TO: Faculty  
FROM: Dr. Joseph C. Hoffman  
SUBJ: Approval of Rank Matrices

A handwritten signature in blue ink, appearing to read 'JCH', is written over the 'SUBJ' line of the memo.

Please find attached the SUNY Canton Rank Matrices. This memo serves as official approval of these Rank Matrices. They are effective September 1, 2014.

I would like to thank the Provost, Academic Deans and Department Chairs for their work on these final versions. My special thanks to the faculty for taking on this project and giving it such thoughtful consideration.

Please note that going forward, any requested changes to these matrices must be submitted to the Committee on Appointments and Promotions of the Faculty Assembly who, in consultation with the Deans' Cabinet, will consider the request. Recommendations arising from these deliberations will be voted on by the Faculty Assembly. If approved, recommended changes will be forwarded by the Presiding Officer to the President for action.

Thank you again to all for your efforts in creating these Rank Matrices.
