable of giving legal consent because the victim is less than 17 years of age, mentally incapacitated, physically helpless (including drug or alcohol intoxication), mentally incompetent, or asleep.

B. Acquaintance Rape/Date Rape: Sexual intercourse undertaken by a friend, date, or acquaintance without consent. Acquaintance rape includes sexual intercourse that occurs through force, as a result of threat(s), physical restraint or physical violence, or without consent.

D. Sexual Harassment: (Based on Equal Employment Opportunity Commission and Office of Civil Rights regulations): Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to, or enduring such conduct, when rejection is made either explicitly or implicitly a term or condition of instruction, employment, or participation in other College activity, or (2) submission to, or rejection of, such conduct by an individual is used as the basis for making academic or personnel decisions affecting the individual; or, (3) such conduct has the purpose or effect...

50. SMOKING - Prohibited in all College-owned and operated buildings, doorway areas, loading docks, and outdoor areas, and in all vehicles owned and operated by the College unless the area has been officially designated as a smoking area (see Residence Hall regulations also).

51. STALKING - The term stalking means intentionally engaging in a course of conduct, directed at a specific person, which is likely to cause a reasonable person to fear for their safety or the safety of others or cause that person to suffer substantial emotional damage. Examples include, but are not limited to, repeatedly following such person(s), repeatedly committing acts that alarm, cause fear, or seriously annoy such other person(s) and that serve no legitimate purpose, and repeatedly communicating by any means, including electronic means, with such person(s) in a manner likely to intimidate, annoy, or alarm them.

52. SUBSTANCES - Use, possession or distribution of illegal/dangerous drugs as defined in the New York State Penal Law including marijuana, hallucinatory, narcotic or other synthetic drugs, controlled substances and/or related paraphernalia except as expressly permitted by law. This also includes the illegal use or sale of prescription drugs. All students found in rooms where illicit drugs are reasonably believed to be present or in use may be subject to College judicial action.

53. THEFT - A person is guilty of theft when intentionally engaging in a course of conduct, directed at a specific person, which is likely to cause a reasonable person to fear for their safety or the safety of others or cause that person to suffer substantial emotional damage. 15.5 Article V: Sanctions

Disciplinary sanctions may be imposed on students or organizations that violate the Code of Student Conduct. Any of the sanctions listed below may be imposed with specific terms and conditions as determined by the College.

1. Admonition: Written warning that continuation or repetition of misconduct may result in further disciplinary action.

2. Community Service: The student as part of their sanction may be assigned a community service project which is unpaid work that benefits the College community. The Vice President for Student Affairs/Dean of Students or their designee will monitor performance of the community service. Failure to complete the assigned community service within the specified period of time will result in an appearance before the original sanctioning body/person and may result in an increased assignment and/or additional sanctions.

3. Denial of Service: Request to leave a campus office/service for a specified period of time. This may include suspension from campus social activities/events as deemed by the Vice President for Student Affairs/Dean of Students or their designee.

4. Disciplinary Warning: This is meant as a warning that the student's status at the College is in jeopardy. Future violations of the Code of Conduct may result in the student's removal from the residence halls, loss of certain social privileges or suspension from the College.

5. Disciplinary Jeopardy: This is meant as a strong warning that the student is in jeopardy at the College. The next incident will likely result in the student's suspension from the residence halls and/or College and loss of certain social privileges.

6. Disciplinary Probation: The student is not permitted to live on campus for a specified period of time and is additionally restricted from the residence halls during that time period. If the student is found in the residence halls during that time period, they will be arrested for criminal trespass by the University Police Department. Further the next incident will result in the student's immediate suspension from the College for a period of one academic year.

7. Expulsion: Permanent termination of student status at SUNY Canton. Expulsion will be noted on the student's permanent record.

8. Exclusion from Dining Hall: Loss of dining privileges for a specified period of time.

9. Interim Suspension: While normally no action will be taken against a student/organization until charges have been heard in accordance with the hearing process established under the Code, a student/organization may be suspended pending a hearing on the charges whenever, in the judgment of the President or the President’s designee, the continued presence of the student/organization would constitute a clear danger to the student or the safety of persons or property on College premises, or would pose an immediate threat of disruptive interference with the normal conduct of College activities.

During the interim suspension, the student may be denied access to the residence halls and/or to College premises (including classes) and/or all other College activities, privileges, or services for which the student might otherwise be eligible, or as the Office of the Vice President for Student Affairs/Dean of Students determines to be appropriate. If suspended in this manner, the student is entitled to an interview with the Vice President for Student Affairs/Dean of Students or his/her designee, in order to outline the process through which the student's actions will be adjudicated through the student judicial process.

10. Loss of Parking Privileges on the Campus.

11. Restitution: Reimbursement for damages to or misappropriation of property.

12. Sanctions Against College-Recognized Organizations: The following sanctions may be imposed on College-recognized organizations: admonition, community service, disciplinary probation, dismissal from College, interim suspension, loss of use of College facilities or equipment, restitution, and/or suspension from the College. Greek Council Hearing Board can also impose a monetary penalty against Greek Organizations.

13. Suspension from Residence Hall: Loss of the privilege of living in College residence halls. The imposition of this sanction may include exclusion of the offender from all residence hall facilities and activities for the same period as the revocation of license.

14. Suspension from College: Termination of student/official organization status for a definite period of time. Suspensions will be noted on student’s permanent record.
NOTE: Failure to satisfactorily complete a disciplinary sanction within the prescribed time frame may result in suspension from College for a minimum of one semester. The suspension would be recorded on the academic transcript.

NOTE: The University considers dating violence, domestic violence, sexual assault, and stalking as extremely serious violations and subject to SUSPENSION and/or EXPULSION from the University. In such cases, an Interim Suspension may also be issued as deemed appropriate by the Vice President for Student Affairs/Dean of Students or designee.

Notification of Findings

Within five (5) class days after the adjournment of a judicial hearing, the hearing board shall submit written findings of fact, conclusions regarding the charge(s), and imposition of a sanction, if any, to the respondent and any College official who is determined by the Vice President for Student Affairs/Dean of Students to have a legitimate interest in the result to their official SUNY Canton email. In the case of sexual misconduct and violations involving dating violence, domestic violence, sexual assault, or stalking, both the complainant and respondent shall also receive simultaneous notice of the results and sanctions imposed (and the rationale for the result and sanctions), as well as notice of the appellate procedures available, any possible changes to the result that may occur before it becomes final, and when the result becomes final.

Notification of Parents and Campus Officials/Offices: The College is committed to a goal of student maturity and self-direction. The College also recognizes that some students have developed these qualities to a greater extent than others. In some cases, where a student has shown a pattern of irresponsible behavior and has not responded to College assistance or resources, parents/guardians may be notified. When a student is suspended, parents/guardians may be contacted. All parental notification shall comply with the provisions of the Family Educational Rights and Privacy Act. Students are urged to discuss all conduct violations with their parents or guardians. The College also reserves the right to notify the appropriate College offices (which may include, but is not limited to: EOP, Residence Life, Athletics, Counseling, University Police, administration) as well as academic advisors and School Deans as applicable when students have been placed on disciplinary probation, interim suspension, residential suspension, College suspension or expulsion. All campus notification shall comply with the provision of the Family Educational Rights and Privacy Act.

15.6 Article VI: Adjudication

Every student has the right to appear before a Judicial Hearing Board if they choose to exercise it. The adjudicating officer can also elect to present a case to the Judicial Board even if it is against the wishes of the student being charged. Students may also elect to be adjudicated through Summary Action. In Summary Action the accused party and the adjudicating officer come to agreement on the violation(s) of the Code of Student Conduct and the appropriate disciplinary sanction(s). The agreed-upon disciplinary action is written up and both parties sign agreeing to the resolution. In so doing, the offender is relinquishing all rights to appeal once the Summary Action form is signed. Please note: Failure on the part of the student to meet with the adjudicating officer to discuss a disciplinary matter is in itself a violation of the Code of Student Conduct and is subject to disciplinary action. The respondent and complainant may be assisted during disciplinary hearings and related meetings, by a support person of their choice. The respondent and complainant may present witnesses and may produce other evidence for consideration by the hearing board or judicial officer. The respondent and complainant are responsible for presenting evidence on their own behalf. The support person may speak privately to their advisee, respondent or complainant, during the proceeding. Either party may request a brief recess to consult with their support person which will be granted at the discretion of the hearing board Chair. Support persons for the respondent and complainant may not present evidence or question witnesses.

15.7 Article VII: Disciplinary Hearing Boards

1. Student Faculty Hearing Board

The Student Faculty Hearing Board will hear disciplinary cases and/or cases involving violations of the Code of Conduct. The Board has the following responsibilities: hears all evidence related to the case in question; seeks answers to all questions pertaining to statements and evidence presented; reaches a finding regarding responsibility for charges against the student after full discussion of the case in closed session and presents the finding to the adjudicating officer within 24 hours after the hearing concludes, or the next business day if the hearing concludes on a Friday. Any sanctions given will be provided to the student in writing within five class days.

The Student Faculty Hearing Board has the authority to impose all the sanctions listed in Article V. The Student Faculty Hearing Board also acts as a hearing body of first jurisdiction at the request of the President or the President’s designee in cases where the safety of persons or property of the College community is believed to have been threatened. In cases heard by the Student Faculty Hearing Board, their decision is final except when suspension or expulsion from College is recommended. In such cases, only suspension or expulsion (Article V, Sec. 7 & 14) are subject to review by the President or the President’s designee.

The Student Faculty Hearing Board is comprised of:

A. Students - Students must be full-time, matriculated students, must have cumulative honor point indexes of not less than 2.00, except for first-semester freshmen, and must not have incurred a penalty for campus misconduct other than admonition.

B. Faculty - One of which will serve on each hearing. The faculty members must be employees who must have worked at the College for at least one year.

C. Administration - are members of the non-teaching professional staff, one of which is assigned to each hearing as available and will serve as the chair of the Board for that hearing.

The Student Faculty Hearing Board, by two-thirds vote of all members, may remove any student or faculty member from office for just cause, in accordance with committee due process. If a representative is removed from office, the vacancy shall be filled in the same manner as the original office holder.

D. Advisor - this person shall serve only to assist in clarifying or answering questions regarding policies or judicial processes, and is not a voting member of the hearing board.

Notification of findings

Within five (5) class days after the adjournment of a judicial hearing, the hearing board shall submit written findings of fact, conclusions regarding the charge(s), and imposition of a sanction, if any, to the respondent and any College official who is determined by the Vice President for Student Affairs/Dean of Students to have a legitimate interest in the result to their official SUNY Canton email. In the case of sexual misconduct and violations involving dating violence, domestic
violence, sexual assault, or stalking, both the complainant and respondent shall also receive simultaneous notice of the results and sanctions imposed (and the rationale for the result and sanctions), as well as notice of the appellate procedures available, any possible changes to the result that may occur before it becomes final, and when the result becomes final.

2. Residence Hall Hearing Board

There shall be a standing central Residence Hall Hearing Board (RHHB) composed of six residential students, who are nominated by the hall staff and one Resident Assistant nominated by the Resident Assistants who will serve as Chair of the Board. The Director of Residence Life or their designee will serve as the advisor to this Board. The RHHB will provide resident students with an opportunity to present cases before their peers, thus giving residents a greater degree of autonomy and "hands-on" judicial experience in communal living. When dealing with a disciplinary matter, students are afforded the right to appear before a Judicial Hearing Board (of the adjudicating officer's discretion) or the opportunity to accept summary action wherein they waive their right to appear before a Judicial Hearing Board. The adjudicating officer can also elect to present a case to the Judicial Board even if it is against the wishes of the student being charged. The RHHB has the authority to impose all official sanctions listed in Article V except suspension or expulsion from the College.

Notification of findings

Within five (5) class days after the adjournment of a judicial hearing, the hearing board shall submit written findings of fact, conclusions regarding the charge(s), and imposition of a sanction, if any, to the respondent and any College official who is determined by the Vice President for Student Affairs/Dean of Students to have a legitimate interest in the result to their official SUNY Canton email. In the case of sexual misconduct and violations involving dating violence, domestic violence, sexual assault, or stalking, both the complainant and respondent shall also receive simultaneous notice of the results and sanctions imposed (and the rationale for the result and sanctions), as well as notice of the appellate procedures available, any possible changes to the result that may occur before it becomes final, and when the result becomes final.

3. The Campus Parking Violations Appeals Board

The Chief Administrative Officer (President) shall designate a hearing officer or board not to exceed six persons to hear complaints for violation of campus traffic and parking regulations enforceable on campus. Such hearing officer or board shall not be bound by the rules of evidence but may hear or receive any testimony or evidence directly relevant and material to the issues presented. The Board will be comprised of a panel of six persons as follows:

i. Two students
ii. Two faculty
iii. Two classified staff
iv. Any three persons, one from each constituency, shall constitute a quorum to hear appeals.

15.8 Article VIII: Responsibilities of Administrative Officers

1. The President/Acting President or designee shall review all recommendations of the Student Faculty Hearing Board involving suspension or expulsion from the College (Article V, Sec. 7 & 14). Before reaching a decision, the President/Acting President may consult with the appropriate person(s) or parties. The President or their designee may summarily suspend a student/organization pending a hearing if the student/organization (Article V, Sec. 14) is believed to constitute a clear and present danger to the safety of persons or property of the academic community. The President or their designee shall allow the accused student/organization an immediate explanation in writing with respect to such suspension.

2. The adjudicating officer has the following responsibilities:

A. Review and determine if sufficient evidence exists to charge the accused.

B. Notify the accused in writing of the nature of the charge(s). Notification will include the nature of the hearing Board, date, time, and location of the hearing, a statement of the student’s rights, and information on the hearing procedures. The notice may be hand delivered; placed into a student’s residence hall mailbox; sent by e-mail to the accused student’s official College e-mail address, or mailed to the last known address of the student, either by certified mail or first class mail.

C. Works with the Chair of the Student Faculty Hearing Board to set the hearing date and time and composition of the Board.

D. Coordinate the follow-up to ensure that the sanction is carried out.

15.9 Article IX: Procedures for Judicial Hearings For all Campus Judicial Boards:

For all Campus Judicial Boards:

1. Charges of alleged misconduct (under Article IV) may be brought against any student or organization.

2. Before a student’s/organization’s case is presented before a campus Judicial Board (except when the Maintenance of Public Order Committee has jurisdiction), the procedures below must be followed: A student/organization must be:

A. Given written notice of the charges and access to all written statements expected to be used during the hearing.

B. Notified of the right to obtain a support person and the right to refuse to answer questions. If a support person will be present, the guidelines outlined in Section 15.9 3 (B) must be followed.

C. Notified of the time and place of the hearing and given at least four calendar days from the time the student receives their charge letter and notice of hearing date and time, as well as access to all written statements to be used at the hearing in order to prepare a defense. The student/organization may waive, in writing, the right to a four-calendar day waiting period.

3. The College recommends that all students and organizations adhere to the following procedures:

A. Take four calendar days to prepare their defense; and

B. The reporting individual and the respondent have the right to be assisted by any advisor they choose, at their own expense, if the advisor of choice charges a fee. The respondent and complainant may present witnesses and may produce other evidence for consideration by the hearing board or judicial officer. The reporting individual and/or the respondent are responsible for presenting their own case and, therefore, advisors are not permitted to speak or to participate directly in this portion of the hearing. The advisor may speak privately to their advisee, respondent, or complainant, during the proceeding. Either party may request a brief recess.
to consult with their advisor which will be granted at the discretion of the hearing board Chair. Respondents and reporting individuals must inform the Student Conduct Office no later than 24 hours prior to the hearing, or by 9am on the business/school day prior to the hearing if the hearing follows a weekend or holiday who their advisor of choice is. Respondents and reporting individuals are required to have an advisor present for the purpose of cross examination. As a result, if a party does not select an advisor, the College will select an advisor to serve in this role for the limited purpose of conducting the cross-examination at no fee or charge to the party. NOTE: Attendance at hearings is limited to those directly involved or those requested by the hearing officer or Board to attend. The hearing officer or Board will take reasonable measures to assure an orderly hearing, including removal of persons who impede or disrupt proceedings.

4. If a student/organization fails to appear before the Judicial Board, the party’s advisor may appear and conduct cross-examination on their behalf. If neither a party nor their advisor appear at the hearing, SUNY Canton will provide an advisor to appear on behalf of the non-appearing party. NOTE: If a party or witness does not submit to cross-examination, the Judicial Board cannot rely on any prior statements made by that party in reaching a determination regarding responsibility, but may reach a determination regarding responsibility based on evidence that does not constitute a “statement” by that party.

5. A hearing body shall not be bound by the strict, technical rules of judicial evidence, but may hear or receive any testimony or evidence which is relevant to the charges and will contribute to the rendering of an impartial and fair judgment by the Hearing Board.

6. The College, the respondent(s), and the reporting individual shall have the privilege of presenting witnesses, subject to the right of questioning by the judicial hearing board, the reporting individual’s advisor and the respondent’s advisor.

7. At the conclusion of the review, the Student Faculty Hearing Board shall determine (by simple majority vote) whether the student has violated each section of the Student Code of Conduct, which the student is charged with violating.

8. Any sanctions given will be provided to the student in writing within five class days. Within five (5) class days after the adjournment of a judicial hearing, the hearing board shall submit written findings of fact, conclusions regarding the charge(s), and imposition of a sanction, if any, to the respondent and any College official who is determined by the Vice President for Student Affairs/Dean of Students to have a legitimate interest in the result to their official SUNY Canton email. In the case of sexual misconduct and violations involving dating violence, domestic violence, sexual assault, or stalking, both the complainant and respondent shall also receive simultaneous notice of the results and sanctions imposed (and the rationale for the result and sanctions), as well as notice of the appellate procedures available, any possible changes to the result that may occur before it becomes final, and when the result becomes final.

9. The adjudicating officer shall keep record of the substance of the hearing. Such records remain the property of the College. Only College judicial affairs staff may record judicial meetings or proceedings. No other recordings are permitted. Such records often contain personally identifiable and sensitive information about participants. The adjudicating officer may report the findings to the College community without revealing personally identifiable information.

10. Adjournments or Extensions: The chairperson shall have the authority to adjourn or postpone hearings if, in their opinion, extenuating circumstances are justifiably raised by the accused student(s), the adjudicating officer/ designee, or individual judicial board members. The judicial hearing board may adjourn the hearing, imposing temporary sanctions, and schedule sanctioning for a later date. All deadlines and time requirements in the Code may be extended for good cause, as determined by the Vice President for Student Affairs/Dean of Students. Both the respondent and the complainant will be notified in writing of the delay, the reasons for the delay, and provided the date of the new deadline or event. Extensions will not be longer than 5 business/school days. Temporary sanctions may be imposed by the Vice President for Student Affairs/Dean of Students or designee during any extension.

11. Appeals: A request for an appeal may only be submitted when the student believes:

A. A procedural error occurred during the process, which had a direct impact on the finding. (i.e. a failure to follow the College’s own procedure)
B. That new information has come to light, which has a direct impact on the finding. New evidence is that which was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
C. The finding or sanction imposed is unfair or inappropriate.

D. Conflict of Interest or Bias. The Title IX Coordinator, investigator, or decision-maker had a conflict of interest or bias for or against the reporting individuals or respondents generally or the individual reporting individual or respondent that affected the outcome of the matter.

Appeals shall be directed through the online appeal form located on the Vice President for Student Affairs/Dean of Students’ webpage (http://www.canton.edu/dos/appeal_form.php) by the respondent within four class days of the respondent’s receipt of the written decision (which will be sent to the respondent’s SUNY Canton email). Appellate boards will be composed of three faculty/staff members. There will also be an advisor who shall serve only to assist in clarifying or answering questions regarding policies or judicial processes. The advisor is not permitted to weigh in on the appeal and is not a voting member of the appellate board. While an appeal is being considered or a scheduled appeal hearing is pending, the original sanctions imposed remain in effect. The chairperson of a Judicial Board or Board Member (if the chair is unavailable) that rendered a decision under appeal, may be asked to attend an appeal hearing. A student who appeals is not required to attend, but is entitled to attend and be accompanied by a support person. Notification of appeal decisions shall be communicated within 48 hours after the conclusion of a hearing. Outcomes shall be disclosed in writing.

After reviewing an appeal, an Appellate Board may decide to:

a. Deny the request and uphold the decisions of the original Judicial Board, or
b. Grant the appeal and direct the case to be heard by a college judicial board again.

Appeals decisions are final within the campus judicial system. Once an appeal has been rendered, a student may not appeal that decision.
12. In cases where the substance of a request causes the Appellate Board to believe such action is warranted, members of the original board may be replaced or an entirely new board may convene to hear the case. All decisions made by the appellate Board are final. In extenuating circumstances, or when the College is in recess, the Vice President for Student Affairs/Dean of Students or their designee has the authority to convene an emergency Student Faculty Hearing Board; similarly, the Director of Residence Life or designee has the authority to convene a temporary Residence Hall Hearing Board. This Board may be composed of one faculty member and one staff person when a student representative is not available.

15.91 SUNY Board of Trustees - Rules for the Maintenance of Public Order
The rules for the Maintenance of Public Order provide overall rules which are clarified and defined in the College’s Student Code of Conduct and workplace/visitor rules. These rules are implemented in compliance with section 6430 of the Education Law and comprise Part 535 of Title 8 of NYCRR. Copies of this portion of the Official Compilation are available for review at the Southworth Library circulation desk and at the Office of the Vice President for Student Affairs/Dean of Students.

15.92 Policy on Transcript Notations
New York State Law states that:

For crimes of violence, including, but not limited to sexual violence, defined as crimes that meet the reporting requirements pursuant to the federal Clery Act established in 20 U.S.C. 1092(f)(1)(F)(i)(I)-(VIII), institutions shall make a notation on the transcript of students found responsible after a conduct process that they were “suspended after a finding of responsibility for a code of conduct violation” or “expelled after a finding of responsibility for a code of conduct violation.” For the respondent who withdraws from the institution while such conduct charges are pending, and declines to complete the disciplinary process, institutions shall make a notation on the transcript of such students that they “withdrew with conduct charges pending.” Each institution shall publish a policy on transcript notations and appeals seeking removal of a transcript notation for a suspension, provided that such notation shall not be removed. If a finding of responsibility is vacated for any reason, any such transcript notation shall be removed.

SUNY Canton is in full compliance with New York State Law and will note on the academic transcript of students found responsible for violations of SUNY Canton policy which are equivalent to the Clery Act Part I crimes (as updated by the Violence Against Women Act) that a student was “suspended after a finding of responsibility for a code of conduct violation” or “expelled after a finding of responsibility for a code of conduct violation.” (If the student receives either of those sanctions after a finding of responsibility.) The crimes which would require this notation currently include: murder; rape, fondling, incest and statutory rape; robbery; aggravated assault; burglary; motor vehicle theft; manslaughter; and arson.

16.0 Communication
(See Policies & Procedures Manual)

16.1 Official Mode
The official method by which SUNY Canton communicates with its students will be the campus e-mail system. Each student will be issued a campus e-mail address to be utilized by the College throughout the duration of their enrollment at SUNY Canton as the official mode of communication with the student. It is each student’s responsibility to check their e-mail on a regular and timely basis.

16.2 Emergency Notifications
Timely Warnings and Emergency Notifications
1. What warrants a “timely warning” or “emergency notification”?
Timely Warnings shall be issued whenever a Clery Crime that is considered to represent a serious or continuing threat to students and employees is reported to UPD or a local police agency and has occurred within the University’s Clery Geography. Whenever a timely warning is sent, it may be sent to the entire Campus Community or to the relevant population if technology allows.

Emergency Notifications shall be issued when a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurs on the campus. As appropriate, emergency notifications may be targeted at only a segment or segments of the campus community that is at risk. Emergency notifications will be issued without delay unless doing so would compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Who decides? The Vice President for Student Affairs/Dean of Students, or a designee of The Vice President for Student Affairs/Dean of Students, in conjunction with the Chief of University Police and/or other campus and non-campus officials as appropriate, shall confirm the existence of a situation that may warrant a warning or notification and determine if a timely warning or emergency notification is warranted and the extent of the notification as appropriate. In addition to criminal incidents, emergency notifications may be issued in situations such as, but not limited to:

1. Safety-Related Issues:
   • An incident that occurs ON any of our campuses that affects the personal safety and security of our population.
   • An incident that occurs in close proximity to the campus that may potentially affect the personal safety and security of our student, faculty and staff population.

2. Health-Related Issues:
   • A member of our population is diagnosed with a serious or life-threatening communicable/infectious disease.
   • Evidence of bio-terrorism.

The only reason an immediate notification for a confirmed emergency or dangerous situation would not be issued is if doing so will compromise efforts to: assist a victim, contain the emergency, respond to the emergency, or otherwise mitigate the emergency.

2. How will a Timely Warning or an Emergency Notification be Communicated?
For Safety-Related Issues: The means of communication will be chosen by The Vice President for Student Affairs/Dean of Students or the designee based upon the nature of the incident. Possible means of communication are:

   • E-mail to all students and/or faculty/staff
   • Postings in campus center and residence halls as applicable to the incident. Postings can be emailed to various offices as needed
   • Delivery of hard-copy notification to all residential rooms and suites as needed
   • Posting of notification on University Police Department website
   • SUNY NY Alert in the case of a critical campus-wide emergency

17.0 Computer & Network Use Policy

(See Policies & Procedures Manual)

Access to modern information technology is essential to the State University of New York with educational services of the highest quality. The pursuit and achievement of the SUNY Canton mission of education, research, and public service require that the privilege of the use of computing systems and software, internal and external data networks, as well as access to the internet, be made available to everyone in the SUNY community. The preservation of that privilege for the full community requires that each faculty member, staff member, student, and other authorized user comply with institutional and external standards for appropriate use.

This policy applies to all SUNY Canton computing and network resources, including host computer systems, SUNY Canton sponsored computers and workstations, software, data sets, and communications networks controlled, administered or accessed directly or indirectly by SUNY Canton computer resources or services, employees, or students.

Violators of this policy will be subject to the existing student or employee disciplinary procedures of SUNY Canton. Sanctions may include the loss of computing privileges. Illegal acts involving SUNY Canton computing resources may also subject users to prosecution by state and federal authorities.

E-mail accounts are provided to currently registered students and are used for all college-related communication.

18.0 Consumer Complaint Procedure

(See Policies & Procedures Manual)

18.1 Local Procedures

Any person who believes they have been aggrieved by the College may file a complaint with the Vice President for Student Affairs/Dean of Students within ninety (90) days of the alleged occurrence or event giving rise to the grievance. Complaints may be made in person, by telephone or in writing. The complainant will be asked to discuss their problem with a responsible College representative, one who may best be able to resolve the concern(s). Students are also reminded of specific procedures for filing academic complaints or allegations of sexual harassment found in section 20.2.

In response to a written complaint, the College shall investigate the allegations and respond to the grievant in a timely manner. The College may contact the grievant for further information or clarification of the complaint should the need arise. The complaint may be referred to a responsible campus official for resolution. Any final determination of a formal complaint will be made by an individual not directly involved in the alleged problem.

No adverse action will be taken by the College against the student or other complainant.

The College will retain a written record of the complaint and its resolution or disposition, including appropriate documentation, for a period of six years. Such file shall be retained by the Office of the Vice President for Student Affairs/Dean of Students.

A grievant who so wishes may file a formal written complaint with the State Education Department in accordance with their guidelines. Guidelines are found within the College Catalog and in section 18.3 of this Handbook. An official complaint form and guidelines are available in the Office of the Vice President for Student Affairs/Dean of Students.

18.2 State Education Department Procedures

Section 494C(j) of the Higher Education Act of 1965, as amended, provides that a student, faculty member or any other person who believes they have been aggrieved by an institution of higher education has the right to file a written complaint.

In New York State, a complaint may be filed by any person with reason to believe that an institution has acted contrary to its published standards or that conditions at the institution appear to jeopardize the quality of the institution’s instructional programs or the general welfare of its students. Any person who believes they have been aggrieved by an institution may file a written complaint with the Department within five years of the alleged incident.

18.3 How to File a Complaint

For all types of complaints concerning colleges and universities in New York State, the first course of action must be to try to resolve the complaint directly with the administration of the college or university involved. The Office of College and University Evaluation will not review a complaint until all grievance procedures at the institution have been followed and all avenues of appeal exhausted and documentation provided that such procedures have been exhausted. Please note: every New York State college and university is required to establish, publish, and enforce explicit policies related to redress of grievances.

Please do not send a complaint to the Office of College and University Evaluation until you have read all of the information below. This will assure that you are sending your complaint to the appropriate agency/office.

The Office of College and University Evaluation handles only those complaints that concern educational programs or practices of degree-granting institutions subject to the Regulations of the Commissioner of Education, with the exceptions noted below.

For a complaint about state student financial aid matters, contact the Higher Education Services Corporation (HESC) Customer Communications Center at 1-888-NYS-HESC.

Complainants should be aware that the Office of College and University Evaluation does not conduct a judicial investigation and has no legal authority to require a college or university to comply with a complainant's request.

If your complaint does not fall into one of the exceptions noted above, you may obtain a complaint form at the following link (www.highered.nysed.gov/ocuc/complaintform.pdf) or by contacting the Office of College and University Evaluation, New York State Education Department, Education Building, 5 North Mezzanine, 89 Washington Avenue, Albany, New York 12234. Official complaint forms and guidelines are also available in the Office of the Vice President for Student Affairs/Dean of Students.

18.4 Complaint Resolution

Some complaints may fall within the jurisdiction of an agency or organization other than the State Education Department. These complaints will be referred to the entity with appropriate jurisdiction. When a complaint concerns a matter that falls solely within the jurisdiction of the institution of higher education, the complainant will be notified and the department will refer the complainant to the institution in question and request that the matter receive a review and response.

Upon conclusion of the Department's complaint review or upon a disposition of the complaint by referral to another agency or organization, or to the institution of higher education, the Department will issue a written notice to the complainant describing the resolution of the complaint. The complainant may contact the Department evaluator directly for follow-up information or for additional assistance.

19.3 Late Payment Fee
Should a student fail to process their bill by the due date, a $40.00 late payment fee will be assessed.

19.4 Returned Check Charge
A service charge will be levied not to exceed the face value of the dishonored check or $20.00, whichever is less, for each check returned unpaid by the bank against which it is drawn.

19.5 Bill Payment
A student’s bill is required to be processed by the due date which is shown on the tuition bill. Payment arrangements made after these dates will be subject to a $40 late payment fee and loss of prescheduled classes. If a student wishes to request a hardship deferment for payment, they need to make arrangements with the Student Service Center before the due date. All deferments must be paid in full by the end of the semester for which it was made. Students not meeting the terms of their deferment may be subject to penalty during the semester. Penalties include holds on account for transcripts, holds on meal plans and Roo credit, and possible suspension.

Financial Aid Refunds
Refunds for those students who have a credit on their account will begin with the fourth week after school begins. SUNY Canton uses a third-party processor called BankMobile for all student refunds. New students receive a green envelope from BankMobile that includes a personal code and instructions on how to set up their preferences. Students who have defined a preference with BankMobile will have their refunds directly deposited into their account within 24-48 hours of the refund. Students who have not set up a preference will receive a check from BankMobile 21 days after their refund processes. The check will be mailed to the address that is on file with BankMobile. Any BankMobile checks that are not cashed within 180 days of the issuance will be non-negotiable and the refund will be returned to the University.

19.6 Domestic Health Insurance
SUNY Canton has a mandatory health insurance requirement. All full-time students are automatically enrolled in the insurance program available through the College. If the student is already covered by another plan, the student may waive the health insurance fee by logging into their UCanWeb account and clicking on the waiver link. The student must provide proof of other coverage by filing in the waiver form with their other coverage information – insurance carrier, plan number, etc. Once the waiver is approved, the health insurance fee will be credited on the student’s account. The student must waive coverage every semester they are enrolled as a full-time student. If the health insurance is waived for the fall semester and the student enrolls full-time for the spring semester, they must log in and waive coverage for the spring.

Part-time students may also purchase the student insurance, but it must be added to their College bill separately. Part-time students who want the health insurance coverage must put in writing their request for coverage. The insurance fee will be assessed on their bill and they must pay the insurance fee in full before coverage can be activated. Part-time students must follow this process each semester. The coverage periods are separate for the fall and spring terms. Fall coverage runs from August 15th through January 14th. Spring coverage runs from January 15th through August 14th.

International students attending the State University of New York are required to purchase the International Student Insurance. The plan utilizes the Health Center as the primary care provider, meaning that students are to use the Health Center first whenever possible to avoid large deductible charges.

19.7 RSVP to Commencement Late Fee
After the RSVP to Commencement deadline deadline (date listed each year on the academic calendar), a late fee of $20 will be imposed on students wishing to attend the Commencement ceremony. Please note: This late fee is only for students wishing to participate in the Commencement ceremony and who have missed the Apply to Graduate deadline. This does not apply to students only receiving their diploma.

20.0 Discrimination and Harassment
(See Policies & Procedures Manual)
SUNY Canton does not discriminate in admission or access to, or treatment or employment in its programs. See Non-Discrimination Notice on Page 1.

20.1 Complaint Procedure
Anyone who believes they have been discriminated against may file a complaint with Suzan L. McDermott, FH Administration Suite, 315-386-7325, Affirmative Action Officer; or Title IX Coordinator: Sr. HR/Title IX Coordinator: Amanda Deckert, FH Administration Suite, 315-386-7688, or e-mail title9@canton.edu.

Applicability
This procedure may be used by any student or employee of a state-operated campus of the University, as well as third parties who are participating in a University-sponsored program or affiliated activity. Employee grievance procedures established through negotiated contracts, academic grievance review committees, student disciplinary grievance boards, and any other procedures defined by contract will continue to operate as before. Furthermore, this procedure does not in any way deprive a complainant of the right to file with outside enforcement agencies, such as the New York State Division of Human Rights, the Equal Employment Opportunity Commission, the Office for Civil Rights of the United States Department of Education, and the Office of Federal Contract Compliance of the United States Department of Labor. However, after filing with one of these outside enforcement agencies, or upon the initiation of litigation, the complaint will be referred to the campus Affirmative Action Officer, or in the case of sex discrimination, the Title IX Coordinator (hereinafter “AAO” will refer to both the Affirmative Action Officer and Title IX Coordinator), for investigation with the Office of General Counsel. Contact information for these agencies is listed in Appendix A. More detailed information may be obtained from the campus or SUNY-wide AAO.

All campuses must use this procedure unless the campus has made an application for an exception. Requests for an exception, along with a copy of the requesting campus’s discrimination complaint procedure, must be filed with the Office of General Counsel. The request for an exception will be acted upon by the Office of General Counsel after a review of the campus’s complaint procedure. The AAO on each University campus and the AAO for the SUNY System Office, who receives any complaint of alleged discrimination, shall inform the complainant about the complaint process and other options to resolve the issue, assist the complainant in the use of the complaint form and understanding the nature of the incident, and provide the complainant with information about various internal and external mechanisms through which the complaint may be filed, including applicable time limits for filing with each agency.

Upon receipt of a sex discrimination complaint or report, each University campus and the SUNY System Office will provide the complainant with a written notice describing the available options, including pursuing a criminal complaint with a law enforcement agency, pursuing SUNY’s investigation and
disciplinary process, or pursuing both options at the same time; and the potential consequences of pursuing both options (i.e., possible temporary delay of the fact-finding aspect of SUNY’s investigation while the law enforcement agency is in the process of gathering evidence). Additionally, the Title IX Coordinator will ensure that complainants in sex discrimination cases are made aware of their Title IX rights, available remedies and resources on- and off-campus (such as counseling, local rape crisis center), and interim measures of protection. For more information, see the Students’ Bill of Rights (system.suny.edu/sexual-violence-prevention-workgroup/policies/disclosure/). Assistance will be available whether or not a formal complaint is contemplated, or even possible.

All distributed and published versions of this procedure must contain the name or title, office address, email address, and telephone number of the individual with whom to file a complaint for each campus location, and for System Administration.

Procedure

The following Discrimination Compliant Procedure applies to both the informal and formal processes. This procedure provides a mechanism through which the University may identify, respond to, and prevent incidents of illegal discrimination. The University recognizes and accepts its responsibility in this regard, and believes that the establishment of this internal grievance process will benefit student, faculty, staff, and administration, permitting investigation and resolution of problems.

SUNY, through the [relevant office per campus or System], reserves the right to promptly investigate all incidents of sex discrimination of which the campus and/ or SUNY system office has notice. Based on information received, the Title IX Coordinator and AAO will make reasonable efforts to investigate and address instances of sex discrimination when it knows or should have known about such instances, regardless of complainant cooperation and involvement, consistent with the SUNY Policies on Sexual Violence Prevention and Response (system.suny.edu/sexual-violence-prevention-workgroup/policies/disclosure/), including the Options for Confidentially Disclosing Sexual Violence (system.suny.edu/sexual-violence-prevention-workgroup/policies/disclosure/).

SUNY will comply with law enforcement agency requests for cooperation, and such cooperation may require the campus to temporarily delay the fact-finding aspect of an investigation while the law enforcement agency is in the process of gathering evidence. The campus will resume its investigation as soon as it is notified by the law enforcement agency that it has completed the evidence-gathering process. SUNY will implement appropriate interim steps during the law enforcement agency’s investigation period to provide for the safety of the victim(s) and the campus community, as described below.

The complainant is not required to pursue the University internal procedures before filing a complaint with a state or federal agency. In addition, if the complainant chooses to pursue the University internal procedure, the complainant is free to file a complaint with the appropriate state or federal agency at any point during the process.

During any portion of the procedures detailed hereafter, the parties shall not employ audio or video taping devices. Complaints and investigations will be kept confidential to the extent possible.

Retaliation against a person who files a complaint, serves as a witness, or assists or participates in any manner in this procedure, is strictly prohibited and may result in disciplinary action. Retaliation is an adverse action taken against an individual as a result of complaining about unlawful discrimination or harassment, exercising a legal right, and/or participating in a complaint investigation as a third-party witness. Participants who experience retaliation should contact the campus AAO, and may file a complaint pursuant to these procedures.

Complaint Consultation and Review

Any student or employee, or any third party may consult with the AAO regarding potential discrimination or harassment. This initial contact may occur by telephone, email, or in person—the latter being preferred.

It is the responsibility of the AAO to respond to all such inquiries, reports, and requests as promptly as possible, and in a manner appropriate to the particular circumstances. This response may include interim measures to protect the parties during the investigation process. Interim measures will not disproportionately impact the complainant. Interim measures for students may include, but are not limited to, information about how to obtain counseling and academic assistance in the event of sexual assault, and steps to take if the accused individual lives on campus and/or attends class with the complainant. Interim measures involving employees in collective bargaining units should be determined in consultation with campus employee-relations departments.

Complaints or concerns that are reported to an administrator, manager or supervisor, concerning an act of discrimination or harassment, or acts of discrimination or harassment that administrators, managers, or supervisors observe or become aware of, shall be immediately referred to the AAO. Employees with Title IX compliance responsibilities and/or employees who have the authority to take action to redress the harassment, must report any complaints to the Title IX Coordinator. Employees who observe or become aware of sex discrimination, including sexual harassment and sexual violence, should report this information to the campus Title IX Coordinator. Complaints may also be made directly to the AAO if anyone who experiences, observes, or becomes aware of discrimination or harassment.

Filing Complaints and Time Limits

Although in limited circumstances, verbal complaints may be acted upon, the procedures set forth here rest upon the submission of a written complaint that will enable there to be a full and fair investigation of the facts. The University prefers written complaints. It is the complainant’s responsibility to be certain that any complaint is filed within the applicable time limit.

If the complainant brings a complaint beyond the period in which the complaint may be addressed under these procedures, the AAO may terminate any further processing of the complaint, refer the complaint to the Office of General Counsel, or direct the complainant to an alternative forum (Appendix A). Complaints of sex discrimination brought forth beyond the 180-day period will be tracked and investigated to the extent possible, consistent with the campus Title IX obligations, including the Title IX Coordinator’s duties to spot patterns and address systemic issues.

All complaints must be submitted on the forms provided by the University. The Charge of Discrimination form will be used for both the initiation of complaints under the informal procedure, and the conversion of the complaint to the formal procedure. The AAO is available to assist in preparing the complaint.

As soon as reasonably possible, after the date of filing of the complaint, the AAO will mail a notice of the complaint to the filer and a copy of the complaint to the respondent(s).

Employees: Employees must file a written complaint with the AAO within 180 calendar days following the alleged discriminatory act, or the date on which the complainant first knew or reasonably should have known of such act.

Students: Students must file a complaint
within 180 calendar days following the alleged discriminatory act, or 90 calendar days after a final grade is received, for the semester during which the discriminatory acts occurred, if that date is later.

**Complaint Contents**

The complaint shall contain:

1. The name, local and permanent address(es), telephone number(s), and status (faculty, staff, student, third party) of the complainant.
2. A statement of facts explaining what happened and what the complainant believes constituted the unlawful discriminatory acts in sufficient detail to give each respondent reasonable notice of what is claimed against them. The statement should include the date, approximate time and place where the alleged acts of unlawful discrimination or harassment occurred. If the acts occurred on more than one date, the statement should also include the last date on which the acts occurred as well as detailed information about the prior acts. The names of any potential witnesses should be provided.
3. The name(s), address(s) and telephone number(s) of the respondent(s), i.e., the person(s) claimed to have committed the act(s) of unlawful discrimination.
4. Identification of the status of the persons charged whether faculty, staff, or student.
5. A statement indicating whether or not the complainant has filed or reported information concerning the incidents referred to in the complaint with a non-campus official or agency, under any other complaint, or complaint procedure. If an external complaint has been filed, the statement should indicate the name of the department or agency with which the information was filed and its address.
6. A description of any corrective or remedial action that the complainant would like to see taken.
7. Such other or supplemental information as may be requested.
8. Signature of complainant and the date complaint signed.

**Informal Resolution**

If a complainant elects to have the matter dealt with in an informal manner, the AAO will attempt to reasonably resolve the problem to the mutual satisfaction of the parties.

In seeking an informal resolution, the AAO shall attempt to review all relevant information, interview pertinent witnesses, and bring together the complainant and the respondent, if desirable. Complaints of sexual violence will not be resolved by using mediation, but instead must be referred immediately to the campus Title IX Coordinator. The complainant will not be required to resolve the problem directly with the respondent in cases of sex discrimination.

If a resolution satisfactory to both the complainant and the respondent is reached within 24 calendar days from the filing of the complaint, through the efforts of the AAO, the officer shall close the case, sending a written notice to that effect to the complainant and respondent. The written notice, a copy of which shall be attached to the original complaint form in the officer’s file, shall contain the terms of any agreement reached by complainant and respondent, and shall be signed and dated by the complainant, the respondent, and the AAO.

If the AAO is unable to resolve the complaint to the mutual satisfaction of the complainant and respondent within 24 calendar days from the filing of the complaint, the AAO shall so notify the complainant. The AAO shall again advise the complainant of their right to proceed to the next step internally, and/or the right to separately file with appropriate external enforcement agencies.

The time limitations set forth above may be extended by mutual agreement of the complainant and respondent with the approval of the AAO. Such extension shall be confirmed in writing by the complainant and respondent. The AAO will also have the discretion to reasonably extend the deadlines if an investigation is deemed complex.

The complainant may elect to end the informal resolution process, and proceed to the formal resolution procedure at any time after the Charge of Discrimination form is filed.

**Formal Resolution**

The formal complaint proceeding is commenced by the filing of a complaint form as described above. The 180-day time limit also applies to the filing of a formal complaint. If the complaint first pursued the informal process, and subsequently wishes to pursue a formal complaint, they may do so by checking the appropriate box, and signing and dating the complaint form.

The complaint, together with a statement from the AAO indicating that informal resolution was not possible, if applicable, shall be forwarded to the chairperson of the campus Affirmative Action Committee within seven calendar days from the filing of the formal complaint. If an informal resolution was not pursued, the AAO shall forward the complaint to the chairperson of the campus Affirmative Action Committee within seven calendar days from the filing of the complaint.

**Notice to Parties:** Upon receipt of a complaint, the AAO will provide an initial, signed, date-stamped copy of the complaint to the complainant. As soon as reasonably possible after the date of filing of the complaint, the AAO will mail a notice of complaint and a copy of the complaint to the respondent(s). Alternatively, such notice with a copy of the complaint may be given by personal delivery, provided such delivery is made by the AAO (or designee) and, that proper proof of such delivery, including the date, time and place where such delivery occurred, is entered in the records maintained by or for the AAO.

**Tripartite Panel Selection:** Within seven calendar days of receipt of the complaint, the chairperson of the campus Affirmative Action Committee shall send notification to the complainant, the respondent, and the campus president that a review of the matter shall take place by a tripartite panel to be selected by the complainant and the Respondent from a pre-selected pool of eligible participants.

The tripartite panel shall consist of one member of the preselected pool chosen by the complainant, one member chosen by the respondent, and a third chosen by the other two designees. The panel members shall choose a chair among themselves. Selection must be completed, and written notification of designees submitted to the chairperson of the campus Affirmative Action Committee no later than seven calendar days after the complainant, the respondent, and the campus President received notice under paragraph four above. If the President is the respondent, then the third member of the panel shall be selected by the Chancellor or designee at System Administration.

In the event that the procedural requirements governing the selection of the tripartite panel are not completed within seven calendar days after notification, the chairperson of the campus Affirmative Action Committee shall complete the selection process.

**Panel Review:** The tripartite panel shall review all relevant information, interview pertinent witnesses, and, at their discretion, hear testimony from the complainant and the respondent, if desirable. Both the complainant and the respondent(s) shall be entitled to submit written statements and/or other relevant material evidence and witnesses, and to provide rebuttal to the written record compiled by the tripartite panel. The complainant and respondent have the right to request alternative arrangements if the complainant does not want to be in the same room as the other party. These alternative arrangements must be consistent with the
rights of the accused, and must enable both parties and the panel to hear each other during any hearing.

**Findings and Recommendations:** Within 15 calendar days from the completion of selection of the panel, the chairperson of the tripartite panel shall submit a summary of its findings, and the panel's recommendation(s) for further action, on a form to be provided by the AAO, to the President. The burden of proof in cases of discrimination is preponderance of the evidence. If the President is the respondent, the findings and recommendation shall be submitted to the Chancellor or their designee. When the panel transmits the summary of its findings and the panel's recommendations to the President, the panel will also send, concurrently, copies of both the summary of its findings and recommendation(s) to the complainant, respondent, and the AAO.

Within ten calendar days of receipt of the written summary, the President or designee shall issue a written statement to the complainant and respondent, indicating what action the President proposes to take. The President or designee will use the preponderance of the evidence standard. The action proposed by the President or designee may consist of:

a. A determination that the complaint was not substantiated; or
b. A determination that the complaint was substantiated.

i. For employees (including student employees) not in a collective bargaining unit: The President may take such administrative action as they deem appropriate under their authority as the Chief Administrative Officer of the College, including but not limited to, termination, demotion, reassignment, suspension, reprimand, or training.

ii. For students: The President may determine that sufficient information exists to refer the matter to the student judiciary, or other appropriate disciplinary panel for review, and appropriate action under the appropriate student conduct code. For examples of sanctions, please see the relevant section of the applicable student code of conduct.

iii. For employees in collective bargaining units: The President may determine that sufficient information exists to refer the matter to their designee for investigation and disciplinary action, or other action as may be appropriate under the applicable collective bargaining agreement. The disciplinary process and potential outcomes are described in the applicable collective bargaining agreements.

The action of the President shall be final. If the President is the respondent, the Chancellor or their designee shall issue a written statement indicating what action the Chancellor proposes to take. The Chancellor's decision shall be final for purposes of this discrimination procedure.

**Notice of outcome:** No later than seven calendar days following issuance of the statement by the President or the Chancellor, as the case may be, the AAO shall issue a letter to the complainant and to the respondent(s) advising them that the matter, for purposes of this discrimination procedure, is closed. In cases of sex discrimination, notice of outcome will include the sanctions, as appropriate.

**Time limitations:** The time limitations set forth above may be extended by mutual agreement of the complainant and respondent with the approval of the panel. The panel will also have the discretion to reasonably extend the deadlines if an investigation is deemed complex. Such extension shall be confirmed in writing to the parties.

**External Agencies:** If the complainant is dissatisfied with the President's or Chancellor's decision, the complainant may elect to file a complaint with one or more state and federal agencies. The campus AAO will provide general information on state and federal guidelines and laws, as well as names and addresses of various enforcement agencies (Appendix A).

**Definitions**

**Affirmative Consent**

Affirmative consent is a knowing, voluntary, and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not demonstrate consent. The definition of consent does not vary based upon a participant's sex, sexual orientation, gender identity, or gender expression.

- Consent to any sexual act or prior consensual sexual activity between or with any party does not necessarily constitute consent to any other sexual act.
- Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol.

- Consent may be initially given but withdrawn at any time.
- Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. Incapacitation may be caused by the lack of consciousness or being asleep, being involuntarily restrained, or if an individual otherwise cannot consent. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs, or other intoxicants may be incapacitated and therefore unable to consent.
- Consent cannot be given when it is the result of any coercion, intimidation, force, or threat of harm.
- When consent is withdrawn or can no longer be given, sexual activity must stop.

**Harassment on the Basis of Protected Characteristic(s) other than Sex/Gender**

Harassment based on race, color, age, religion, national origin, disability, sexual orientation or other protected characteristics is oral, written, graphic, or physical conduct relating to an individual's protected characteristics that is sufficiently severe and/or serious, pervasive, or persistent so as to interfere with or limit the ability of an individual to participate in or benefit from the educational institution's programs or activities.

**Sex Discrimination**

Behaviors and actions that deny or limit a person’s ability to benefit from, and/or fully participate in the educational programs or activities or employment opportunities because of a person's sex. This includes but is not limited to sexual harassment, sexual assault, sexual violence by employees, students, or third parties. Employees should report sex discrimination, including but not limited to, sexual harassment and assault that they observe or become aware of, to the Title IX Coordinator.

**Sexual Assault**

A physical sexual act or acts committed against a person’s will and consent or when a person is incapable of giving active consent, incapable of appraising the nature of the conduct, or incapable of declining participation in, or communicating unwillingness to engage in, a sexual act or acts. Sexual assault is an extreme form of sexual harassment. Sexual assault includes what is commonly known as “rape,” whether forcible or non-forcible, “date rape”, and “acquaintance
rape." Nothing contained in this definition shall be construed to limit or, conflict with the sex offenses enumerated in Article 130 of the New York State Penal Law, which shall be the guiding reference in determining if alleged conduct is consistent with the definition of sexual assault.

Sexual Harassment in the Educational Setting
Unwelcome conduct of a sexual nature. Sexual harassment can include unwelcome sexual advances, requests for sexual favors, and other verbal, non-verbal, or physical conduct of a sexual nature. Sexual harassment of a student denies or limits, on the basis of sex, the student's ability to participate in or to receive benefits, services, or opportunities in the educational institution's program.

Sexual Harassment in the Employment Setting
Unwelcome sexual advances, requests for sexual favors, or verbal or physical conduct of a sexual nature when any of the following occurs:

• Submission to such conduct is made a term or condition of an individual's continued employment, promotion, or other condition of employment.
• Submission to or rejection of such conduct is used as a basis for employment decisions affecting an employee or job applicant.
• Such conduct is intended to interfere, or results in interference, with an employee's work performance, or creates an intimidating, hostile, or offensive work environment.

Sexual Violence
Physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent.

Preponderance of the Evidence
The standard of proof in sexual harassment and sexual assault cases which asks whether it is "more likely than not" that the sexual harassment or sexual violence occurred. If the evidence presented meets this standard, then the accused should be found responsible.

20.2 Sexual Harassment
Sexual harassment is considered an unlawful employment practice under Section 703, Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 that ban discrimination on the basis of sex. These regulations protect employees of all genders, as well as students. SUNY policy extends this protection to any students, applicants or other non-employees subjected to such treatment by its faculty or staff. Sexual harassment in the educational setting and employment setting is any unwelcome conduct of a sexual nature. Sexual harassment can include unwelcome sexual advances; requests for sexual favors; and other verbal, non-verbal, or physical conduct of a sexual nature. Sexual harassment of a student denies or limits, on the basis of sex, the student's ability to participate in or to receive benefits, services, or opportunities in the educational institution's program. Sexual harassment in the employment setting occurs when:

• Submission to such conduct is made a term or condition of an individual's continued employment, promotion, or other condition of employment.
• Submission to or rejection of such conduct is used as a basis for employment decisions affecting an employee or job applicant.

Anyone who believes they have been sexually harassed may file a complaint with Suzan L McDermott, FH Administration Suite, 315-386-7325, Affirmative Action Officer; or Title IX Coordinator: HR/Title IX Coordinator: Amanda Deckert, FH Administration Suite, 315-386-7688, or e-mail title9@canton.edu.

20.3 Hate Crimes and the Law
It is a State University of New York at Canton University Police's commitment to protect all members of the SUNY Canton community by preventing and prosecuting bias or hate crimes that occur within the campus's jurisdiction.

Hate crimes, also called bias crimes or bias-related crimes, are criminal activity motivated by the perpetrator's bias or attitude against an individual victim or group based on perceived or actual personal characteristics, such as their race, religion, ethnicity, gender, sexual orientation, or disability. Hate/bias crimes have received renewed attention in recent years, particularly since the passage of the Federal Hate/Bias Crime Reporting Act of 1990 and the New York State Hate Crimes Act of 2000 (Penal Law Article 485). Copies of the New York law are available from the University Police Department.

Penalties for bias-related crimes are very serious and range from fines to imprisonment for lengthy periods, depending on the nature of the underlying criminal offense, the use of violence or previous convictions of the offender. Perpetrators who are students will also be subject to campus disciplinary procedures where sanctions including dismissal are possible.

In addition to preventing and prosecuting hate/bias crimes, State University of New York at Canton University Police also assist in addressing bias-related activities that do not rise to the level of a crime. These activities, referred to as bias incidents and defined by the University as acts of bigotry, harassment, or intimidation directed at a member or group with the SUNY Canton community based on national origin, ethnicity, race, age, religion, gender, sexual orientation, disability, veteran status, color, creed, or marital status, may be addressed through the State University's discrimination complaint procedure or the campus conduct code. Bias incidents can be reported to University Police as well as to any college official.

If you are a victim of, or witness to, a bias crime on campus, report it to University Police by calling (315)386-7777 in an emergency, by using an Emergency Blue Light, or by stopping at the University Police Department. University Police will investigate and follow the appropriate adjudication procedures.

Victims of bias crime or bias incidents can avail themselves of counseling and support services from the campus by contacting the Counseling Center at (315)386-7314 or Office of Diversity at (315)386-7128.

For general information on the State University of New York at Canton security procedures, see our website, Handbook, Jeanne Clery Disclosure Act, or call University Police at (315)386-7777.

More information about bias-related and bias crimes, including up-to-date statistics on bias crimes, is available from University Police at (315)386-7777.

20.4 Sexual Assault
Sexual assault is any physical sexual act or acts committed against a person's will and consent or when a person is incapable of giving active consent, incapable of appraising the nature of the conduct, or incapable of declining participation in, or communicating unwillingness to engage in, a sexual act or acts. Sexual assault is an extreme form of sexual harassment. Sexual assault includes what is commonly known as "rape," whether forcible or non-forcible, "date rape" and "acquaintance rape." Nothing contained in this definition shall be construed to limit or conflict with the sex offenses enumerated in Article 130 of the New York State Penal Law, which shall be the guiding reference in determining if alleged conduct is consistent with the definition of sexual assault.

SUNY Canton has programs in place to protect all members of the campus community from sexual assault, including programs for prevention and prosecution of these

SUNY Canton will not tolerate any act or threat of violence made in the workplace, on College property, or while in work status. No person may engage in violent conduct or make threats of violence; implied or direct, on SUNY Canton property or in connection with College business. This includes, but is not limited to:

Domestic violence is defined as a pattern of coercive tactics which can include physical, psychological, sexual, economic and emotional abuse perpetrated by one person against an adult intimate partner, with the goal of establishing and maintaining power and control over the victim.

• Threatening to hurt you, your children or someone close to you?
• Constantly putting you down or telling you that you are worthless?
• Stalking, checking up on you or following you?
• Making you afraid?

Possible Indicators

• Marital or Family Problems
• Alcohol or Other Addictions
• Depression, Suicidal Thoughts or Attempts
• Absenteeism, Lateness, and Leaving Work Early
• Changes in Job Performance

Any person (faculty, staff or student) with an existing Order of Protection should provide University Police Department with a copy.

Upon request, the Chief of University Police or designee, will assist in developing a personal domestic violence safety plan which may include:

• Procedures for alerting University Police personnel

20.7 Sexual Violence Response Policy

The State University of New York and SUNY Canton are committed to providing options, support, and assistance to victims/survivors of sexual assault, domestic violence, dating violence, and/or stalking to ensure that they can continue to participate in College/University-wide campus programs, activities and employment. All victims/survivors of these crimes and violations, regardless of race, color, national origin, religion, creed, age, disability, sex, gender identity or expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction, have the following rights, regardless of whether the crime or violation occurs on campus, off campus, or while studying abroad.

All students have the right to:

- Make a report to local law enforcement and/or state police;
- Have disclosures of domestic violence, dating violence, stalking, and sexual assault treated seriously;
- Make a decision about whether or not to disclose a crime or violation and participate in the judicial or conduct process and/or criminal justice process free from pressure from the institution;
- Participate in a process that is fair, impartial, and provides adequate notice and a meaningful opportunity to be heard;

- Confidently or anonymously disclose a crime or violation (for detailed information on confidentiality and privacy, see the Sexual Violence Response Policy, below);
- Make a report to:
  - An employee with the authority to address complaints, including the Title IX Coordinator, a Student Conduct employee, or a Human Resources employee;
  - University Police;
  - Local Law Enforcement; and/or Family Court or Civil Court.

Copies of this Bill of Rights shall be distributed annually to students, made available on every college website, and posted in each residence hall, dining hall, and campus center, and shall include a link or information to access the sexual violence response policy below and the options for confidentially disclosing sexual violence.

Options for Confidentially Disclosing Sexual Violence

The State University of New York and SUNY Canton want you to get the information and support you need regardless of whether you would like to move forward with a report of sexual violence to campus officials or to police. You may want to talk to someone about something you observed or experienced, even if you are not sure that the behavior constitutes sexual violence. A conversation where questions can be answered is far superior to keeping something to yourself. Confidentiality varies, and this document is aimed at helping you understand how confidentiality applies to different resources that may be available to you.

In this Policy:

- Privileged and Confidential Resources
- Non-Professional Counselors and Advocates
- Privacy vs. Confidentiality
- Requesting Confidentiality: How the College will weigh the request and respond
- Public Awareness/Advocacy Events
- Anonymous Disclosure
- Institutional Crime Reporting

Privileged and Confidential Resources:

Individuals who are confidential resources will not report crimes to law enforcement or
College officials without your permission, except for extreme circumstances, such as health and/or safety emergency. At SUNY Canton, this includes:

- SUNY Canton Personal Counseling Services, Miller Campus Center 225, (315)-386-7314
- SUNY Canton Campus Ministry, Miller Campus Center 206, (315)-386-7018
- SUNY Canton Davis Health Center, Miller Campus Center 004, (315)-386-7333

Off-campus options to disclose sexual violence confidentially include (note that these outside options do not provide any information to the campus):

- Off-campus counselors and advocates. Crisis services offices will generally maintain confidentiality unless you request disclosure and sign a consent or waiver form. More information on an agency's policies on confidentiality may be obtained directly from the agency.
  - St. Lawrence Valley Renewal House, 3 Chapel Street, Canton, (315)-379-9845 responds to needs of victims of domestic violence and sexual assault in St. Lawrence County through services which empower victims and increase community awareness.
  - Reachout of St. Lawrence County, PO Box 5051, Potsdam, (315)-265-2422. Reachout is a free, confidential, non-judgmental crisis and information hotline serving residents of St. Lawrence County.
  - Check http://nysca.org/ to see if the resource provides compensation to victims/survivors of crimes or helps replace property lost or damaged during the crime.

- Off-campus healthcare providers:
  - Canton-Potsdam Hospital, 50 Leroy Street, Potsdam, (315)-265-3300
  - Claxton-Hepburn Medical Center, 214 King Street, Ogdensburg, (315)-393-3600

Note that medical office and insurance billing practices may reveal information to the insurance policy holder, including medication and/or examinations paid for or administered. The New York State Office of Victims Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency compensation. More information may be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained at http://www.ovs.ny.gov/helpforcrimevictims.html.

Note that even individuals who can typically maintain confidentiality are subject to exceptions under the law, including when an individual is a threat to themselves or others and the mandatory reporting of child abuse.

Privacy vs. Confidentiality

Even SUNY Canton offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary to investigate and/or seek a resolution and to notify the Title IX Coordinator or designee who is responsible under the law for tracking patterns and spotting systematic issues. SUNY Canton will limit the disclosure as much as possible, even if the Title IX Coordinator determines that the request for confidentiality cannot be honored.

Requesting Confidentiality: How SUNY Canton Will Weigh the Request and Respond:

If you disclose an incident to a SUNY Canton employee who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality or do not consent to the institution's request to initiate an investigation, the Title IX Coordinator must weigh your request against our obligation to provide a safe, non-discriminatory environment for all members of our community, including you.

We will assist you with academic, housing, transportation, employment, and other reasonable and available accommodations regardless of your reporting choices. While reporting individuals may request accommodations through several College offices, the following office can serve as a primary point of contact to assist with these measures: Vice President for Student Affairs/Dean of Students, Miller Campus Center 229, (315)-386-7120. We also may take proactive steps, such as training or awareness efforts, to combat sexual violence in a general way that does not identify you or the situation you disclosed.

We may seek consent from you prior to conducting an investigation. You may decline to consent to an investigation, and that determination will be honored, unless SUNY Canton's failure to act does not adequately mitigate the risk of harm to you or other members of the SUNY Canton community. Honoring your request may limit our ability to meaningfully investigate and pursue conduct action against an accused individual. If we determine that an investigation is required, we will notify you and take immediate action as necessary to protect and assist you.

When you disclose an incident to someone who is responsible for responding to or reporting sexual violence or sexual harassment, but wish to maintain confidentiality, SUNY Canton will consider many factors to determine whether to proceed despite that request. These factors include, but are not limited to:

- Whether the accused has a history of violent behavior or is a repeat offender;
- Whether the incident represents escalation, such as a situation that previously involved sustained stalking;
- The increased risk that the accused will commit additional acts of violence;
- Whether the accused used a weapon or force;
- Whether the reporting individual is a minor; and
- Whether we possess other means to obtain evidence such as security footage, and whether the report reveals a pattern of perpetration at a given location or by a particular group.

If the College determines that it must move forward with an investigation, the reporting individual or victim/survivor will be notified and SUNY Canton will take immediate action as necessary to protect and assist them.

Public Awareness/Advocacy Events:

If you disclose a situation through a public awareness event such as “Take Back the Night,” candlelight vigils, protests, or other public event, the College is not obligated to begin an investigation. SUNY Canton may use the information you provide to inform the need for additional education and prevention efforts.

Anonymous Disclosure:

To make an anonymous report you can do so at:

New York State Hotline for Sexual Assault and Domestic Violence: 1-800-942-6906. The hotline is for crisis intervention, resources and referrals and is not a reporting mechanism.

Institutional Crime Reporting:

Reports of certain crimes occurring in certain geographic locations will be included in the College’s Jeanne Clery Act Annual Security Report in an anonymized manner that neither identifies the specifics of the crime nor the identity of the victim/survivor.

- Amanda Deckert, Sr. HR/Title IX Coordinator, French Hall Administration Suite, 315-386-7688, (315)-386-7120
SUNY Canton is obligated to issue timely warnings of Clery Act crimes occurring within relevant geography that represent a serious or continuing threat to students and employees (subject to exceptions when potentially compromising law enforcement efforts and when the warning itself could potentially identify the reporting individual or victim/survivor.) A reporting individual will never be identified in a timely warning.

The Family Educational Rights and Privacy Act allows institutions to share information with parents when (1) there is a health or safety emergency, or (2) when the student is a dependent on either parents’ prior year federal income tax return. Generally, SUNY Canton will not share information about a report of sexual violence with parents without the permission of the reporting individual.

Sexual Violence Response Policy

In accordance with the Students’ Bill of Rights, reporting individuals shall have the right to pursue more than one of the options below at the same time, or to choose not to participate in any of the options below:

Reporting:

- To disclose confidentially the incident to one of the following College officials, who by law maintain confidentiality, and can assist in obtaining services (more information on confidential reporting is available in the Options for Confidentially Disclosing Sexual Violence Policy):
  - Anonymously via an internet- or telephone- anonymous reporting system (http://www.canton.edu/bit/reporting.html);
  - Personal Counseling Center, Miller Campus Center 225, (315)-386-7314; and

- To disclose confidentially the incident and obtain services from the New York State, New York City or County hotlines: http://www.opdv.ny.gov/help/dvhotlines.html.

and assistance options are catalogued by the Office for the Prevention of Domestic Violence and presented in several languages: http://www.opdv.ny.gov/help/index.html (or by calling 1-800-942-6906), and assistance can also be obtained through:

- SurvJustice: http://survjustice.org/our-services/civil-rights-complaints/;

- Safe Horizons: http://www.safehorizon.org/.

Note that these hotlines are for crisis intervention, resources, and referrals, and are not reporting mechanisms, meaning that disclosure on a call to a hotline does not provide any information to the campus. Reporting individuals are encouraged to additionally contact a campus confidential or private resource so that the campus can take appropriate action in these cases:

- To disclose the incident to one of the following College officials who can offer privacy and can provide information about remedies, accommodations, evidence preservation, and how to obtain resources. Those officials will also provide the information contained in the Student’s Bill of Rights, including the right to choose when and where to report, to be protected by the institution from retaliation, and to receive assistance and resources from the institution. These College officials will disclose that they are private and not confidential resources, and they may still be required by law and College policy to inform one or more College officials about the incident, including but not limited to the Title IX Coordinator. They will notify reporting individuals that the criminal justice process uses different standard of proof and evidence than internal procedures, and questions about the penal law or the criminal process should be directed to law enforcement or district attorney:
  - Amanda Deckert, Sr. HR/Title IX Coordinator, French Hall Administration Suite, 315-386-7688, (315)-386-7120
  - Courtney Bish, Vice President for Student Affairs/Dean of Students, Miller Campus Center 229, (315)-386-7120
  - Farren Lobdell, NCC, Director of Wellness Programs/Deputy Title IX Coordinator, 315-386-7958, MCC 134, or e-mail title9@canton.edu.

You are encouraged to let hospital personnel know if you do not want your insurance policyholder to be notified about your access to these services. The New York State Office of Victim Services may be able to assist in compensating victims/survivors for health care and counseling services, including emergency funds. More information can be found here: http://www.ovs.ny.gov/files/ovs_rights_of_cv_booklet.pdf, or by calling 1-800-247-8035. Options are explained here: http://www.ovs.ny.gov/helpforcrimevictims.html;

- To obtain reasonable and available interim measures and accommodations that effect a change in academic, housing, employment, transportation, or other applicable arrangements in order to ensure safety, prevent retaliation, and avoid an ongoing hostile environment. Parties may request a prompt review of the need for and terms of any interim measures and accommodations that directly affect them. While reporting individuals may request accommodations through any of the offices referenced in this policy, the following office can serve as a point to assist with these measures:
  - Courtney Bish, Vice President for Student Affairs/Dean of Students, Miller Campus Center 229, (315)-386-7120

Student Conduct Process:
- To request that student conduct charges be filed against the accused. Conduct proceedings are governed by the procedures set forth in the SUNY Canton Student Handbook (http://www.canton.edu/student_affairs/pdf/handbook.pdf) as well as federal and New York State law, including the due process provisions of the United States and New York State Constitutions.
Throughout conduct proceedings, the respondent and the reporting individual will have:

- The same opportunity to be accompanied by an advisor of their choice who may assist and advise the parties throughout the conduct process and any related hearings or meetings. Participation of the advisor in any proceeding is governed by federal law and the Student Code of Conduct.
- The right to a prompt response to any complaint and to have their complaint investigated and adjudicated in an impartial, timely, and thorough manner by individuals who receive annual training in conducting investigations of sexual violence, the effects of trauma, impartiality, the rights of the respondent, including the right to a presumption that the respondent is “not responsible” until a finding of responsibility is made, and other issues related to sexual assault, domestic violence, dating violence and stalking.
- The right to an investigation and process conducted in a manner that recognizes the legal and policy requirements of due process (including fairness, impartiality, and a meaningful opportunity to be heard) and is not conducted by individuals with a conflict of interest.
- The right to receive advance written or electronic notice of the date, time, and location of any meeting or hearing they are required to or are eligible to attend. Accused individuals will also be told the factual allegations concerning the violation, a reference to the specific code of conduct provisions alleged to have been violated, and possible sanctions.
- The right to have a conduct process run concurrently with a criminal justice investigation and proceeding, except for temporary delays as requested by external municipal entities while law enforcement gathers evidence. Temporary delays should not last more than 10 days except when law enforcement specifically requests and justifies a longer delay;
- The right to offer evidence during an investigation and to review available relevant evidence in the case file (or otherwise held by SUNY Canton);
- The right to present evidence and testimony at a hearing, where appropriate;
- The right to a range of options for providing testimony via alternative arrangements, including telephone/videoconferencing or testifying with a room partition;
- The right to exclude prior sexual history with persons other than the party in the conduct process or their own mental health diagnosis or treatment from admittance in College disciplinary stage that determines responsibility. Past findings of domestic violence, dating violence, stalking, or sexual assault may be admissible in the disciplinary stage that determines sanction;
- The right to ask questions of the decision maker and via the decision maker indirectly request responses from other parties and other witnesses present;
- The right to make an impact statement during the point of the proceeding where the decision maker is deliberating on appropriate sanctions;
- The right to simultaneous (among the parties) written or electronic notification of the outcome of a conduct proceeding, including the decision, any sanction(s), and the rationale for the decision of any sanctions;
- The right to written or electronic notice about the sanction(s) that may be imposed on the accused based upon the outcome of the conduct proceeding. For students found responsible for sexual assault, the available sanctions are suspension with additional requirements and expulsion/dismissal;
- Access to at least one level of appeal of a determination before a panel, which may include one or more students, that is fair and impartial and does not include individuals with a conflict of interest;
- The right to have access to a full and fair record of a student conduct hearing, which shall be preserved and maintained for at least five years in the office of:

20.8 Sexual Misconduct Policy

SUNY Canton is committed to creating and maintaining an educational environment free from all forms of sex discrimination, including sexual misconduct. Any act involving sexual harassment, violence, coercion, and intimidation will not be tolerated. Specifically, SUNY strictly prohibits the offenses of domestic violence, dating violence, sexual assault, and stalking. These acts have a real impact on the lives of victims. They not only violate a person’s feelings of trust and safety, but they can also substantially interfere with a student’s education. It is the policy of SUNY Canton that, upon learning that an act of sexual misconduct has taken place, immediate action will be taken to address the situation and punish the perpetrator. This includes working with State and local law enforcement to bring possible criminal charges, seeking disciplinary action through the College/university, and enforcing mandatory transcript notifications so other institutions are on notice of the offense committed.

SUNY Canton encourages the reporting of sexual misconduct that is prompt and accurate. This allows the College/university community to quickly respond to allegations and offer immediate support to the victim. SUNY Canton is committed to protecting the confidentiality of victims, and will work closely with students who wish to obtain confidential assistance regarding an incident of sexual misconduct. All allegations will be investigated promptly and thoroughly, and both the victim and the accused will be afforded equitable rights during the investigative process.

It is the collective responsibility of all members of the SUNY Canton community to foster a safe and secure campus environment. In an effort to promote this environment and prevent acts of sexual misconduct from occurring, the College/university engages in...
ongoing prevention and awareness education programs. All incoming students (and employees) are required to participate in these programs, and all members of the College/university community are encouraged to participate throughout the year in ongoing campaigns and trainings focused on the prevention of sexual misconduct on campus.

Scope

Who: This policy applies to all members of the SUNY Canton community, including students, faculty, staff, visitors, independent contractors, and other third parties who are on campus and involved in an incident of sexual misconduct (this can be someone who witnessed an incident or who wishes to report an incident on behalf of another). The policy applies to these parties regardless of sexual orientation or gender identity.

What: This policy prohibits all forms of sexual misconduct. This broad term includes, but is not limited to, acts of sexual harassment, sexual violence, sexual coercion, sexual threats or intimidation, domestic violence, dating violence, sexual assault, stalking, and cyber-stalking. Please refer to the Definitions section for a complete list of terms and prohibited acts.

Where: This policy covers conduct that takes place on the College/university campus. This includes any building or property owned or controlled by SUNY Canton and used in direct support of, or in a manner related to, the school’s educational purposes, including residence halls, dining halls, and public property within or immediately adjacent to and accessible from campus. This also includes any building or property owned or controlled by a student organization that is officially recognized by the College/university and any building or property not within the same reasonably contiguous geographic area of the college/university that supports or relates to the school’s educational purposes and is frequently used by students. This policy also covers conduct that takes place off-campus that may have a nexus to the College/university community.

Programs: This policy covers all educational, extracurricular, athletic, or other campus programs.

Activities: This policy covers all campus and school-related activities, including, but not limited to, student organizations (academic, Greek, multicultural, religious, service, social and support, sports and recreational), community organizations with student (and/or faculty) participation, and all other educational or extracurricular events hosted by or at the College/university.

Relationships: This policy covers sexual misconduct occurring between individuals in various types of relationships. These include, but are not limited to, student to student, staff to staff, faculty member to faculty member, visitor/contracted employee to faculty/staff, faculty member to student, staff to student, supervisor to subordinate, and coach to student athlete. Sexual misconduct may be acts committed by an individual or collective actions committed by members of a group or organization. These acts may be committed against an individual or against a group or organization. These acts may be committed by a stranger, an acquaintance, or someone with whom the victim has a social, romantic, or intimate relationship. These acts may be committed by or against any individual, regardless of sexual orientation or gender identity.

Confidentiality: The College/university is committed to maintaining the privacy of all individuals involved in a report of sexual misconduct. While the College/university encourages victims to report an incident of sexual misconduct, there are many options available for students to speak with someone about what happened while maintaining confidentiality. Please see the appropriate section of the Handbook (depending on the type of sexual misconduct) for resources available for support and reporting procedures, including confidentiality.

20.9 Campus Climate Assessment Policy

Climate assessments afford institutions the opportunity to better understand their campus and to make informed decisions when it comes to providing a safe educational environment. Beginning in the 2015-2016 academic year, each State University of New York State-operated and community college will conduct a uniform climate survey that ascertains student experience with and knowledge of reporting and college adjudicatory processes for sexual harassment, including sexual violence, and other related crimes.

The survey will address at least the following:

Student and employee knowledge about:

- The Title IX Coordinator’s role;
- Campus policies and procedures addressing sexual assault;
- How and where to report sexual violence as a victim/survivor or witness;
- The availability of resources on and off campus, such as counseling, health, academic assistance;
- The prevalence of victimization and perpetration of sexual assault, domestic violence, dating violence, and stalking on and off campus during a set time period (for example, the last two years);
- Bystander attitudes and behavior;
- Whether victims/survivors reported to the College/University and/or police, and reasons why they did or did not report;
- The general awareness of the difference, if any, between the institution’s policies and the penal law; and
- The general awareness of the definition of affirmative consent.

Every institution shall take steps to ensure that answers remain anonymous and that no individual is identified. Results will be published on the campus website providing no personally identifiable information shall be shared.

The Chancellor or designee will convene a group of scholars and practitioners to review methods of assessing campus climate, specific questions asked in past surveys, relevant data on responses and response rates, issues and problems encountered in survey implementation, and lessons learned from past surveys. The Chancellor or designee will gather this data and seek to develop a standardized survey, with the advice of relevant members of the SUNY community and knowledgeable outside entities, that uses established measurement tools, to be implemented every two years by all SUNY State-operated and community colleges beginning in the 2015-2016 academic year. This policy may be changed by the Chancellor or designee should federal and/or State legislation require a different process or duplicate efforts to assess campus climate via survey.

20.10 Student Onboarding and Ongoing Education Guide

The State University of New York and its State-operated and community colleges believe that sexual violence prevention training and education cannot be accomplished via a single day or a single method of training. To that end, SUNY campuses will continue to educate all new and current students using a variety of best practices aimed at educating the entire College community in a way that decreases violence and maintains a culture where sexual assault and acts of violence are not tolerated.

All new first-year and transfer students will, during the course of their onboarding to a SUNY State-operated or community college, receive training on the following topics, using a method and manner appropriate to the institutional culture of each campus:

- The institution prohibits sexual harassment, including sexual violence, domes-
tic violence, dating violence, stalking, other violence or threats of violence, and will offer resources to any victims/survivors of such violence while taking administrative and conduct action regarding any accused individual within the jurisdiction of the institution.

- Relevant definitions including, but are not limited to, the definitions of sexual violence and consent.
- Policies apply equally to all students regardless of sexual orientation, gender identity, or gender expression.
- The role of the Title IX Coordinator, University Police and other relevant offices that address violence prevention and response.
- Awareness of violence, its impact on victims/survivors and their friends and family, and its long-term impact.
- The Students’ Bill of Rights and Sexual Violence Response Policy, including:
  - How to report sexual violence and other crimes confidentially; and/or to College officials, campus law enforcement and local law enforcement;
  - How to obtain services and support.
- Bystander intervention and the importance of taking action, when one can safely do so, to prevent violence.
- The protection of the Policy for Alcohol and/or Drug Use Amnesty in Sexual and Interpersonal Violence Cases.
- Risk assessment and reduction including, but not limited to, steps that potential victims/survivors and potential assailants and bystanders to violence can take to lower the incidence of sexual violence.
- Consequences and sanctions for individuals who commit these crimes.

The onboarding process is not limited to a single day of orientation, but recognizes that students enroll at different times at different SUNY campuses and gives campuses the flexibility to best educate students at a time and manner that can most effectively bring these points to light. SUNY will conduct these trainings for all new students, whether first-year or transfer, undergraduate, graduate, or professional. Each campus shall use multiple methods to educate students about sexual violence prevention. Each SUNY institution will also share information on sexual violence prevention with parents of enrolling students.

Students at SUNY State-operated and community college campuses shall be offered general and specialized training in sexual violence prevention. Each institution will conduct a campaign, compliant with the requirements of the Violence Against Women Act, to educate the student population. Further, institutions will, as appropriate, provide or expand specific training to include groups such as international students, students who are also employees of the campus, leaders and officers of registered/recognized student organizations, online and distance education students. Institutions will also provide specific training to members of groups identified as likely to engage in high-risk behavior.

Beginning in the 2015-2016 academic year, SUNY State-operated and community colleges will require that student leaders and officers of registered/recognized student organizations and those seeking recognition complete training on domestic violence, dating violence, sexual assault, or stalking prevention as part of the approval process and require student-athletes to complete training in domestic violence, dating violence, sexual assault, or stalking prior to participating in intercollegiate athletics.

Methods of training and educating students may include, but are not limited to:
- President’s welcome messaging;
- Peer theater and peer educational programs;
- Online training;
- Social media outreach;
- First-year seminars and transitional courses;
- Course syllabi;
- Faculty teach-ins;
- Institution-wide reading programs;
- Posters, bulletin boards, and other targeted print and email materials;
- Programming surrounding large recurring campus events;
- Partnering with neighboring SUNY and non-SUNY colleges to offer training and education;
- Partnering with State and local community organizations that provide outreach, support, crisis intervention, counseling and other resources to victims/survivors of crimes to offer training and education. Partnerships can also be used to educate community organizations about the resources and remedies available on campus for students and employees seeking services; and
- Outreach and partnering with local business that attract students to advertise and educate about these policies.

Each SUNY campus reported back to the Chancellor on or before March 31, 2015, on their plan to comply with this policy. Each institution must engage in a regular assessment of their programming and policies to determine effectiveness. The institution may either assess its own programming or conduct a review of other campus programming and published studies to adapt its programming to ensure effectiveness and relevance to students.

**Bystander Intervention and Amnesty Policy**

**How to Help as a Bystander**

The College/university expects all members of the campus community to take reasonable and prudent actions to prevent or stop an act of violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault. Educating and engaging bystanders are effective ways to help prevent acts of violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault. Bystanders can help in several different ways, including direct intervention, seeking assistance from an authority figure, notifying University Police, or calling State or local law enforcement. If you see an act of violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault, it is important to understand that no individual has the right to be violent, even if two people are in a relationship. Recognizing when acts of domestic violence, dating violence, stalking, or sexual assault are occurring is the first step to intervening. Required campus education and training programs give a full synopsis on recognizing when domestic violence, dating violence, stalking, or sexual assault is taking place. If you make the decision to intervene, do so safely—violence does not stop violence, and, if you cannot stop the act with your words, call law enforcement.

Do not be afraid to ask an RA, RD, or other students for help.

If a victim confides in you: It is important to listen to the victim tell their story. Listen respectfully, and help them explain and identify what has happened to them. Help the victim identify others in their network who they can confide in. Ask the victim what they need to feel safe, encourage them to seek medical attention and counseling, and encourage them to report the act if they feel comfortable doing so.
Amnesty Policy

SUNY Canton’s Amnesty Policy supports students who reach out for assistance in the case of a medical emergency, as well as supports the student who is helped. Therefore, a student or student organization seeking medical treatment for themselves, or for any other student who is in immediate medical need, or any student who is the recipient of this emergency medical help, will not be subject to disciplinary sanctions related to the violation of using or possessing alcohol or other drugs, as defined in Community Rights and Responsibilities (Prohibited Conduct Drugs and Alcohol). This policy applies to emergencies both on and off campus.

The health and safety of every student at the State University of New York and its State-operated and community colleges is of utmost importance. SUNY Canton recognizes that students who have been drinking and/or using drugs (whether such use is voluntary or involuntary) at the time of violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault incident occurs may be hesitant to report such incidents due to fear of potential consequences for their own conduct. SUNY Canton strongly encourages students to report incidents of violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault to campus officials. A bystander reporting in good faith or a victim/survivor reporting violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault to SUNY Canton officials or law enforcement will not be subject to campus conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the violence, including but not limited to domestic violence, dating violence, stalking, or sexual assault.

Purpose:

At SUNY Canton, the health and safety of every student is of primary importance and all students are strongly encouraged to be empowered bystanders who respond in a potentially dangerous situation without fear of reprisal from SUNY Canton. SUNY Canton’s Amnesty Policy supports students who act responsibly by reaching out for assistance in the case of a medical emergency, as well as supports the student who is helped.

Application of the Policy:

A student is eligible to use the Amnesty Policy on more than one occasion and students are always strongly encouraged to report a medical emergency. The positive impact of reporting a medical emergency will always hold the highest priority when determining the appropriate response for University policy violations.

Repeated use of the amnesty provided by the Policy is cause for a higher level of concern for the well-being of the student and amnesty in these cases will be individually reviewed.

Parental Notification:

Because parents are vital partners in the educational process and because the student can be best supported from home, SUNY Canton typically contacts parents of students under 21 years of age in instances where there is evidence of risk to health, welfare or safety. In addition, SUNY Canton may record names of those students involved to enable SUNY Canton to follow up with the students as deemed necessary to ensure a student’s well-being.

Mandatory Intervention Program:

A student who receives medical assistance for alcohol use under the Amnesty Policy will be referred by The Vice President for Student Affairs/Dean of Students or their representative to a mandatory intervention program, such as the Decision Making Course at the SUNY Canton Counseling Center. Additionally, a student who qualifies for the Amnesty Policy by calling for medical assistance for another student may be referred to this program at the discretion of The Vice President for Student Affairs/Dean of Students.

Frequently Asked Questions

Q. What if I am underage and drunk when I call for help for a friend?
A. In this situation, emergency personnel will be mainly concerned with the person who needs the most help. Make sure to stay with your friend until help arrives. Emergency personnel might want to ask you a few questions about how much the sick person had to drink or if they mixed the alcohol with any other drugs, for example. This information will be critical to helping your friend. In such a case, SUNY Canton will not refer you or the person you called for an alcohol violation.

Q. Will my name be recorded if I call for help for my friend?
A. In most situations, if you are level-headed enough to call for help and you are not showing signs of alcohol or other drug overdose, emergency personnel will thank you for your assistance and simply help your friend.

Q. How will anyone know I was the person who called for help?
A. In most cases, a professional staff member from Residence Life or the Vice President for Student Affairs/Dean of Students Office will know that you called for help. If they do not know, you can simply inform them of your role in helping your friend or yourself.

Q. Does the Amnesty Policy apply if I call for help for myself?
A. Yes

Q. Does SUNY Canton contact my parents if I am transported to the hospital?
A. SUNY Canton does not automatically contact your parents when you are transported to the hospital. However, your parents may eventually be notified by mail if you are under 21 and had a hospital transport for alcohol or drug use.

Q. What happens if I am transported to the hospital for the second time – does the Amnesty Policy apply?
A. While the main concern is the health and safety of every student, a pattern of behavior for hospital transports will require a staff member to review the situation and follow up using professional judgment for each individual situation.

Q. What should I do if a friend is showing signs of alcohol poisoning or overdose?
A. Remember to Check, Call and Care. Alcohol overdose can be scary, but getting help is not.

CHECK: Watch out for your friends throughout the night. Encourage healthy choices. If someone you know has consumed too much alcohol, check for signs of overdose. Go to https://www.mayoclinic.org/diseases-conditions/alcohol-poisoning/symptoms-causes/syc-20354386 for a list of signs of possible alcohol poisoning or overdose.

CALL: If you discover any one of the above problems, call for medical help immediately. Call 911 or dial 315-386-7777 from any cell phone. The above indicators of alcohol overdose are very serious and time is of the essence.

CARE: Continually talk to the person and monitor their skin color, temperature and breathing. Turn and keep the person on their left side as this will help to keep the person from choking should they vomit. Wait with your friend until help arrives; never leave a sick friend alone.

Prevention Education & Awareness Programs/Trainings

The College has educational programs to promote the awareness of rape, acquaintance rape, dating violence, domestic violence, sexual assault, and stalking. These educational programs include primary prevention and awareness programs for all incoming students and new employees. These educational programs will include: a statement that these crimes are prohibited at the College; definitions of consent, domestic violence, dating violence, sexual assault, and stalking in the College’s jurisdiction; safe and positive bystander intervention when there's a risk of one of those incidents; information on risk reduction to recognize warning signs of abusive behavior and avoiding potential attacks; and information about the institutional disciplinary procedures. The various programs and trainings offered by the College/university are described below:

1. Prevention Programs: These are programs to prevent dating violence, domestic violence, sexual assault, and stalking. The programs are culturally relevant, inclusive of diverse communities and identities, sustainable, responsive to community needs, and informed by research or assessed for value, effectiveness, or outcome. They also consider environmental risk and protective factors as they occur on the individual, relationship, institutional, community, and societal levels.

   • Specifically, SUNY Canton provides training to all student leaders, Resident Assistants, social Greek organizations, student-athletes, and employees of the College. Anyone wishing to have a prevention program training should contact the Title IX Coordinator for more information.

2. Awareness Programs: These are community-wide or audience-specific programming initiatives and strategies that increase audience knowledge and share information and resources to prevent violence, promote safety, and reduce perpetration.

   • Specifically, SUNY Canton provides awareness programs to all student leaders, Resident Assistants, social Greek organizations, student-athletes, and employees of the College. Anyone wishing to have an awareness program training should contact the Title IX Coordinator for more information.

3. Bystander Intervention: These programs and trainings offer safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. They include recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

   • Specifically, SUNY Canton, the Vice President for Student Affairs/Dean of Students Office, in concert with the CARES Program, hosts informational sessions throughout the year on bystander intervention.

4. Ongoing Prevention & Awareness Campaigns: These include programming initiatives and strategies that are sustained over time and focus on increasing understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual assault, and stalking, using a range of strategies with audiences throughout the College/university and including information provided in campus educational programs.

   • Specifically, at SUNY Canton, our Davis Health Center and Counseling Center collaborate with the Title IX Coordinator and Vice President for Student Affairs/Dean of Students Office to provide prevention and awareness to the campus community.

5. Primary Prevention Programs: These include programming initiatives and strategies informed by research or assessed for value, effectiveness, or outcome that are intended to stop dating violence, domestic violence, sexual assault, and stalking before they occur through the promotion of positive and healthy behaviors that foster healthy, mutually respectful relationships and sexuality, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

   • Specifically, at SUNY Canton our Counseling and Health Centers provide programming in the residence halls and campus-wide to assist in primary prevention skills.

6. Risk Reduction Programs: These programs present options designed to decrease perpetration and bystander inaction, and to increase empowerment for victims in order to promote safety and to help individuals and communities address conditions that facilitate violence.

   • Specifically, at SUNY Canton our Counseling and Health Centers provide risk reduction programming campus-wide and in the residence halls throughout the year.
21.0 Electronic Surveillance

SUNY Canton utilizes electronic surveillance to enhance crime prevention, assist in law enforcement and enhance campus security and personal safety. SUNY Canton respects the privacy of the campus community members. Cameras are not a guarantee of safety, but a tool that assists University Police. Cameras may help to protect campus community members from dangers by serving as a deterrent and expediting investigations. Cameras are not monitored continuously by University Police or professional staff. Any person who tampers with or destroys a video surveillance camera, date or any part of the video surveillance system may be prosecuted in the criminal justice system as well as on campus (for full policy see Campus Policy & Procedure Manual).

22.0 Financial Aid: Academic Eligibility

22.1 Satisfactory Progress

Federal Aid

(Federal Stafford Loans, Parent Loans, Work-Study, Pell Grant, Seog Grants)

Students receiving financial aid are required to maintain minimum program pursuit and academic progress standards in order to continue to receive assistance. Use the chart below for your degree program to determine your minimum requirements. (Transfer credits will be considered to determine placement on the chart)

Additionally, students are required to complete their degree with 150% of a normal timeframe. Attempted hours will vary with required program lengths, see examples below.

Example 1: For a 60 credit-hour degree program, you must complete it with 90 attempted hours. (90 attempted Credit Hours/60 Passed Credit Hours = 150%)  
Example 2: The Nursing Associate Degree requires 65 credit hours. 65 Passed Credit Hours x 1.5 (150%) = 98 credit hours may be attempted.

Total attempted credit hours for this purpose include withdrawn courses and transfer credits. Total attempted hours will be used regardless of any program changes that have occurred (switching majors, etc.). Grades of “W” count towards total attempted hours. Repeated courses that were previously passed count only once. Remedial courses that are not credit-bearing do count in the total attempted hours but not in total earned hours.

Courses enrolled in each semester must be applicable to the students’ current degree program.

Failure to Meet Minimum Standards (Please be aware that these are not the same as Academic Recovery & Suspensions given out by the Dean’s Office.)

Step 1 – Financial Aid Warning

A student who does not meet the required minimum standards will automatically be given a one-time warning semester. This gives the student an opportunity to correct any deficiencies without losing federal aid eligibility. If a student withdraws from college, they have not met academic progress requirements.

Step 2 – Financial Aid Termination

A student who fails a second time to meet the minimum standards will lose all federal aid eligibility. Eligibility can only be regained once they are again meeting the minimum standards. NOTE: If all courses taken while on warning are successfully passed with a 2.0 or better, you can continue on warning.

Waiver Requests

If failure to meet standards is due to extenuating circumstances beyond a student’s control, they may apply for a one-time waiver. All waiver applications must include documentation that shows the extenuating circumstances that caused you to not meet academic progress standards and how the situation has been resolved to the point that it should not reoccur. The application and documentation will be reviewed by the Financial Aid Director. Approval is not guaranteed. If approved, the student will be given an academic plan to maintain eligibility.

An Academic Suspension from the Dean’s Office overrides this eligibility criteria. Suspended students are ineligible for all financial aid.

Questions should be directed to the One Hop Shop.

New York State Aid (TAP Grant, SUSTA Grant, APTS Grant)

Students receiving financial aid are required to maintain minimum program pursuit and academic progress standards in order to continue to receive assistance. Use the chart below to determine your minimum requirements. Note: Eligibility for all EOP funds is determined separately by the EOP Office.

• If you received TAP at another college, be sure to include that in the number of semesters you have received TAP.
**STUDENT LIFE**

• To calculate the percentage of credits you have completed, divide total semester attempted credits by total earned credits.

**Certificate/Associate Degree Programs (Remedial Students*)**

*Remedial Students are EOP Students or any student required to take at least 2 remedial courses with the first two semesters.

**WAIVER REQUESTS**

If failure to meet standards is due to extenuating circumstances beyond a student's control, they may apply for a one-time waiver. All waiver applications must include documentation that shows the extenuating circumstances that caused you to not meet academic progress standards and how the situation has been resolved to the point it should not reoccur. The application and documentation will be reviewed by the Financial Aid Director. Approval is not guaranteed. If approved, the student will be given an academic plan to maintain eligibility.

**Important things to keep in mind**

- Grades of “W” count towards total attempted hours.
- Remedial courses that are not credit-bearing will not count in the total earned hours.
- Repeated courses that were previously passed do not count as additional passed or earned hours for the semester.
- Courses enrolled in each semester must be applicable to the students’ current degree program.
- Repeating any course in which a passing grade has already been received (D or above) will not count toward full-time status, unless the College Catalog states a higher grade is required for the current curriculum.

An Academic Suspension from the Dean's Office overrides this eligibility criteria. Suspended students are ineligible for all financial aid. Questions should be directed to the One Hop Shop.

**22.2 Financial Aid Processing**

*Application Process:* The FAFSA will be available on October 1st, for the next academic year and will use income information from the tax year two years prior. So for the 2020-21 award year you will use 2018 income to complete the FAFSA. You may use the IRS Data Retrieval process to link to the IRS database for the income information needed while completing the FAFSA.

*Deadline:* The preferred deadline for filing the FAFSA for the next academic year is January 1st and the priority deadline is
March 1st. Certain Federal funds (College Work Study, and SEOG grants) are awarded on a first-come, first-served basis to eligible students who file by this deadline. Late filers must have their financial aid processed before their tuition bill is due for fall semester if they plan to use financial aid toward their bill. The student’s FAFSA process is not complete until all requirements are finished. The student can track these requirements on their UCAnWeb account. The FAFSA and NYS TAP applications are required to be completed prior to applying for the NYS Excelsior Scholarship. There will be specific deadlines for the Excelsior application for each semester.

Special Circumstances: If a student feels that they have a special circumstance that needs to be taken into consideration for financial aid eligibility, the Student Service Center may be able to recalculate their eligibility within Federal guidelines. The student may download and complete a Special Conditions Form at www.canton.edu/finaid/forms.html. If the special circumstance involves student dependency status for the FAFSA, the student may also find the Request for Independence Consideration in the same area.

Applications for special circumstances consideration must be submitted and completed prior to the end of the student’s enrollment.

Study Abroad: Enrollment in a study-abroad program approved for credit by the student’s School Dean may be considered in determining eligibility for Federal student aid.

Drug Conviction: Students convicted of possession or sale of illegal drugs for an offense that occurred while they received federal financial aid will no longer be eligible for federal aid until certain conditions are met. Please refer to the financial aid page of www.canton.edu for details.

22.3 Excelsior Scholarship

General Eligibility Requirements
- For 2019-20 and thereafter, family AGI must be less than $125,000
- Students must be NYS residents
- Students must have filed their FAFSA and NYS TAP applications
- Students must be full time and on track for a degree (more info below in academic eligibility)
- Must agree to NYS residency requirements for term of receiving scholarship

Initial Academic Eligibility

Freshmen
For this purpose a freshman is considered someone who has not ever been matriculated at a college prior to their enrollment at SUNY Canton. A freshman is eligible as long as they meet general eligibility requirements and other grants/scholarships do not exceed tuition.

Transfers
For this purpose a transfer is considered someone who has been matriculated at a prior college in the past. A transfer is eligible if they transfer in the appropriate number of credits to remain on track for graduation. (for ex. After 1 year of enrollment must transfer at least 30 credits toward new degree)

Academic Requirements to Maintain Eligibility

Full Time Status
Students must enroll for a minimum of 12 credits that are applicable to their degree program each semester. Remedial credits are NOT counted in this 12 credit requirement. An exception to this rule is that students who meet ADA eligibility may enroll part time but must complete all coursework attempted or meet the 30-credits rule during the year.

Annual Credits completed
Students must successfully complete an average of 30 credits per year toward their degree program. Students can earn 32 credits their first year and 28 their second for example but it cannot be the other way around. As soon as a student is decertified for not meeting credit hours, they lose the Excelsior Scholarship forever. Summer and Winterterm courses can assist in completing the 30 credits. A student’s year begins when they first matriculate whether here or at their prior school if a transfer. See “Exceptions to Above Rules” for additional information.

Example – student is matriculated in the Fall 2019 term. They have the Fall 19, Winterterm 19, Spring 20 and Summer 20 term to complete the 30 credit requirement. However, it is important to note that if the student’s Excelsior year starts in the Fall semester, the following summer is part of their first year and not their second. Important Note: Jumpstart students matriculate now in the Summer so their year begins with Summer and ends with the next Spring.

Maintain on track to graduate
Students must be on track to graduate in their current degree program from their first date of matriculation. If they are in a 2-year degree they must be on track to graduate in 2 years and the same for 4 year programs. Certificate programs are not eligible for Excelsior Scholarships. Changes of major can affect this greatly and students should discuss with their advisor. They must maintain being on track to graduate on time even if changing a major.

GPA Requirement
There is no GPA requirement for Excelsior. If the courses are acceptable to their program they are acceptable to Excelsior. Therefore we will be reporting completed credits when certifying awards and not GPA.

Breaks in Attendance
If there is a break in attendance the student automatically loses Excelsior and cannot regain eligibility due to not being on track to graduate any longer. If there are extenuating circumstances they can appeal this to Higher Education Services Corporation (HESC) in Albany.

Residency Requirement
They must live in NY state for the same length of time that they received the scholarship. - Ex. If they only get for one semester they need to live in NY for 4 months which can be while still in school.

Exceptions to Above Rules

EOP Students – need to enroll for 12 credits within their degree program but only need to complete average of 24 per year instead of 30.

ADA Students - Can be part time or full time but must complete all courses enrolled for. If they do not complete all coursework they must meet the 30 credit annual requirement. These students must be registered as ADA with the Office of Accessibility Services to meet this.

23.0 Fire Alarm Systems & Fire Protection Equipment

Falsely reporting a fire alarm is a Felony under the New York State Penal Law. An arrest may result when an individual initiates or circulates a false report or warning of an alleged occurrence or impending occurrence of a fire, explosion, or the release of a hazardous substance under circumstances in which it is not unlikely that public alarm or inconvenience will result. Tampering with fire protection equipment endangers the lives and safety of members of the campus community and an arrest and/or discipline by the Student Conduct Office may result.
24.0 Weapon Registration

(See Policies & Procedures Manual)

The following is the procedure for registering a firearm. All students and employees must comply with these procedures or face possible criminal action and/or disciplinary action by the College. Before the firearm is brought to the campus, the individual must supply the University Police Department with the following information about the firearm to be registered: make, serial number, caliber or gauge. If pre-registration is not possible, the firearm and ammunition must be taken directly to the University Police Department upon the individual’s arrival on campus. Ammunition must be stored with the firearm at the University Police Department upon the individual’s arrival on campus. No firearm will be stored in any university buildings or grounds not having the directly-acting participants.

SUNY Canton supports an anti-hazing pledge which is used with various students/students organizations/athletic teams, which reads:

ANTI-HAZING PLEDGE

I have read SUNY Canton’s Anti-Hazing policy, have received a copy of it to keep, and am aware of the repercussions for participating in hazing. Further, I understand the sanctions for hazing incidents on campus and understand that if I am found responsible for participating in, condoning, or otherwise creating an environment where hazing is performed or tolerated, I risk being suspended or expelled from SUNY Canton and/or my organization losing recognition with the College for a period of three years.

More importantly, I do not accept hazing. This is not what I stand for, and not what my organization stands for. My signature below indicates that I will not participate in hazing, nor condone it, nor allow it to happen in my organization. I will report hazing incidents if I become aware of them, and will support the college’s Anti-Hazing policy. I stand up against hazing.

In signing below, I am committing myself to this pledge, and understand the repercussions of violating this pledge and the Anti-Hazing policy.

25.0 Hazing

SUNY Canton prohibits the taking of any action, creating, or participating in the creation of any situation that endangers mental or physical health, endangers safety, involves the forced consumption of alcohol or drugs, or destroys or removes public or private property, for the purpose of initiation into, affiliation with, or as a condition for continued membership, in a group or organization. Individuals and/or organizations in violation of this policy are subject to disciplinary action by the appropriate disciplinary body of the College and may be subject to any applicable provision of the New York State Penal Law. Students who are present for, but do not report, the hazing of others, may be subject to disciplinary action under this policy as well. Any suspension/ expulsion from the College due to hazing will result in a notation being placed on the student’s academic transcript, loss of all academic credits for the semester of violation, and liable for all the semester’s tuition and fees.

Due to the supportive and condoning role played by “audiences” or witnesses to hazing, the College will interpret a person’s presence during hazing (even if the person is a bystander and not directly-acting) as condoning the activities and therefore, participating. The College will hold such persons collectively responsible along with the directly-acting participants.

26.0 ID Card

(See Policies & Procedures Manual)

Your ID card is your official identification as a SUNY Canton student. It serves as a meal ticket, Campus Cash, Roo Express, bookstore, housing, library, activity, vending, and fitness center access card. The card must be surrendered upon request of any member of the College Staff. The ID is NOT to be loaned or used by anyone other than the proper owner. Lost cards should be reported to College Association located in Miller Campus Center 130, phone (315)-386-7210, or online at get.cbord.com. Replacement cards can be obtained from College Association. Stolen cards should be reported to University Police and College Association. For more information go to: https://www.canton.edu/ca/id.html.

26.1 Identification Card Replacement Charge

An original identification card is provided at no charge. A $15 charge will be assessed to replace a card.

27.0 Loitering

Any person found on the SUNY Canton campus without a legitimate reason is a loiterer under section 240.35 of the New York State Penal Law which states: “A person is guilty of loitering when they loiters or remains in or about a school, college or university buildings or grounds not having any reason or relationship involving custody of or responsibility for a pupil or student or any other specific, legitimate reason for being there and not having written permission from anyone authorized to grant same.” Any person found to be a loiterer is subject to removal from the campus and prosecution under the New York State Penal Law. Any person who harbors a loiterer or conspires to do so is subject to campus disciplinary action.

28.0 Miscellaneous

28.1 Family Educational Rights and Privacy Act Of 1974

(FERPA)

The Family Educational Rights and Privacy Act permits current or former students to inspect and review their education records. Students wishing to review their records should complete the request form available in the Registrar’s Office identifying the record(s) they want to inspect. The Registrar will make arrangements for access within 45 days of the request and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the student will be advised to whom the request should be addressed.

Students are also accorded a right to challenge the contents of their educational records to insure that the records are not inaccurate, misleading or in violation of rights to privacy or other rights. In order to request the College to amend a record that they believes is inaccurate or misleading, a student should complete the request form available in the Registrar’s Office, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise
the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The Act also provides the right to withhold the release of personal information except as provided by law and College policy. SUNY Canton may disclose those items designated as directory information from a student’s education record unless directed otherwise by the student in writing. SUNY Canton has designated directory information to include: student’s full name, local address and telephone number, campus e-mail address, home address and home telephone number, date of birth, major field of study, dates of attendance, degrees and awards received, date(s) of graduation, participation in officially recognized sports and activities, and the most recent previous educational institution attended.

Students have the right to restrict the disclosure of the items designated as directory information. If students exercise this right, such information will not be released without their written consent except as provided by law and College policy. Non-directory information such as grades, GPA and student ID number are not released for any student, except directly to the student, without express written consent. Students wishing to restrict the release of the items identified as directory information must notify the Office of the Registrar in writing by the first Friday of the academic term in which the information is not to be disclosed. Such restriction will remain in effect unless rescinded in writing by the student. Students should be aware that restricting the release of directory information will prevent the College from providing enrollment and graduation information to prospective employers, insurance companies, and lenders without written authorization. It will also prevent inclusion in any news releases of the Deans’ List or other honors, as well as graduation lists for publication.

An exception permitting disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position (including law enforcement unit and personal health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or college agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

A student may choose to waive their FERPA rights and allow academic information to be shared with persons of their choice by assigning a proxy(ies) in UCanWeb. This allows SUNY Canton to share academic information from the student’s educational records with the person(s) the student assigns as a proxy. The proxy must provide the student’s SUNY Canton ID and the correct password. This access is available through UCanWeb under the miscellaneous Student Requirements tab.

Inquiries or complaints may be filed with the Family Educational Rights and Privacy Act Office, Department of Health, Education and Welfare, 400 Maryland Avenue, S.W., Washington, D.C. 20202-4605.

Copies of the Family Educational Rights and Privacy Act are available at the Office of Student Affairs, Miller Campus Center 229, and the Office of the Registrar, Miller Campus Center 012.

28.2 Campus Crime Reporting and Statistics

SUNY Canton’s crime statistics filed with the United States Department of Education can be located in the Jeanne Clery Act at http://www.canton.edu/clery_act. The Advisory Committee on Campus Security will provide upon request all campus crime statistics as reported to the United States Department of Education. You can obtain a copy of these statistics by contacting the University Police Department at (315) 386-7777. The United States Department of Education website is http://ope.ed.gov/security/index.asp.

29.0 Off-Campus Addresses

All students living off campus are required to notify the College of their off-campus addresses and phone numbers by September 15 of the Fall semester or February 15 of the Spring semester or immediately thereafter following any moves. Failure to abide by this regulation will result in holds being placed on a student’s account, and the holds will not be removed until the student is in compliance. Addresses should be provided to the Residence Life Office at the time a housing release request is submitted or provided to the Registrar’s Office if the address change takes place after the release request has been submitted.

30.0 Animals On Campus

(See Policies & Procedures Manual)

30.1 In Buildings

Pets are permitted only in The Pet Wing(s) as stated in the Residence Hall License and those areas approved for educational purposes (e.g., Veterinary Science Technology).

Assistance animals (also known as emotional support animals) are only permitted in the residence halls and must be pre-approved. Students interested in applying for permission to have an assistance animal should review the Service & Assistance Animal Policy and Application for Assistance Animal on the Residence Life website.

The use of a service dog by an individual with a disability is an exception to this rule. ADA defines a service animal as any dog that is individually trained to do the work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual or other mental disability.

Personal pets and assistance animals are not allowed in non-residential campus buildings and administrative offices.

30.2 On Grounds

All pets that are on the campus grounds must be under the direct control of their owner. (Dogs must be leashed and restrained). The Dog Control Law of the Village of Canton is in full effect on this campus.

Village Code requires that pet owners pick up and properly discard animal waste.

Pets are not allowed on any of the athletic fields.

31.0 Relationships

SUNY Consensual Relationship Policy

The State University of New York is committed to ensuring that our students, faculty, and staff can learn and work in an environment that is free from nepotism, harassment, exploitation, and conflicts of interest. SUNY is also committed to promoting fairness in grading, evaluation, and career opportunities. In order to achieve this, it is vital that all college personnel maintain professional boundaries with students, and with employees with whom there is or will be a supervisory relationship.

SUNY professional staff and other college personnel exercise power and authority over SUNY students and employees for whom they have current supervisory, instructional, or other professional responsibility, which
creates a power imbalance. This makes consent within any romantic relationship between a supervisor and employee or between a professional staff or other college personnel and a student problematic and may impede the real or perceived freedom of the student or employee to terminate or alter the relationship. Further, it may cause individuals outside of that relationship to believe that they are treated in an unequal manner during such a relationship or after it terminates, or it may cause individuals to feel that entering such a relationship is necessary or assistive in attaining their academic or career goals. Such a relationship may damage the credibility or reputation of the student, employee, the department or unit, the campus and University as a whole and may expose individuals or the institution to legal action and liability.

In the academic context, romantic relationships that might be appropriate in other circumstances have inherent dangers when they occur between professional staff or other college personnel and students. Implicit in the idea of professionalism is the recognition by those in positions of authority that in their relationships with students and employees there is an element of power.

Because inherent power differentials exist, professional staff or other college personnel are prohibited from entering romantic relationships with students for whom such staff or personnel have current supervisory, instructional, or other professional responsibility.

Consensual romantic relationships between professional staff or other college personnel and any students for whom such staff or personnel have no current supervisory, instructional, or other professional responsibility are strongly discouraged. It is understood that any intimate activity between SUNY professional staff/other college personnel and another employee or a student/graduate student shall never take place while the SUNY professional staff/other college personnel is on duty or on campus. In regard to SUNY Police, such relations shall also never occur while the officer is in uniform.

In the case of preexisting relationships, professional staff or other college personnel shall be required to recuse themselves from any evaluation of the student and from any activity or decision which may appear to reward, penalize, or otherwise affect the student or student employee and to otherwise take appropriate action to minimize any potential preferential or adverse consequences to the student or other members of the College community.

In the employment context, there is a presumption against romantic relationships between employees where there is a current supervisory or authority imbalance. In cases where there is or has been a consensual romantic relationship between two individuals employed by the college, it is important that any sphere of influence or authority by one such employee over another be removed. Where one person is in the direct line of supervision over the other, the supervisor must notify college administration so that alternative arrangements for supervision can be made.

Where neither individual is in the direct line of supervision over the other, but authority exists wherein one individual could impact any employment-related decision regarding the other, such as participating in decisions regarding hiring, termination, appointment, reappointment, promotion, assignment of duties, evaluation or changes in compensation or benefits for the other individual, such person must either recuse themselves from the decision-making process or, in the alternative, notify college administration so that they can be removed from the decision-making process.

Non-consensual relationships are always prohibited and may implicate other policies or laws.

A. Undergraduate Students

SUNY professional staff or other college personnel, are prohibited from entering romantic relationships with any undergraduate students for whom such staff or personnel have current supervisory, instructional, or other professional responsibility.

B. Graduate or Professional Students

SUNY professional staff or other college personnel are prohibited from entering romantic relationships with any graduate or professional student in their academic department or unit or over whom they have current supervisory, instructional, or other professional responsibility.

C. Employees in a Supervisory Role

SUNY professional staff or other college personnel are prohibited from supervising any employee with whom they are currently engaged or in the past have been engaged in a romantic relationship. Professional staff or other college personnel who enter a romantic relationship with an employee for whom they provide direct line supervision must notify their direct supervisor or department/unit head and Director of Human Resources or Employee Relations or designee. The employee’s supervisor or department/unit head, in concert with the Director of Human Resources or Employee Relations or designee, shall determine whether an alternative supervisory structure is possible and, if so, shall direct the employees to the alternative supervisory structure. The conclusion of the relationship (whether amicably or not) does not change the prohibition stated herein.

There is no prohibition or reporting requirement for SUNY professional staff or other college personnel who enter, are currently engaged in, or in the past have been engaged in romantic relationships with other faculty and staff where there is a direct line supervisory relationship. However, where a romantic relationship exists or has existed, professional staff or other college personnel shall recuse themselves from any personnel decisions regarding the other individual including hiring, termination, appointment, reappointment, promotion, assignment of duties, evaluation or changes in compensation or benefits for the other individual or, in the alternative, notify college administration so that they can be removed from the decision-making process.

There are no prohibitions or reporting requirements for consensual social interactions between SUNY professional staff or other college personnel, regardless of supervisory relationships, that are not romantic in nature.

D. Pre-Existing Relationships

Relationships between professional staff or other college personnel and an undergraduate, graduate/professional student, or employee for whom the employee will have supervisory, instructional, or other professional responsibility that pre-date enrollment as a student, the existence of a supervisory, instructional, or professional responsibility, or hire as staff are permissible provided that employee notifies their direct supervisor or department/unit head and the Director of Human Resources or Employee Relations or designee. The supervisor or department/unit head and the Director of Human Resources or Employee Relations or designee will work with the covered individuals to ensure that they are not in a direct supervisory or instructional relationship (and, if so, will develop a management plan for the employee), but there is no prohibition on maintaining the relationship. Individuals with hiring or admission authority may not be directly responsible for hiring or admitting an employee or student of any level, with whom they are currently engaged or have in the past been engaged in a romantic, intimate, and/or sexual relationship.
Great
33.0 Safety Committee
(See Policies & Procedures Manual)
The SUNY Canton Safety Committee was established to address a wide range of campus concerns which contribute to maintaining an overall safe environment conducive to living and working together. The Committee’s charge includes:

- Addressing a wide range of campus safety concerns including responding to inquiries from concerned persons and referring complaints to the appropriate authorities;
- Ensuring that education is provided to the campus community about personal safety and crime prevention;
- Recognizing, evaluating and recommending a course of action to solve or control safety/health problems;
- Identifying and recommending strategies for the prevention of sexual harassment/sexual assault incidents, including outreach and educational activities. The Committee’s recommendations will be provided to the campus for implementation.

Campus health and safety concerns can be reported through an online Safety and Health Inquiry Report at http://www.canton.edu/safety/report.html. This form is also available from University Police and Human Resources.

For more specific information regarding the Campus Safety Committee, please refer to the Safety Committee webpage at www.canton.edu/safety/ or contact Derek L. Converse, Campus Safety Committee Chair, Environmental Health & Safety Coordinator, at conversed@canton.edu or 315-386-7631.

34.0 Sledding and Skiing on Campus
The Canton College Foundation owns the property (Hemlock Acres) along the river which is adjacent to the athletic fields. This land has been developed as a cross country ski area for the campus community.

The designated sledding hill, located between the Footbridges and Kennedy Hall, is to be used for sledding only. Other snow sports activities such as skiing and snowboarding are prohibited on campus. Those using the designated sledding hill and cross country ski area are responsible to do so in a safe manner as not to indicate either a willful or wanton disregard for the safety of persons or property.

All sledding and skiing activities outside of the designated areas are prohibited.

35.0 Tobacco Policy
(See Policies & Procedures Manual)
SUNY Canton serves to protect the health, safety, and comfort of its students, employees, and visitors while fostering a respect for others and the environment. The College joins the American College Health Association (ACHA) in supporting the findings of the Surgeon General that tobacco use in any form, active or passive, is a significant health hazard. Moreover, SUNY Canton recognizes that environmental tobacco smoke is classified as a Group A carcinogen by the United States Environmental Protection Agency (EPA).

In the fall of 2012, the College began its transition to a tobacco-free campus. During this time, designated tobacco-use areas on campus were significantly reduced and tobacco-free areas significantly increased. As of January 1, 2014, SUNY Canton continued this transition with a second reduction in tobacco areas:

Tobacco use is only allowed in the following areas:
- Heritage, Smith, Rushton, and Mohawk Gazebos
- Kennedy Hall Picnic Area

Tobacco use is no longer allowed in the following areas:
- Nevaldine Gazebos
- All parking lots
- College sidewalks, the campus plaza, building entrances and common areas, landscape areas, recreational areas, and campus buildings on College property.
- Interior of all buildings located on the College property and vehicles owned or operated by SUNY Canton and personally owned and rented vehicles when used to transport SUNY Canton faculty, staff, or students on any college-related business, academic, or student life activities.
- Residence hall facilities; smoking or the carrying of lighted cigars, cigarettes, pipes or any other form of smoking object is prohibited in all areas of the residence halls including hallways, bathrooms, lounges, laundry rooms, offices, and vestibules.
- Within 50 feet of any building entrance or exit, including immediate vicinity of all windows and air intakes.

Some of the reasons for SUNY Canton’s commitment to becoming tobacco free include:
- Promoting respect for others and the environment
- Reducing the health hazards posed by exposure to second-hand smoke on campus
- Preparing students for increasingly tobacco-free workplaces
- Helping prevent desecration of the campus environment by tobacco litter
- Supporting campus wellness

35.1 Definitions
For the purposes of this policy, the following definitions apply:
- “Tobacco” is defined as all tobacco products and other smoking devices, including, but not limited to: cigarettes, electronic cigarettes, cigars, hookah-smoked products, clove cigarettes, bidis, kreteks, synthetic marijuana, smokeless tobacco, vape pens and snus. This definition does not include any product that has been approved by the U.S. Food and Drug Administration for use as a tobacco-use cessation product.
- “College” is defined as SUNY Canton.
- “SUNY Canton property” is defined as any property owned, leased, or operated by SUNY Canton.

35.2 Components of the Policy
Cessation
The College will make every reasonable effort to assist those employees and students who wish to stop using tobacco. The Campus will promote evidence-based cessation resources. Students can access support at the Davis Health Center. Employees can access support through the Employee Assistance Program.

Compliance and Communication
This policy applies to all College employees, students, visitors, and vendors and is driven by respect for others and the environment. The entire campus is empowered to appropriately and civilly inform a violator of the policy and ask them to move to a designated tobacco-use area. We anticipate that most instances of violation of this policy can be remedied through education and/or informal reminders. As tobacco regulations are College policy, serious or repeat violations may subject employees to disciplinary action as contained in the appropriate articles of the union contract. Students may be subject to disciplinary action as contained in this Student Handbook.
Additionally,

- The sale of tobacco products or tobacco-related merchandise is prohibited on College property.
- The free distribution (sampling) of tobacco products and associated products is prohibited on the College properties.
- Sponsorship of campus events by organizations that promote tobacco use is prohibited.
- Advertisement of tobacco products at campus events is prohibited regardless of sponsorship.
- Organizers of public events on campus are responsible to communicate this policy to attendees.

**Policy Review**

SUNY Canton will maintain a broad-based Tobacco Advisory Committee to identify and address needs and concerns related to this policy, implementation, compliance, enforcement, and cessation. The Tobacco Advisory Committee will review this policy on a regular basis to ensure that it is sustained, effective, and up to date.

### 36.0 Wheeled-Vehicle Policy

*(See Policies & Procedures Manual)*

SUNY Canton recognizes that the following forms of transportation (including but not limited to: bicycles, skateboards, roller-blades, hoverboard/hoverboard-type vehicles) and other low-impact forms of wheeled transportation are legitimate methods of both exercise and transportation. However, some people choose to utilize these items in other than a conventional manner, thereby creating a physical danger to themselves and others as well as a hazard to property. In an effort to continue to provide for the open use of SUNY Canton property for these modes of transportation, the following guidelines are adopted:

- No wheeled-vehicle used for personal transportation except youth strollers and those that assist disabled persons in navigation may be used within any campus building.

- Bicycles, when not in use, must be securely locked to approved bicycle racks. Bicycles secured to trees, poles, railings, hand rails, and guard rails or those that block wheelchair ramps, stairways, pedestrian egress, creates a safety hazard or appears to have been abandoned, may be impounded by University Police.

- Skateboards, roller-bladers, and hoverboarders/hoverboard-type vehicles using sidewalks will do so safely and will yield the right of way to pedestrians. They will travel at a safe speed and may not perform any of the following activities: jumping, riding over steps and/or curbs, riding on walls and railings.

- Skateboarders and roller-bladers using campus roadways will travel at a safe speed, in the right lane of traffic only, as close to the right-hand curb as feasible and safe. (proceed with the flow of traffic).

- Motorized vehicles (including but not limited to: scooters, mopeds and motorcycles) should not be operated on sidewalks or parked in any manner so as to block or impede pedestrian egress, emergency exits, or handicap access features to any campus building.
Alcohol Policy

Regulations for Individual Possession and Consumption of Alcohol in Student Rooms

1. Students under the age of 21 shall neither possess nor consume alcoholic beverages.
2. Possession and consumption of alcohol in the residence halls is a privilege and may be revoked at any time. No alcohol is permitted in alcohol-free areas or on any floor noted as substance-free housing.
3. Only those rooms or suites where ALL the residents are 21 years of age or older shall be permitted the use of alcoholic beverages and the privilege to possess and/or store any container which previously contained an alcoholic beverage. Those possessing alcohol are responsible for safeguarding their supply of alcohol to prevent it from being obtained by those under the age of 21.
4. Any student violating existing rules and regulations governing alcoholic beverages set forth in the Code of Student Conduct or NYS laws will be subject to the legal process and/or the campus disciplinary process.
5. No more than six persons, all of whom must be 21 years of age or older, may be in a room at the time alcohol is being consumed.
6. There shall be no kegs of any size or beer balls. The quantity shall not exceed one case of 12 oz. American beer or one gallon of wine or one quart of 80-proof liquor or any combination thereof allowed for personal use only.
7. Each individual in a residence hall is responsible for his or her own actions. Students are responsible for the actions of their guests.
8. All students, whether or not they are 21 years of age or older, who do not want alcohol in their room will be segregated by rooms, floors, and wings whenever possible. An alcohol-free wing is provided in Mohawk South or any floor noted as substance-free housing.
9. Cans or bottles which previously contained alcohol ("empties") are treated as full containers. Regardless what function(s) the containers serve (such as lamps or decorations), they are still prohibited in rooms unless ALL occupants of the room are age 21 or older.

Specific Regulations Concerning Registered Events in the Residence Halls

1. All requests for events shall be submitted to and approved by the Residence Hall Director at least two weeks before the event. The Residence Hall Director will forward qualified requests to the Alcohol Coordinator for action.
2. All events must be registered with the master calendar in the Student Activities, Involvement & Leadership (SAIL) office and with the University Police at least two weeks prior to the event by means of the approved request form.
3. No approved events shall take place on a day preceding an academic school day (one on which classes or exams are held) and not on designated all-college weekends.

Clarification of the keg, beer ball and large quantity of alcohol rule. Possession of kegs, beer balls and large quantities of alcohol in College housing will result in immediate disciplinary action including the possibility of suspension from College housing. Large quantity is defined as 15 oz. or more of total alcohol. This means more than a case of American beer or a quart of 80-proof liquor or one gallon of wine or any combination of alcoholic beverages which amass 15 ozs. or more total alcohol. An empty container which previously contained an alcoholic beverage may be considered the equivalent of a FULL container and dealt with as such under the Zero Tolerance Policy.

Fire & Fire Drill Procedures

If there is a fire in the residence halls, pull the nearest fire pull box and notify your Resident Assistant, the Residence Hall Director, or the office at once.

During the year, there will be periodic fire drills in the residence hall conducted by University Police. These drills are often unannounced so you should assume that there is a fire whenever you hear the alarm. When a fire alarm sounds, all residents must immediately and completely evacuate the residence hall, and dress appropriately for current outdoor weather conditions.

You are responsible for knowing the proper fire drill procedure including the proper dress, preparation of your room, exit route, and assembly area.

If you are not in your room when the alarm goes off, proceed to the nearest exit and go to the area outside the building assigned to you for roll call. If you are in your room, please adhere to the following rules:

1. Open the blinds and leave lights on in the room.
2. Close windows if possible.
3. Close your room door.
4. Wake roommate(s).
5. Proceed quickly and quietly to the nearest exit.
6. Wait outside the fire exit, away from the building, for further instruction.
7. Rooms are checked for evacuation by Residence Life Staff and University Police.

For the 2020-2021 academic year, occupancy may be modified due to COVID-19 and will be shared in each location pursuant to New York State guidelines.

Kennedy Hall Fire Alarm Policy

Use of cook stoves in Kennedy Hall is a privilege, not a right. If the fire alarm is set off in a suite more than once during the academic year, regardless of the reason, the power to the cook stove in that suite will be shut off for the remainder of the semester, or for a one-month period.

Additionally, if the oven, stove or burners are discovered to be unacceptably dirty or if there is evidence that the smoke detector has been covered or tampered with, the power to the stove will also be shut off immediately. The purpose of this policy is to reduce the number of fire alarm activations in the building and to prevent potentially dangerous situations.

Please remember:
- When using the stove, never leave it unattended.
- Always keep the oven, burners and stove-top clean.
- To reduce smoke and steam, use lower temperature settings and utilize lids for pots and pans.
- Know the location of the fire extinguisher and know how to use it.

If you set off the alarm in your suite by accident (i.e. cooking) and there is no fire, all occupants of the suite must evacuate the suite and travel down to the first floor lobby, to wait for University Police. If you know there is a fire within your suite, evacuate the suite, pull the nearest fire alarm pull station to sound a general alarm, indicated by flashing strobes within the corridor and common areas, and evaluate the building. If your suite is the only suite in which the
fire alarm is sounding. University police will investigate the alarm upon their arrival. If no fire is found by University Police, they will reset the system and let the occupants back into their suite. At all times if the fire alarms sound and you evacuate your suite and find the building in general alarm you must evacuate the building.

Eligibility for Campus Housing

You are eligible for campus housing only if you are a full-time student (carrying 12 or more credits) and you meet re-registration requirements as stated in the College Catalog. Students not meeting this requirement may appeal to the Director of Residence Life to request special permission to live on campus. Exemptions will be reviewed on a case-by-case basis, and factors taken into consideration in this review may include academic progress, disciplinary and behavioral record, and availability of campus housing.

Housing for Students with a Felony

Students are asked if they have been convicted of a felony on the application for on-campus housing. Students with a felony will be asked for further information and documentation. Once the student has provided the required information, it will be reviewed and the college will determine if the student will be allowed to reside on campus housing.

General Information

Adjustment to Rooms

The college considers living in a residence hall an integral component of the total college experience. It is an opportunity for residents to encounter individuals with different ideas, backgrounds, and upbringings from different races, religions, and cultures. The Residence Life staff knows roommates often confront difficulties adapting to one another. We believe this is natural. The maturation process is greatly aided by striving to overcome obstacles to understanding, communication, and cooperation. Residents can learn much about themselves and others. Therefore, the Residence Life staff is committed to assisting residents to solve their own problems with roommates and adjusting to residence hall life through open discussion, development of coping skills, negotiation, and compromise in order to live in harmony with one another and develop a greater appreciation for the differences in one another.

Elevator

The elevator in the East Wing of Heritage, Rushton, Mohawk and Smith Halls is to be used by Residence Life staff and maintenance staff only. Any students using this elevator without the Residence Hall Director's permission will be subject to disciplinary action. The elevators in Kennedy Hall are for student use.

Mandatory Housing Policy

Every student in full-time attendance at SUNY Canton, other than married students, single parents, students residing with parent or guardian, students 21 years of age or older, students taking only online classes who will be living 60+ miles from Canton and will not be participating in in-person campus activities (Including athletics and Greek life), and students living in College-approved Greek housing, are required to live on campus, or be released from that requirement by the Director of Residence Life. Any student who is officially enrolled in a Bachelor's degree program and is in their junior or senior year with 60+ earned credit hours can be released. Due to the higher tuition rates paid by out-of-state and international students, release requests not meeting the above criteria will be considered on a case-by-case basis for these students. All other cases will be reviewed on an individual basis, and a judgment will be made by the Director of Residence Life as to whether the severity of the hardship warrants a release. In addition, all students who live on campus in College housing must contract one of the available meal plans with College Association.

Housing License Releases

Your housing license is a one-year agreement. Students seeking a release from their housing license must contact the Director of Residence Life. Any student wishing to be released (after having signed a housing license) must apply in the Residence Life Office. If the request is approved, the student will be charged $250.00 for breaking the housing license.

All students living off campus are required to notify the College of their off-campus addresses and phone numbers by September 15 of the Fall semester or February 15 of the Spring semester or immediately thereafter following any moves. Failure to abide by this regulation will result in holds being placed on a student's account, and the holds will not be removed until the student is in compliance. Addresses should be provided to the Residence Life Office at the time a housing release request is submitted or provided to the Registrar’s Office if the address change takes place after the release request has been submitted.

Inclusive Housing

SUNY Canton is proud to offer non-gendered inclusive housing. Kennedy Hall is open to all genders and features 303+ beds of suite-style housing. We are also happy to work with students living in the other residence halls to accommodate special requests related to gender identity and/or sexual orientation. If you would like more information or would like to discuss your living space, just give us a call at 315-386-7513.

Laundry Facilities

Each wing has an ample number of washers and dryers for your convenience. The operation of these facilities incurs a responsibility on your part to be mindful of their correct usage, particularly as it relates to fire safety and proper use of equipment. Students are responsible for supplying their own laundry soap and bleach. Also, it is highly recommended for residents to stay with their laundry while washing and drying to prevent theft.

Mail

Resident students receive their mail Monday-Friday at the student mailbox located on the first floor of the Miller Campus Center. You must go to the mailroom and sign out your mail key. You are not permitted to get your mail from the window; you must have your key with you. When you receive a package, you are notified by a notice placed in your mailbox. The package may be claimed any time the window is open. When receiving your mail, your address should read:

Your Name
Campus Mailroom
34 Cornell Dr.
Canton, New York 13617

If you lose your mail key, go to the Campus Center Mailroom to obtain a new key for a $15 replacement charge.

Main Lounge

This main lounge is open at all times to guests, faculty members and students of the College unless otherwise specified by the Residence Hall Director. The main lounge is the living room of the hall. Remember to treat the furnishings as you would those in your own home and keep them looking new for those who will use them in future years. Moving lounge furniture into student rooms is prohibited. Noise in the lounge should always be kept at a reasonable level.
Materials Available at Hall Office
Each hall office has athletic equipment and various other items available for resident sign-out. The office staff is responsible for signing out this equipment and the resident borrowing this equipment must leave their ID until this equipment is returned, taking full responsibility for returning the equipment in proper condition.

Vacation Dates and Closing Reminders
Whenever the residence halls close for a vacation, it is important to remember to do the following things in your room:
1. Unplug all electrical items: computer, hair dryer, speakers, refrigerator, etc.
2. Close and lock the windows and close the blinds.
3. Empty all trash! Do not leave empty cans and bottles in your room, as they attract bugs. You will be charged $20 per bag for any trash left in your room.
4. Clean out all items in your refrigerator and leave its door open.
5. The last person to leave should shut off all lights.
6. On the first vacation in the fall, you should plan on taking your bicycle home. There is no storage space.
7. At closing for the year, you are expected to fully clean your room of all personal belongings and leave the room in broom-swept condition.

The Residence Life Staff will verify by physical inspection that this policy has been followed. **ALL residents MUST vacate at or by the closing times listed below.** Any student staying beyond the closing time or arriving before reopening will be charged a fee of $50. Students staying multiple days will be charged $50 for each additional day.

Closing dates and times for the residence halls can be found on the Academic Calendar. Individuals not participating in graduation ceremonies are to vacate 24 hours after last exam.

Vending Machines
The residence halls have a variety of vending machines for the use of the residents. The staff should be notified if a machine is not working or if money has been lost. Tampering with these machines is a serious offense and will be referred to civil authorities for legal prosecution. Refunds can be obtained at the Campus Store.

Wing Lounges
The noise in this lounge must be kept to a minimum since many will use this area for studying. You are responsible for cleaning up anything (papers, candy wrappers, clothes, etc.) that you leave in the lounge. Students in the wing are responsible for the actions of their guests.

Maintenance, Operations, Student Property & Damages

Abandoned Property in the Residence Halls
Students who leave on campus housing for any reason at any time (housing release, withdrawal, suspension) and leave personal belongings in their room/suite must arrange with the Residence Hall Director of their hall to collect their belongings within one week of leaving. Unclaimed items will be disposed of immediately at the discretion of the College. If the College elects to move any belongings to storage, there will be a $50 fee for moving the belongings to storage and the student will be charged an additional $50 per week for every week the belongings are stored. The College will not be responsible for mailing/shipping any belongings to students. The storage charges must be paid before the belongings will be released to the student. The college accepts no responsibility for student belongings that are lost or damaged due to theft, fire, flood, accidental or intentional disposal or for any other reason.

Student Property in the Residence Halls
SUNY Canton and Grasse River LLC do not provide coverage for loss or damage to student property in the residence halls and suites. Students are encouraged to make sure they have insurance coverage for themselves and their personal property. SUNY Canton and Grasse River LLC. shall not be liable to students or any other party for the occurrence of any of the following:
1) Any failure of water, gas, heat, ventilation, air conditioning, light, power, telephone service, sprinkler system or any other utility service supplied to the buildings/rooms;
2) Any injury or damage to persons or property caused by fire, bursting pipes or leaking of water, snow, gas, sewer or steam pipes, sprinkler systems, the elements or any other unavoidable casualty;
3) Any injury or damage to persons or property caused by any existing or future condition, defect, matter or thing in or on the Suite or the buildings;
4) Any act, omission or negligence of any person in or about the buildings; and
5) Any act of theft, burglary, vandalism, assault or other crimes.

Damage Policy
Prompt payment of any damage charges incurred by individuals is the best action, as it eliminates the possibility of degrees or transcripts being held up later on. **NOTE:** The definition of “damage” is as follows: Any act (intentional or unintentional) which results in costs being incurred by the College. It is important to realize that nothing actually has to be broken in order for it to fall within this definition. Examples of this are situations which require College personnel to clean a location, re-paint something, etc.

Heat, Hot Water, or Electrical Problems
If you are experiencing problems with your heat, hot water, or electrical lighting, please contact your Residence Hall Director. If the Residence Hall Director is not available, please call the appropriate number below and inform the staff member of the specific problem. If a problem persists, please ask the Residence Hall Director to inquire as to the status of the problem's resolution.
Weekdays - 8 am-4 pm (315)386-7222
Weekends and evenings (315)386-7777 (University Police)

Maintenance and Cleaning
The cleaning staff is responsible for the cleaning of the common areas of the residence hall. These areas include all lounges, bathrooms, stairwells, laundry rooms, and corridors. The exceptions to this definition of common areas are the bathroom facilities included in a suite or private room. The residents of those rooms are responsible for the cleaning of their bathrooms. Any repairs that need to be done to any furniture or areas in the residence hall (this includes student rooms) should be brought to the attention of the Residence Hall Director. The Maintenance staff are the only ones authorized to make repairs. The cleaning staff will not clean areas in excess of ordinary debris.

*Special Note:* The cleaning staff will not clean a bathroom that is cluttered with toiletries, clothing, dishes, or other unnecessary items. These items will be discarded if left in the bathrooms.

At closing for the year, you are expected to fully clean your room of all personal belongings and leave the room in broom-swept condition.
Movement of Furniture

No person shall move lounge furniture, room furniture, or the contents of any residence hall room without written permission from the Residence Hall Director. Movement of furniture request forms may be obtained from the Residence Hall Director. Lounge furniture may not be removed from any lounge.

Recycling/Trash

SUNY Canton strongly supports recycling. Residents are required to separate trash and recyclables.

The college has a “Zero Sort” recycling system. A container is provided in your room and also in the wing. All recyclables go into one bin. Recyclables must be rinsed and clean.

To make this work we need your cooperation, so do not be afraid to ask questions of your R.A. or Hall Director.

Room Reservation & Housing Lottery

New students apply for housing by completing the On-Campus Form in UCanWeb. Housing assignments for new students are posted to UCanWeb in early August for the fall semester and early January for the spring semester.

Current students reserve rooms for the upcoming academic year during Room Reservation & Housing Lottery which takes place around March each year. Detailed information about this process will be provided to students via e-mail and in printed brochures prior to Room Reservation & Housing Lottery. Students should be aware that housing lottery numbers are printed brochures prior to Room Reservation & Housing Lottery. Students should be aware that housing lottery numbers are

Room/Suite Inspections

Upon arrival, a link to the “Room/Suite Condition Report” for your room/suite will be provided to you. The completion of this form is the sole responsibility of the residents of the room/suite. This form is very important because it states the physical condition of your room/suite at the time you move in. Your RA will verify this record with you. When the residents have completed the inspection form, they electronically sign and date it to show approval.

Whenever the occupancy of a room/suite changes, a resident should request a preliminary inspection of the room/suite. At this time the Room/Suite Condition Report will be used to identify any new damages. The individual(s) responsible for the damages will be billed and the Room/Suite Condition Report will be updated.

This is why it is crucial that the residents fill out a very detailed and accurate record upon arrival. Any damages not noted on the original inspection may be charged to any/all occupants of the room/suite.

 Formal room/suite inspections will occur at the end of each semester (December, April/May). At this time we ask that the residents make proper arrangements so that any damages in the rooms/suites can be verified and the proper individual(s) can be charged. At closing for the year, you are expected to fully clean your room/suite of all personal belongings and leave the room/suite in broom-swept condition.

Damage and cleaning charges in common areas of suites will be split among all suitemates unless one student voluntarily takes responsibility for the damage. It is your responsibility to ensure that the entire suite is clean and damage free; do not assume your suitemates will clean and repair the suite.

If at any time you have a question concerning the condition of something, please do not hesitate to ask. It will save some hassles at the end of the year.

Outside antennas of any kind will not be allowed in the residence halls. Splicing into or connecting with College-owned cables and antennas is prohibited.

Apogee DMCA Process

ISP of Record

As the ISP of record, Apogee receives email notifications of alleged copyright infringement cases from various companies such as RIAA, MediaSentry, HBO, Paramount, Universal Studios, etc. It is our responsibility to pass these notices along to the end users.

Notification Matching

End users are matched against the IP address, date and timestamp provided in the notification. An email is then sent to the email address(es) provided on the end user’s account; this email includes the actual notification as well.

Process Involvement

Each client can choose their preferred level of involvement in regard to DMCA notifications.

Suggested Process

The process outlined below is a standard method for compliance in processing DMCA notifications. This policy will apply to end users unless otherwise noted, and can be changed as needed.

- 1st Offense
  - Forward DMCA notice on to the end user and request that, if they are sharing copyrighted information, to cease and remove the specified files
  - Warning only
  - Account remains active
  - Copy - for example: dmca@school.edu

- 2nd Offense
  - Forward DMCA notice on to the end user and request that, if they are sharing copyrighted information, to cease and remove the specified files
  - Second warning
  - Account remains active
  - Copy - for example: dmca@school.edu

- 3rd Offense
  - Forward DMCA notice on to the end user and request that, if they are sharing copyrighted information, to cease and remove the specified files
  - Account shut off for three (3) days
Appliances
As stated in the Residence Terms, the College prohibits the use of certain electrical appliances in students' rooms. The following are prohibited: halogen torchiere floor lamps, hot plates, toasters, toaster ovens, lava lamps, electric woks, electric coils, sunlamps, air conditioners, heaters, electric percolators, "hotpots," and any electrical appliance used to cook or prepare food. Please do not bring any of the listed appliances, as you will not be able to use them in the residence hall. Unlike the other residence halls, toasters are permitted in Kennedy Hall. However, students may not bring their own refrigerators or microwaves if they live in Kennedy Hall.

Candles and Incense
Because of the danger of fire, the use of candles and/or incense or other open flames is not allowed in the rooms or public areas of the residence halls.

Ceilings
Because of potential damage and fire hazard, attaching anything to the ceiling in student rooms is prohibited and punishable by a $100 fine.

Children in Residence Halls
Children under 17 years of age are not permitted in the residence halls unless accompanied by a legal guardian, College employee, or a sibling who resides in the residence hall who is at least 18 years old. Under no circumstances is an individual under 17 years of age to be allowed in the residence halls after 9 p.m. or before 9 a.m., unless they are participating in a College-organized program. A full-time matriculated student who is 16 years of age may reside in the residence halls with guardian permission.

Christmas Decorations
Live Christmas trees, string lights and rope lights are prohibited in student rooms.

Hall Sports
Because of the risk of physical injury or damage to facilities, students are encouraged to be careful playing sports on campus. Nerf™ and whiffle balls, hacky sack, Nerf™ guns, water/squirt guns, snowballs, Frisbee, soccer, volleyball, and playing catch with a baseball, softball, football or lacrosse ball are permitted on campus lawns and fields. These activities should take place away from buildings, walkways and uninvolved people. All other athletic activities (playing a game of football, baseball or softball with a bat, lacrosse, etc.) should be conducted on the athletic fields. The above-listed physical or recreation activities or others that could be defined as Hall Sports are not permitted within the residence halls. Exceptions include the use of pool, Ping-Pong, and foosball tables in designated areas. Additionally, bicycles, skateboards, roller blades and similar wheeled vehicles may not be used in campus buildings including the residence halls.

Halogen Lamps
Halogen lamps, also known as torchieres, are prohibited. In accordance with a directive from SUNY, students are not allowed to have them in their rooms because of the intense heat they generate, thus rendering them a potential fire hazard.

Microwave Ovens
Students are permitted to have one microwave oven per room. Microwave ovens are included in Kennedy Hall; students are not permitted to bring their own microwave ovens in this building.

Refrigerators
Due to potential problems stemming from the substantial electrical draw of certain refrigerators, large house-style refrigerators cannot be placed in student rooms. However, students may have two small refrigerators (1.7 cubic feet), or 1 larger refrigerator as long as the TOTAL cubic footage of the refrigerator(s) does not exceed 3.4 cubic feet per room. Refrigerators are included in Kennedy Hall; students are not permitted to bring their own refrigerators in this building.

Solicitation
Solicitation in the buildings or on the grounds is strictly prohibited. No occupant is to use his or her room, or permit his or her room to be used for any commercial purpose whatsoever. Any and all door-to-door solicitation is regarded as an unnecessary invasion of the privacy of the residents and is, therefore, prohibited. This restriction applies to both commercial and non-commercial solicitation and to distribution of written materials as well as personal contact.

Speakers
Students are not permitted to have stereo speakers, subwoofers or amplifiers in residence hall rooms. All music must be kept at a reasonable level.

Waterbeds
The Residence Life Office does not permit waterbeds in the residence halls. The potential and consequences of property damage are too great to allow such an unnecessary item in student rooms.

Windows
The placement of stereo speakers in windows is prohibited, as doing so will undoubtedly disturb other residents and/or the overall atmosphere of the College. Furthermore, objects may neither be passed out of nor received through open windows. Window screens may NEVER be removed.

New York State Minimum Living Standards for Residence Halls
In 1988 the New York State legislature directed the State University Board of Trustees to develop Minimum Living Condition Standards for the SUNY residence halls. The five standards are stated along with how SUNY Canton addresses each standard.

Guidelines:

1. All furnishings and equipment supplied by the University will meet applicable fire and safety code standards promulgated by the State of New York.

   SUNY Canton is in compliance with this guideline and meets all applicable state codes when purchasing furnishings and equipment.

2. Each resident's sleeping room will have an operational smoke detector.

   The Physical Plant at SUNY Canton provides annual preventative maintenance for the smoke detectors. Annual testing of smoke detectors is conducted by the Physical Plant office and Simplex and the records of the inspection are kept by both the Physical Plant office and Simplex. Once notified of a non-working or malfunctioning smoke detector, it is replaced with a working smoke detector.

3. Student residents are required to adhere to all applicable safety codes and health standards.
standards in the use of private equipment and appliances (where permitted).

Residents of SUNY Canton’s residence halls are required to sign a residence license directing them to the Student Handbook which informs them of safety regulations and sanctions regarding their use of private equipment and appliances in the residence halls. All residents are notified of the Student Handbook’s location on the College’s website.

4. Access to residence hall living on each campus that operates residence halls will be provided for the differently abled in accordance with applicable codes and standards (e.g., section 504 of the Rehabilitation Act of 1973).

SUNY Canton is in compliance with this guideline. Both Heritage Hall and Rushton Hall have handicapped accessible rooms and facilities.

5. Inspection and assessment of the physical facility and its components (e.g., water, electricity, and heating systems) will be conducted annually by appropriate campus personnel. The report of this inspection should be distributed to appropriate campus personnel. A priority list (as viewed by appropriate campus personnel) of repairs/refurbishment should be part of this report, with recommended timetables for completion. Backlogs from earlier reports should be noted.

The Physical Plant Office at SUNY Canton is responsible for inspecting the physical facility annually and reporting the list of repairs/refurbishments to the following: the College President and their cabinet, the Vice President for Student Affairs/Dean of Students, and the Director of Physical Plant.

**Standard II**

The campus maintenance plan shall provide for a regular schedule of cleaning and repair for all common areas in residence halls.

**Guidelines:**

1. A regular schedule for cleaning of common areas including lounges, hallways, bathrooms, and areas used by all residents should be established. Copies of the schedule should be posted. During the week all trash will be removed each day and bathrooms are stocked with toilet paper. In addition, under normal circumstances, bathrooms/restrooms, lounges, hallways, and laundry rooms will be cleaned daily, Monday through Friday between the hours of 6:30 am through 3:00 pm. This information will be posted for viewing by residents in the main lobby of each residence hall.

2. Every reasonable effort by the campus administration and student residents should be made to keep residence halls sanitary and vermin free, and all appliances provided by the University in working order or removed from service.

The services of a local pest control company are contracted by SUNY Canton to provide regular service. Pest problems are referred immediately to the pest control company for their immediate response (24-48 hours) to eliminate the problem.

A private vendor has contracted with College Association to provide and maintain washers and dryers in the residence halls. A toll-free phone number and web address to report maintenance problems is conspicuously posted in each laundry room along with detailed directions for operation of the washers and dryers. Terms of contract require the vendor to respond within 24 hours from receiving notification of the problem. If a machine is out of service for 72 consecutive hours, the vendor will provide a replacement.

3. Campuses should have an established procedure, developed in conjunction with the Central Administration Offices of Finance and Business, Capital Facilities, and Student Affairs for declaring student rooms uninhabitable and for removing them from service until conditions are corrected.

The Director of Residence Life will make the decision as to whether a student room is uninhabitable and should be removed from service, based on pertinent information from the Director of Physical Plant and/or other appropriate campus personnel. Life, health, and safety of student residents, and whether the continued occupancy could harm the occupants or further impair the condition of the facility will be the criteria utilized in making this decision. The affected students, the Vice President for Student Affairs/Dean of Students, Vice President for Administration, and Director of Physical Plant will receive written notification of this decision.

**Standard III**

The campus shall provide each student resident with adequate living space, furniture, and appropriate and sufficient heat, light and hot water.

**Guidelines:**

1. The campus will provide each student resident with adequate living and lounge furniture. As a minimum (except in the case of tripling) each student resident will be provided with: a bed, lamp, chair, dresser, desk, and closet. All such equipment should be clean, sturdy, free from major scarring, and of acceptable appearance.

SUNY Canton is in compliance with the above guidelines. In a tripling situation, students are provided with a bed, adequate area lighting, chair, dresser, desk, and closet space. On an annual basis Residence Life and Maintenance inspect all student rooms to determine the condition of each piece of furniture. Items identified as unacceptable will be removed from service and replaced with furniture in good repair.

2. Campuses should provide for a planned replacement or rehabilitation of residence hall furnishings.

Residence hall furnishings are replaced on a regularly scheduled basis.

**Standard IV**

The campus shall establish procedures for routine and emergency repairs to residence hall facilities.

**Guidelines:**

1. Protocols will be established to promptly address inquiries, requests, and complaints regarding routine repairs and maintenance for the provision of heat, lights, and hot water. The student resident should also be apprised periodically of the status of their request. These protocols, along with appropriate telephone numbers, should be provided in writing to each student resident. All repairs, especially those involving heat, light, and hot water, should be accomplished within a reasonable amount of time.

Residents experiencing problems with heat, lights, or availability of hot water in bathrooms may report them by phone to the Physical Plant during weekdays from 8:00 am through 4:00 pm. Problems experienced at other times are to be reported to University Police who in turn will contact appropriate campus personnel to address the problem in a reasonable time frame. This procedure and appropriate phone numbers will be stated in the Student Handbook. The Physical Plant will inform the Residence Hall Director of action taken so that the Residence Hall Director can notify the affected student(s).

The work order system is utilized by the Physical Plant for routine building repairs and maintenance. If a problem persists, the resident may inquire of the Residence Hall Director of the status of the work order.

2. To the extent possible, major rehabilitation or other capital projects should take place at times when students are not in occupancy of the residence halls. Major construction projects which are disruptive to ongoing programs should not continue
during scheduled examination periods. If this is impossible, arrangements should be made to house residents elsewhere.

SUNY Canton is in compliance with the above guideline.

**Standard V**

The campus shall establish procedures for redress for student residents in the event of the loss of services such as heat, light, and hot water in residence halls for extended periods that are within the control of the campus.

Guidelines:

1. These procedures will include a plan for reassignment on campus if conditions continue for an unreasonable time which involve the loss of heat, light, or hot water or the creation of any other condition which is detrimental to the life, health, or safety of the student residents.

   If a student residing in SUNY Canton’s residence halls goes without heat or electricity or access to hot water for three or more days, or the room is declared unlivable for any other reason, and the situation is determined to be within the control of the campus, then that student should be reimbursed for the amount of time they were inconvenienced. The reimbursement shall never exceed the full cost of room rent for the number of days the student has been affected.

   A committee comprised of the President and Vice President of the Residence Hall Association and two Residence Life professional staff members shall review all applications for redress and determine the appropriate level of reimbursement.

   When a student room has been declared unlivable and is removed from service, the occupants of that room shall be reassigned by the Director of Residence Life to any available student room even if it results in the room being tripled.

2. If reassignment on campus is not possible, the procedures should also include a plan for the provision of alternate housing at no additional charge to student residents and/or refund of a portion of room rental charges where applicable.

   If no space is available in the residence halls, the College may offer the student an opportunity to be released from their housing license and refund the unused portion of their room fee or the College may make arrangements to house the student(s) in off-campus facilities at no additional charge to the individual.

**New York State Student Notification of Fire Safety Standards and Measures in Campus Residence Halls**

§6438 of New York State Education Law requires notification of fire safety standards and measures in all College-owned or College-operated housing. To facilitate compliance the following information is provided:

An Emergency Evacuation and Fire Safety Plan has been developed for the Campus including: Mohawk Hall, Heritage Hall, Rushton Hall, Smith Hall and Kennedy Hall. This plan can be viewed and is available on the web at: http://www.canton.edu/university_police/ the EH&S website at: http://www.canton.edu/ehs/ and also through the Residence Life Office.

**Sprinkler Systems**

Mohawk Hall, Heritage Hall, Rushton Hall and Smith Hall are equipped with sprinkler systems in the basement and first floor storage areas. Heritage Hall East Wing, Rushton Hall East Wing, Mohawk Hall East Wing, and Kennedy Hall are equipped with an automatic sprinkler system designed to discharge water when the effects of a fire have been detected. In general, sprinkler heads are located in each space of the building.

**Fire Alarm Systems**

All five residence halls are equipped with an automatic fire alarm system designed to detect the unwanted presence of fire by monitoring the presence of smoke and/or heat. In general, smoke and/or heat detectors are located in each space of the building. The fire alarm system can also be manually activated by pulling a fire alarm pull station. Fire alarm pull stations are located throughout the building at or near an exit. The location of fire alarm pull stations are identified in the Emergency Evacuation and Safety Plan as well as on posted Building Evacuation Plans.

**Fire Extinguishers**

All five residence halls are equipped with portable fire extinguishers. Portable fire extinguishers are intended to extinguish or control small fires. In general, portable fire extinguishers are located on each floor of the building in common areas and other required spaces. The location of portable fire extinguishers are identified in the Emergency Evacuation and Safety Plan as well as on posted Building Evacuation Plans.

**Exits**

All five residence halls are equipped with emergency exits and stairwells. The location of emergency exits and stairwells are identified in the Emergency Evacuation and Safety Plan as well as on posted Building Evacuation Plans.

Additional fire safety information including the Campus Fire Safety Report may also be found in the annual Jeanne Clery Disclosure Act and Fire Safety Report which can be found at: http://www.canton.edu/clery_act/.

**Pets**

Due to health reasons and a group living situation, absolutely no pets are allowed in the residence halls except those pre-approved to live in The Pet Wing. These animals must be registered with the Residence Hall Director prior to their arrival on campus.

Students living in The Pet Wing must realize that having a pet is a privilege and associated with it are certain responsibilities which follow:

1. All roommates must be in total agreement to allow a pet in their room.
2. All waste associated with the pet must be deposited directly in the dumpster by the loading dock. At no time is it to be placed in the trash receptacle in the residence hall.
3. Any messes created by the pet must be attended to immediately by the caretaker.
4. The caretaker is totally responsible for any damages caused by the pet, i.e., soiled carpets.
5. Abuse of this privilege may result in its loss, confiscation of the pet, and/or suspension from College housing.
6. Students living in The Pet Wing should reference the pet contract for more specific requirements.
7. No birds, dogs, snakes or spiders will be allowed in The Pet Wing. All other pets will be approved or denied on an individual basis by the Residence Hall Director.

**Philosophy**

The Residence Hall Program attempts to develop an atmosphere in which students grow personally, socially, emotionally, culturally, and academically. Through the experience of residence hall living, a student can gain understanding and practice the processes of group living. Residence halls thus contribute to the total education of a student through the building of attitudes, appreciation, and characteristics associated with cooperation and responsibility.

Residence halls also serve as a bridge between the rather close supervision of the
home and the complete freedom and responsibility experienced after graduation. For this reason, it is important within the residence halls to recognize the needs of individual students and to help them to develop a sense of responsibility.

A residence hall can be a home and the residents a family. Of course, it has more members than the average family, but nevertheless, it still functions as a home and as a social unit. Besides being a place in which to sleep and keep one's belongings, a residence hall can be the center where lasting friendships are made. New ideas and concepts are formulated and exchanged. Residents widen their horizons by these experiences in social relations. Cooperation, consideration, tolerance, and understanding are promoted within the residence hall.

A residence hall can also be the center of student communication. It can be the area of contact between administration, faculty, community, and student.

The residence hall program, just as all programs at SUNY Canton College of Technology, is administered without discrimination on the basis of race, color, national origin, religion, creed, age, disability, sex, gender identity, gender expression, sexual orientation, familial status, pregnancy, predisposing genetic characteristics, military status, domestic violence victim status, or criminal conviction.

Second Week................................70%

Furthermore, the Director of Residence Life must approve the release and approve the new student to move into Kennedy Hall. If the student is moving from another room in Kennedy Hall, then their vacated room must also be refilled. If a resident is leaving their room during the license period, they are encouraged to seek out a student from another residence hall or off-campus to fill the space. In the event that the space cannot be filled by another student, the original licensee will be liable for the room rent for the entire two-semester length of the Housing License.

5. Residence halls are thoroughly inspected prior to student occupancy each semester. Damages which occur during a particular semester will be charged to individual students and/or groups of students.
6. Residents are issued a college I.D. which also serves as their front door key. There is a $15 charge to replace a lost college I.D. It is the student’s responsibility to have their I.D. properly encoded to enter their residence hall. This is done by College Association in the Student Service Center in Miller Campus Center 012.
