

Your Jump Start Director &
Assistant Director of Career
Services is:

Katie Kennedy
kennedyk@canton.edu

Katie Kennedy

Schenectady, New York

Throughout my career in higher education, I have taught writing and First Year Experience courses, coached cross country runners, coordinated programming for high school and college students in the STEM fields, and helped students realize their personal and professional potential. I am excited to work with the Jump Start program because I truly believe all students have the potential for success no matter what their abilities or life circumstances. I love working at SUNY Canton because we put students first and because, as our campus motto states, everyone is truly welcome here! I enjoy seeing my students grow and pursue their dream careers after graduation.

When I'm not at work, I enjoy spending time with my husband and our 5-year old daughter, Maggie. We are fortunate to have a summer cottage in the Thousand Islands, where we often host groups of students, including our annual overnight campout with the cross-country teams.
